Executive Summary

Community Interest and Opinion Survey

Executive Summary Report

Overview and Methodology

ETC Institute conducted a Community Interest and Opinion Survey for the City of Raytown Parks and Recreation Department to establish priorities for the future improvement of parks, recreation facilities, programs and services within the community. The survey was mailed to a random sample of 3,250 households in the City of Raytown. An option to complete the survey online was also available to residents who had that preference. Once the surveys were mailed, resident households who received the survey were contacted by phone. Those who indicated that they had not returned the survey by mail were given the option of completing it by phone.

A goal was set to obtain a minimum of 325 completed surveys within the City of Raytown. Leisure Vision/ETC Institute exceeded the goal and obtained a total of 486 completed surveys with an overall response rate of 15%. The results for the sample of 486 households have a 95% level of confidence with a precision rate of at least +/- 4.4%

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking. (top 2)

<u>Q17. Two options you would most support City taking</u>	<u>Number</u>	<u>Percent</u>
Continue operating Super Splash USA as it currently exists	21	4.3 %
Renovating existing Super Splash USA to allow for its continued operation with same water features & amenities currently offered	128	26.3 %
Replacing Super Splash USA with a new water park with enhanced water features	162	33.3 %
Downsizing Super Splash USA to a similar aquatic center with fewer water features that are most cost effective to operate & maintain	154	31.7 %

Q19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a 1/8 cent local option Park/Stormwater sales tax that expires in August 2020. By voter election the City can establish an additional 3/8 cent sales tax. Revenues from the total 1/2 cent sales tax could be used to help fund the types of parks, trails and recreation programs and services you have indicated are most important to your household. Knowing that, if the City placed a ballot issue before the public to establish a total 1/2 cent sales tax to develop the types of parks, trails and recreation facilities, programs and services that are most important to your household, how would you vote in the election?

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking. (top 2)

Q19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a 1/8 cent local option Park/Stormwater sales tax that expires in August 2020. By voter election the City can establish an additional 3/8 cent sales tax. Revenues from the total 1/2 cent sales tax could be used to help fund the types of parks, trails and recreation programs and services you have indicated are most important to your household. Knowing that, if the City placed a ballot issue before the public to establish a total 1/2 cent sales tax to develop the types of parks, trails and recreation facilities, programs and services that are most important to your household, how would you vote in the election?

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking. (top 2)

Q17. Two options you would most support City taking

Household Types

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking. (top 2)

Q19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a 1/8 cent local option Park/Stormwater sales tax that expires in August 2020. By voter election the City can establish an additional 3/8 cent sales tax. Revenues from the total 1/2 cent sales tax could be used to help fund the types of parks, trails and recreation programs and services you have indicated are most important to your household. Knowing that, if the City placed a ballot issue before the public to establish a total 1/2 cent sales tax to develop the types of parks, trails and recreation facilities, programs and services that are most important to your household, how would you vote in the election?

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking. (top 2)

Q19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a 1/8 cent local option Park/Stormwater sales tax that expires in August 2020. By voter election the City can establish an additional 3/8 cent sales tax. Revenues from the total 1/2 cent sales tax could be used to help fund the types of parks, trails and recreation programs and services you have indicated are most important to your household. Knowing that, if the City placed a ballot issue before the public to establish a total 1/2 cent sales tax to develop the types of parks, trails and recreation facilities, programs and services that are most important to your household, how would you vote in the election?

Q17. In 1986, the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years, attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs. Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. Q19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a 1/8 cent local option Park/Stormwater sales tax that expires in August 2020. By voter election the City can establish an additional 3/8 cent sales tax. **A Few Minutes of Your Time Will Help Make Raytown a
Better Place to Live, Work and Play!**

Dear Raytown Resident:

Your response to the enclosed survey is extremely important...

The City of Raytown Parks and Recreation Department is conducting a Community Attitude and Interest Survey to establish priorities for the future improvement of parks, recreation facilities, programs and services within the community. Your household was one of a limited number selected at random to receive this survey, therefore, it is very important that you participate.

We appreciate your time...

We realize that this survey will take approximately 10 minutes to complete, but each question is important. The time you invest in completing this survey will aid the Raytown Parks and Recreation Department in taking a resident-driven approach to making decisions that will enrich the future of our community and positively affect the lives of its residents.

Please complete and return your survey within the next two weeks...

We have selected Leisure Vision/ETC Institute, an independent consulting company, as our partner to administer this survey. They will compile the data received and present the results to the City of Raytown. **Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061. If you would prefer to take the survey by web the address is www.raytown2015survey.org

If you have any questions, please feel free to contact Kevin Boji at the Raytown Parks and Recreation Department at 816-358-4100 or email kevinb@raytownparks.com. The Community Attitude and Interest Survey is a tool that will benefit all residents. Please take this opportunity to let your voice be heard!

Sincerely,

Mayor Michael McDonough

City of Raytown

Community Interest and Opinion Survey: *Let your voice be heard today!*

The City of Raytown Parks and Recreation Department would like your input to help determine park and recreation priorities for our community. This survey will take 10-15 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope. We greatly appreciate your time.

 _____ (2) 46-60 days _____ (5) 1-15 days
 _____ (3) 31-45 days

17. In 1986 the Raytown Park Board purchased the Raytown Public Pool, with sales tax revenue and a Land and Water Conservation Fund grant. The facility was renamed to Super Splash USA in 1991, expanded with new attraction, and became a very successful operation, drawing in over 70,000 guests per year, with 100% of its operating costs covered through user fees. However over the past 5 years attendance and revenue have declined. Today, more than \$160,000 of tax dollars are spent annually from the local option sales tax to help fund operating costs.

Due to the aging infrastructure of Super Splash USA, increasing competition, and the increasing operating costs, the City is studying options for the future of the facility. From the following list of options, please check the TWO options you would most support the City taking.

- _____ (1) Continue operating Super Splash USA as it currently exists. Note: This option may lead to closing Super Splash USA in the near future should it become unsafe or too costly to operate.
- _____ (2) Renovating the existing Super Splash USA to allow for its continued operation with the same water features and amenities currently offered.
- _____ (3) Replacing Super Splash USA with a new water park with enhanced water features.
- _____ (4) Downsizing Super Splash USA to a similar aquatic center with fewer water features that are most cost effective to operate and maintain.
- _____ (5) Close Super Splash USA.
- _____ (6) Not sure

18. Please rate your satisfaction on a scale of 5 to 1, where 5 means “Very Satisfied” and 1 means “Very Dissatisfied”, with the overall value your household receives from the City of Raytown Parks and Recreation Department.

- | | |
|---------------------------------|-----------------------------|
| _____ (5) Very Satisfied | _____ (1) Very Dissatisfied |
| _____ (4) Somewhat Satisfied | _____ (9) Don't Know |
| _____ (3) Neutral | |
| _____ (2) Somewhat Dissatisfied | |

19. Costs for funding Parks and Recreation facilities and program services in the City of Raytown are paid through user fees and revenues from a $\frac{1}{8}$ cent local option Park/Stormwater sales tax that expires in August 2020.

By voter election the City can establish an additional $\frac{3}{8}$ cent sales tax. Revenues from the total $\frac{1}{2}$ cent sales tax could be used to help fund the types of parks, trails and recreation programs and services you have indicated are most important to your household.

Knowing that, if the City placed a ballot issue before the public to establish a total $\frac{1}{2}$ cent sales tax to develop the types of parks, trails and recreation facilities, programs and services that are most important to your household, how would you vote in the election?

- _____ (1) Vote in favor
- _____ (2) Might vote in favor
- _____ (3) Not sure
- _____ (4) Vote against

20. Compared to other priorities for the City of Raytown such as police, fire, and streets, how important do you think it is to fund parks and recreation services?
