TENTATIVE AGENDA
RAYTOWN BOARD OF ALDERMEN
JANUARY 16, 2018
REGULAR SESSION No. 19
RAYTOWN CITY HALL
10000 EAST 59TH STREET
RAYTOWN, MISSOURI 64133

OPENING SESSION
7:00 P.M.

Mayor Michael McDonough called the January 16, 2018 Board of Aldermen meeting to order at 7:00 p.m. Larry Cleveland of the Raytown Community of Christ Church provided the invocation and led the pledge of allegiance.

Roll

Roll was called by Joe Willerth, City Attorney, and the attendance was as follows:

Present: Alderman Karen Black, Alderman Frank Hunt, Alderman Jim Aziere, Alderman Jason Greene, Alderman Ryan Myers, Alderman Mark Moore, Alderman Steve Meyers, Alderman Bill Van Buskirk

Absent: Alderman Bonnaye Mims

Proclamations & Presentations

Mayor McDonough presented proclamations to Tiffany Pollard and the Raytown Swim Team.

Public Comments

None.

Communication from the Mayor

The Mayor highlighted the events he attended since the previous meeting.

Communication from the City Administrator

The City Administrator provided an update on the City's current projects and plans.

Committee Reports

Alderman Greene reported on the January 2, 2018 Work Session's revenue enhancement discussion.

LEGISLATIVE SESSION

1. CONSENT AGENDA

All matters listed under the Consent Agenda are considered to be routine by the Board of Aldermen and will be enacted by one motion without separate discussion or debate. The Mayor or a member of the Board of Aldermen may request that any item be removed from the consent agenda. If there is no objection by the remaining members of the board, such item will be removed from the consent agenda and considered separately. If there is an objection, the item may only be removed by a motion and vote of the board.

Approval of the Regular January 2, 2018 Board of Aldermen meeting minutes.

Alderman Myers, seconded by Alderman Aziere, made a motion to adopt. The motion was approved by a vote of 8-0-1.

Ayes: Aldermen Myers, Aziere, Hunt, Greene, Moore, Van Buskirk, Black, Meyers
Nays: None
Absent: Alderman Mims

REGULAR AGENDA

NEW BUSINESS

2. Public Hearing: A public hearing to consider vacating a portion of 75th Street.

2a. **FIRST READING: Bill No. 6457-18, Section XIII. AN ORDINANCE VACATING A PORTION OF 75TH STREET LOCATED BETWEEN THE EAST RIGHT-OF-WAY LINE OF RAYTOWN ROAD AND THE WEST PROPERTY LINE OF LOT 2, RAYTOWN CROSSING EAST – SECOND PLAT, IN ACCORDANCE WITH THE PROVISIONS OF THE COMPREHENSIVE ZONING REGULATIONS FOR THE CITY OF RAYTOWN, MISSOURI.** Point of Contact: Michael Swan, Planning & Zoning Coordinator.

The ordinance was read by title only by Joe Willerth, City Attorney.

Mayor McDonough opened the public hearing.

Michael Swan, Planning & Zoning Coordinator, and the applicant, Mitch DiCarlo, remained available for any discussion.

Discussion clarified that the applicant’s responsibility of relocating utility lines has been released so long as utility easements are retained.

The second reading will be February 6, 2018.

CLOSED SESSION

Notice is hereby given that the Mayor and Board of Aldermen may conduct a closed session, pursuant to the following statutory provisions:

610.021(1) Legal actions, causes of action or litigation involving a public governmental body and any confidential or privileged communications between a public governmental body or its representatives and its attorneys;

610.021 (2) Leasing, purchase or sale of real estate by a public governmental body where public knowledge of the transaction might adversely affect the legal consideration therefore;

Alderman Black, seconded by Alderman Hunt, made a motion to adjourn and reconvene in Closed Session. The motion was approved by a vote of 8-0-1.

Ayers: Aldermen Black, Hunt, Myers, Moore, Meyers, Greene, Van Buskirk, Aziere
Nays: None
Absent: Alderman Mims

ADJOURNMENT

The meeting adjourned at 8:34 p.m.

Teresa M. Henry, MRCC
City Clerk

CITY OF RAYTOWN
Request for Board Action

Date: February 15, 2018
To: Mayor and Board of Aldermen
From: Teresa Henry, City Clerk

Resolution No.: R-3068-18

Action Requested: Appointment of to the Board of Aldermen.

Analysis: Eric Teeman resigned as a member of the Board of Aldermen on November 7, 2017. In accordance with RSMo., Section 79.280, a successor is appointed by the Mayor with the advice and consent of a majority of the remaining members of the Board of Aldermen.

Additionally, in accordance with RSMo., Section 79.280, such successor is to serve until the next regular municipal election and whereas the voters of the City of Raytown have approved four-year terms for members of the Board of Aldermen, the next regular municipal election in the City of Raytown will occur in April of 2019.

79.280. Vacancies in certain offices, how filled. — If a vacancy occurs in any elective office, the mayor or the person exercising the duties of the mayor shall cause a special meeting of the board of aldermen to convene where a successor to the vacant office shall be selected by appointment by the mayor with the advice and consent of a majority of the remaining members of the board of aldermen. If the vacancy is in the office of mayor, nominations of a successor may be made by any member of the board of aldermen and selected with the consent of a majority of the members of the board of aldermen. The board of aldermen may adopt procedures to fill vacancies consistent with this section. The successor shall serve until the next regular municipal election. If a vacancy occurs in any office not elective, the mayor shall appoint a suitable person to discharge the duties of such office until the first regular meeting of the board of aldermen thereafter, at which time such vacancy shall be permanently filled.

Budgetary Impact:

Not Applicable

A RESOLUTION APPOINTING MELISSA BEALL AS A MEMBER OF THE BOARD OF ALDERMEN, TO FILL THE POSITION OF FORMER ALDERMAN ERIC TEEMAN, UNTIL THE NEXT REGULARLY SCHEDULED MUNICIPAL ELECTION IN APRIL OF 2019

WHEREAS, Eric Teeman resigned as a member of the Board of Aldermen for the City of Raytown, Missouri, effective November 7, 2017; and

WHEREAS, in accordance with RSMo. Chapter 79, Section 79.280, a successor is appointed by the Mayor with the advice and consent of a majority of the remaining members of the Board of Aldermen; and

WHEREAS, in accordance with RSMo. Chapter 79, such successor is to serve until the next regular municipal election; and

WHEREAS, the voters of the City of Raytown have approved four-year terms for members of the Board of Aldermen, and the next regular municipal election in the City of Raytown will occur in April of 2019; and

WHEREAS, the Mayor desires to appoint Melissa Beall, 8510 Spring Valley Road, Raytown, Missouri as Alderman Ward V to replace former Alderman Eric Teeman;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT Melissa Beall, 8510 Spring Valley Road, Raytown, Missouri is hereby appointed to fill the vacant aldermanic position in Ward V of former Alderman Eric Teeman and such appointment is hereby approved by the Board of Aldermen;

FURTHER THAT Melissa Beall shall serve until the next regular municipal election in the City of Raytown which will be held in April of 2019, or until such time as a successor is duly elected and qualified;

FURTHER THAT said appointment shall be effective immediately and the City Clerk is hereby directed to administer the oath of office to Melissa Beall.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 20th day of February, 2018.

Michael McDonough, Mayor

CITY OF RAYTOWN
Request for Board Action

Date: February 1, 2018

Bill No. 6457-18

To: Mayor and Board of Aldermen

Section No.: XIII

From: Michael Swan, Planning & Zoning Coordinator

Department Head Approval: _____

Finance Director Approval: _____ (only if funding requested)

City Administrator Approval: _____

Action Requested: Conduct a public hearing to consider a right-of-way vacation application of 75th Street from Raytown Road to westbound MO-350 Highway.

Recommendation: The Planning & Zoning Commission voted 7-0 (2 absent) to recommend approval of the right-of-way vacation subject to the four (4) conditions stipulated in the Ordinance.

Analysis: Mitch DiCarlo, on behalf of Raytown Wash LLC, is requesting approval of a right-of-way vacation. The applicant is requesting to vacate right-of-way on 75th Street between Raytown Road and westbound MO-350 Highway. The request to vacate 75th Street is a condition placed on the Conditional Use Permit for the future Tidal Wave Car Wash located to the north of the existing right-of-way. The right-of-way to be vacated is approximately 232 feet long and 45 feet wide.

Pursuant to RSMO 71.260, written consent to vacate has been received by 2/3 of adjacent property owners. Notices for Consent to Vacate have been provided by the following adjacent property owners: FJM Distributing Company LP, Raytown Wash LLC, and Raytown Auto Developers LLC. Kansas City Power and Light (KCP&L), KC Water, Public Water Supply District #2, AT&T, and Spire (formerly MGE) have all waived objections subject to retaining their utility easements and protection of existing facilities.

Alternatives: Alternatives to the recommendation of the Planning & Zoning Commission would be to either deny the right-of-way vacation application or refer the application back to the Planning & Zoning Commission for revisions and/or further review.

Budgetary Impact: This application does not require the City to provide any funding. The application would remove a +/- 232 foot section of roadway from the list of City-maintenance roads.

Not Applicable

Additional Reports Attached:

- Staff Report from January 4, 2018 Planning & Zoning Commission meeting
- Minutes from January 4, 2018 Planning & Zoning Commission meeting
- PC Recommendation Letter from January 8, 2018

AN ORDINANCE VACATING A PORTION OF 75TH STREET LOCATED BETWEEN THE EAST RIGHT-OF-WAY LINE OF RAYTOWN ROAD AND THE WEST PROPERTY LINE OF LOT 2, RAYTOWN CROSSING EAST – SECOND PLAT, IN ACCORDANCE WITH THE PROVISIONS OF THE COMPREHENSIVE ZONING REGULATIONS FOR THE CITY OF RAYTOWN, MISSOURI

WHEREAS, Application PZ-2017-015, submitted by Mitch DiCarlo on behalf of Raytown Wash LLC, is requesting the vacation of a portion of 75th Street; and

WHEREAS, consent of the persons owning two-thirds (2/3) of the property immediately adjoining the right-of-way to be vacated has been obtained; and

WHEREAS, after due public notice in the manner prescribed by law, the Planning Commission held a public hearing on January 4, 2018, and rendered a report to the Board of Aldermen recommending that the vacation be approved; and

WHEREAS, after due public notice in the manner prescribed by law, the Board of Aldermen held a public hearing on January 16, 2018, which public hearing was continued to February 6, 2018 for further consideration and public comment; and

WHEREAS, the Board of Aldermen, after considering the evidence presented during such public hearings have determined it is in the best interest of the citizens of the City of Raytown to grant the vacation for said right-of-way; and

WHEREAS, the passing of this ordinance fulfills the requirement to vacate 75th Street as stated in Ordinance No.5583-17.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – VACATION. The Board of Aldermen of the City of Raytown, Missouri hereby finds and declares it necessary, reasonable and proper to discontinue as a right-of-way and forever vacate the following legally described portion of public street right-of-way:

A tract of land in the Southwest Quarter of Section 9 and the Northwest Quarter of Section 16, Township 48 North, Range 32 West of the 5th Principal Meridian in Raytown, Jackson County, Missouri being bounded and described as follows: Beginning at the Northeast Corner of Lot 1, RAYTOWN CROSSING EAST – FIRST PLAT, a subdivision in Raytown, Jackson County, Missouri; thence North 86°42'06" West, along the North line of said Lot 1 and its Westerly prolongation, 231.06 feet to a point on the East right-of-way line of Raytown Road, as now established; thence North 01°49'12" East, along said East right-of-way-line, 45.01 feet; thence South 86°42'06" East, 232.00 feet to a point on the West line of Lot 2, RAYTOWN CROSSING EAST – SECOND PLAT, a subdivision in Raytown, Jackson County, Missouri; thence South 03°01'07" West, along said West line, 45.00 feet to the Point of Beginning. Containing 10,419 square feet or 0.24 acres, more or less.

SECTION 2 – UTILITY EASEMENT. FJM Distributing Company LP, Freddy's Land LLC, Raytown Auto Developers LLC, Raytown Wash LLC, and Viacom Outdoor Inc. will dedicate a utility easement of vacated 75th Street in its entirety to retain its function as an easement for public utilities and file said utility easement with the Jackson County Recorder of Deeds.

SECTION 3 – MAINTENANCE AGREEMENT. An agreement between all adjacent properties owners will be established that maintains the private drive (formerly 75th Street) to the City of Raytown’s Public Works Department standards for City streets. Said agreement shall be recorded with the Jackson County Recorder of Deeds.

SECTION 4 – ACCESS EASEMENT. FJM Distributing Company LP, Freddy’s Land LLC, Raytown Auto Developers LLC, Raytown Wash LLC, and Viacom Outdoor Inc. will dedicate cross-access easement(s) to all adjacent properties for access to the vacated right-of-way.

SECTION 5 – PLATTING OF VACATED RIGHT-OF-WAY. The vacated right-of-way will be included in the forthcoming plat of adjacent parcels to the north of said vacated right-of-way currently owned by Raytown Wash LLC and Raytown Auto Developers LLC. Notes for Sections 2-4 will be placed on the plat, thus granting said easements and establishing said maintenance agreement.

SECTION 6 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 7 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 8 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ___ day of March, 2018.

Michael McDonough, Mayor

RE: PZ 2017-015 ROW Vacation Application

Address: 75th St. (Raytown Rd to westbound MO-350)

On January 4, 2017 the City of Raytown Planning and Zoning Commission recommended to approve (7-0) your request to vacate right-of-way on 75th Street subject to four (4) conditions:

1. The ordinance approving the vacation shall contain a clause that provides access to all adjacent properties.
2. The ordinance approving the vacation shall include a clause retaining vacated 75th Street as a utility easement for all public utilities as required per Condition #2 on City Ordinance No. 5583-17 (Conditional Use Permit for Tidal Wave Car Wash).
3. The ordinance approving the vacation shall include a clause regarding maintenance of vacated 75th Street as a private drive.
4. All of former 75th Street right-of-way shall be included in the plat as required per Condition #9 on City Ordinance No. 5583-17 (Conditional Use Permit for Tidal Wave Car Wash).

This case is scheduled to have the first reading and a public hearing conducted by the Board of Aldermen on **Tuesday, January 16, 2018 at 7:00pm** in Council Chambers at City Hall. You or your representative must be present to answer questions.

Sincerely,

A handwritten signature in blue ink that reads "Michael Swan".

5. Explanation of any exparte' communication from Commission members regarding the application

None

6. Introduction of Application by Staff

Mr. Swan re-introduced PZ 2017-013 to the board.

Ivan Chiang, with LIY Financial LLC, requested approval of the plan by the city.

Mr. Wilson asked Mr. Chiang if he has read staff recommendations and if he is in agreement with all of them.

Mr. Meyers asked if tenants that went to the informational meeting Mr. Chiang held are in the audience. There are two residents in attendance.

Mr. Meyers then asked if they would speak as recommended by Mr. Chiang on whether they had any issues with the project or are favorable.

Berda Sewell, (5841 Hunter Court) – feels that this would be in her best interest to have the additional facility built in our complex. She is in favor.

Jack Maybee (Owner) of a duplex (5817 & 5819 Kentucky) located right behind this area of development. He states that he is in favor of this development.

7. Request for Public Comment

8. Additional Staff Comments and Recommendation

Staff recommended that the request to amend the Blue Ridge Villas planned development be approved with the 13 conditions.

Ms. Hartwell questioned what if the building is full and they have to hire more people to come in and help. Where will they park since there are only 3 parking spaces for the 10 units?

Mr. Swan states that at the front of the property there are five parking spaces, of which two are wheelchair accessible and at the rear of the property there is one additional parking space created to be used for staff.

There are two insets on both the West and East side of the gazebo that can be used for parking. It has been proposed that to allow two additional insets on each the North and South sides.

The home owners association could allow that these insets be exclusive to the Turn Leaf assisted living development.

Ms. Hartwell is also concerned that relatives coming to visit may not have available parking spaces.

Ms. Stock asked if we add the insets for parking, does that take more green space away. She had family members in assisted living that did go outside and appreciated the green space.

Mr. Swan states that it does take a little away from the green space. It was discussed with the applicant and the applicant suggested that a six foot wide walking path that is ADA accessible be created and three additional benches by the drainage basin.

Ms. Stock was concerned that the visitors would most likely be walking more than the residents and she does not feel that the green space is equivalent.

Mr. Wilson asked about the configuration and footprint.

Mr. Swan stated that it was the footprint was almost the same. The configuration was divided into five sub lots A – E and instead of driveways there is a parking lot up at the front. A four foot strip of green space between driveways would go away.

Mr. Lightfoot asks how many staff they anticipate having at any given time.

Mr. Chiang stated:

Three shifts – first & second shifts will have two full time staff. Third Shift will have just one as most residents will be sleeping at the time.

Part time nurse will come in.

Part time cook will come during mealtimes. Caregivers can do some of the cooking, but might have a cook come in for the weekends.

Mr. Wilson stated that there will be other insularly needs required for delivery trucks.

Mr. Chiang stated that there will not be medical care done there. The residents would be shuttled to doctor and dentist appointments. There will be food delivery, mail delivery and possibly maintenance.

Mr. Wilson asked if the street that leads into it is a private drive and who enforces parking.

Mr. Chiang said the home owner's association board, of which he is the president of right now.

Mr. Lightfoot wants to make sure that it is clear that there will be accommodations for 10 residents and staff will be doing home health care (not outside staff coming in for health care).

Mr. Chiang says the staff will do the home health care.

Mr. Wilson also asked if a resident wanted to bring in a trainer, it would be allowed, correct?

Mr. Chiang said yes. Also, planning to have someone come in for fun activities once or twice a week for the residents.

Ms. Emerson asked if parking is full, is there area that can be utilized for more parking.

Mr. Chiang responded that we would have to tear out more green space or angle the insets to allow for more parking.

Cheryl Thompson, Project Manager – grew up in Raytown. The Blue Ridge Villas has been through two previous developers, because of that, the residents have seen property values go down. This project will increase services and help their community. We have been able to turn the lights back on and change the perspective of the area. Also, we have an incredible relationship with the residents and they know we are here to stay.

Ms. Hartwell remarked that her family in nursing home had nursing skills on site.

Ms. Thompson replied we have two staff for five residents during the day and one for the ten overnight.

Ms. Emerson stated that she feels this would be a good addition to the area.

9. Board Discussion - None

10. Close Public Hearing

11. Board Decision to Approve, Conditionally Approve or Deny the Application

- a. Motion – Mr. Meyer
- b. Second – Mrs. Stock
- c. Additional Board Discussion - None
- d. Vote – Mrs. Hartwell Abstain, motion passed

6. Set Future Meeting Date - Thursday, February 1, 2018 at 7:00 PM

7. Adjourn

Motion to adjourn passed 6-0

Re: Application for Right-of-Way Vacation
Agenda Item: 5A

STREET VACATION APPLICATION SUMMARY

Applicant: Raytown Wash LLC

Project Contact: Mitch DiCarlo

Property Location: 75th St., east of Raytown Road

Request: To vacate a portion of 75th Street from Raytown Road on the west and Lot 2, Raytown Crossing East – 1st Plat on the east.

SITE DATA

Legal Description: A tract of land in the Southwest Quarter of Section 9 and the Northwest Quarter of Section 16, Township 48 North, Range 32 West of the 5th Principal Meridian in Raytown, Jackson County, Missouri being bounded and described as follows: Beginning at the Northeast Corner of Lot 1, RAYTOWN CROSSING EAST – FIRST PLAT, a subdivision in Raytown, Jackson County, Missouri; thence North 86°42'06" West, along the North line of said Lot 1 and its Westerly prolongation, 231.06 feet to a point on the East right-of-way line of Raytown Road, as now established; thence North 01°49'12" East, along said East right-of-way-line, 45.01 feet; thence South 86°42'06" East, 232.00 feet to a point on the West line of Lot 2, RAYTOWN CROSSING EAST – SECOND PLAT, a subdivision in Raytown, Jackson County, Missouri; thence South 03°01'07" West, along said West line, 45.00 feet to the Point of Beginning. Containing 10,419 square feet or 0.24 acres, more or less.

Surrounding Zoning	Highway Commercial (HC)
Surrounding Overlay	Highway 350 Design Corridor
Surrounding Land Use	Commercial/Retail
Designated Future Land Use	Commercial
Ward(s)	Ward 2 (North) / Ward 4 (South)
Approximate Land Area	10,419 square feet
Roadway Classification	Collector

Figure 1 - Right-of-Way to be vacated with Property Lines

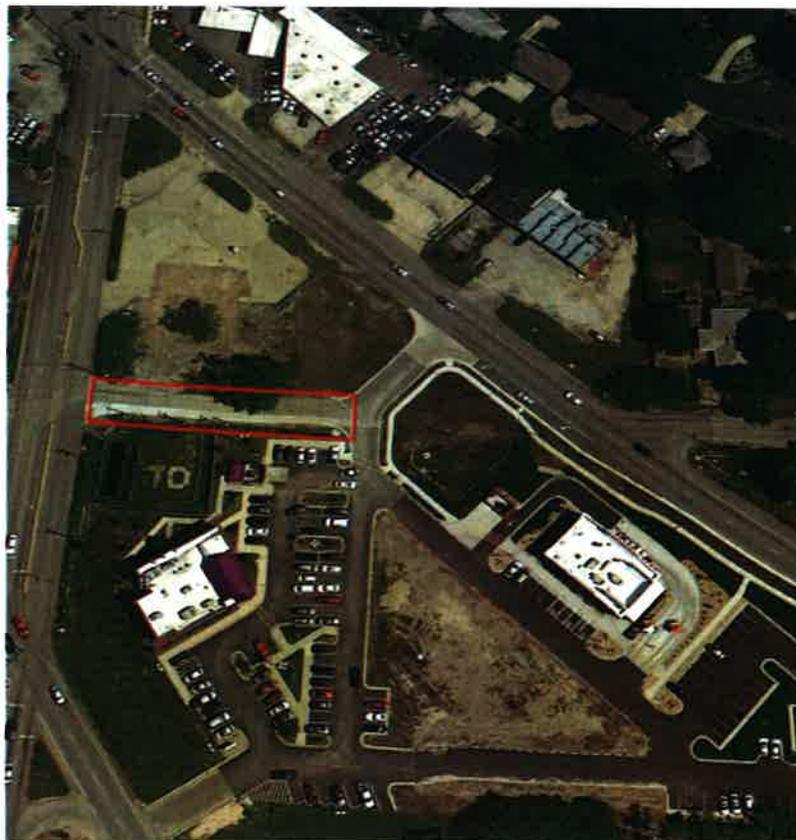

Figure 2 - Right-of-Way to be vacated with recent development

Staff Report

Community Development
Planning and Development Services

BACKGROUND

SITE DESCRIPTION AND PRESENT USE

The portion of 75th Street to be vacated is located east of Raytown Road and extends approximately 232 feet to the east. The portion of 75th Street to be vacated is used to access commercial properties to the south and to access westbound MO-350.

SURROUNDING PROPERTIES AND NEIGHBORHOOD

The right-of-way proposed to be vacated is surrounded by commercial businesses. The vacant parcel to the north is proposed to be redeveloped as an automatic carwash whose primary access point will be located on this portion of right-of-way proposed to be vacated.

HISTORY

In 2005, the City of Raytown entered into a development agreement with Raytown 350 INV Group as part of the TIF agreement. Raytown 350 INV Group is the Master Developer of this TIF district.

Throughout 2006, MODOT and the City of Raytown participated in the creation of the 350 Highway/ Blue Parkway Corridor Plan, a long-term land use and transportation plan for the redevelopment of the corridor. One of the long-term goals is to vacate 75th St. right-of-way (between both directions of traffic on Missouri Highway 350) once the surrounding properties are redeveloped.

In December 2015, the request by Block & Co. on behalf of Raytown Auto Developers, LLC. to vacate a 130-foot section of 75th Street just east of the proposed site location was approved by the Board of Aldermen. The former Raytown Dodge dealership was redeveloped and a new driveway has since been constructed to provide access to the Freddy's & IHOP. Vacating this portion of 75th Street will complete the process of making all of 75th Street (from Raytown Road to westbound MO-350) a private drive.

In October 2017, a conditional use permit (CUP) was granted to Tidal Wave Auto Spa to allow for the construction of a car wash. One of the conditions placed on the CUP is "that an application be submitted to the City to vacate East 75th Street with public notice issued and a public hearing required..."

Therefore, this application to vacate the remaining right-of-way on 75th Street was submitted by Mitch DiCarlo (Block & Co.) on behalf of Raytown Wash LLC.

PUBLIC COMMENTS

The public notice was published in *The Daily Record* on December 12, 2017. Public notice letters were sent to all adjacent property owners by the applicant with a postmark date of November 30, 2017. To date, the Community Development Department has not received any phone calls or written comment regarding this application.

Staff Report

Community Development
Planning and Development Services

ANALYSIS

PROJECT DESCRIPTION

Mitch DiCarlo (Block & Co.), on behalf of Raytown Wash LLC, is proposing to vacate right-of-way on 75th St. The vacation has been requested because the property owner is in the process of building a new automatic auto spa on the adjacent parcel located at 10001 E. MO-350. The area to be vacated is approximately 232 ft. by 45 ft.

DEVELOPMENT PLAN

The area was occupied by a former Dodge dealership until 2009. Starting in 2011, the parcels to the south began to be redeveloped as multi-phase development known as Raytown Crossing. Currently, there is an IHOP restaurant and Freddy's fast food restaurant. Both of which will be parties, as well as additional adjacent property owners, to a cross-access easement for the vacated right-of-way. The redevelopment of the parcel to the north is the catalyst for this right-of-way vacation request which is proposed to be redeveloped as an automatic car wash. This parcel and the vacated right-of-way are in the process of being platted; the access agreement will be a condition of said plat. Additionally, a maintenance agreement for the private drive will need to be established and referenced on the forthcoming plat.

VACATION

The applicant is requesting to vacate the 232 feet of public right-of-way known as 75th Street which is bounded by Raytown Road on the west side and Lot 2, Raytown Crossing East – 1st Plat. If this vacation is granted, all public right-of-way between Raytown Road and westbound MO-350 will be vacated and 75th Street will function as a private drive.

UTILITY PROVIDERS

In regards to utilities, Kansas City Power and Light (KCP&L), KC Water, Public Water Supply District #2, and Spire (formerly MGE) have all waived objections subject to retaining their utility easements and protection of existing facilities.

AT&T will waive objections subject to cables on both sides of 75th Street being relocated at the applicant's expense.

Staff believes it is in the city's best interest to retain the vacated 75th Street right-of-way as a utility easement for all public utilities. By dedicating the entire vacated right-of-way as a utility easement, the private drive will retain its function as a utility corridor for current and future public utilities. Additionally, this was a condition placed on the Conditional Use Permit that was approved by the Board of Alderman on November 7, 2017.

AFFECTED PROPERTY OWNERS

Pursuant to RSMO 71.260, written consent to vacate has been received by 2/3 of adjacent property owners. Notices for Consent to Vacate have been provided by the following adjacent property owners: FJM Distributing Company LP, Raytown Wash LLC, and Raytown Auto Developers LLC.

Staff Report

Community Development
Planning and Development Services

RECOMMENDATION

Staff recommends approval of Case No. PZ 2017-015, Request to Vacate Right of Way – 75th St., subject to the following conditions:

1. The applicant shall relocate all AT&T fiber-optic cables on both sides of 75th Street.
2. The ordinance approving the vacation shall contain a clause that provides access to all adjacent properties.
3. The ordinance approving the vacation shall include a clause retaining vacated 75th Street as a utility easement for all public utilities as required per Condition #2 on City Ordinance No. 5583-17 (Conditional Use Permit for Tidal Wave Car Wash).
4. The ordinance approving the vacation shall include a clause regarding maintenance of vacated 75th Street as a private drive.
5. All of former 75th Street right-of-way shall be included in the plat as required per Condition #9 on City Ordinance No. 5583-17 (Conditional Use Permit for Tidal Wave Car Wash).

CITY OF RAYTOWN
Request for Board Action

Date: February 1, 2018

Bill No. 6458-18

To: Mayor and Board of Aldermen

Section No.: XIII

From: Michael Swan, Planning & Zoning Coordinator

Department Head Approval: _____

Finance Director Approval: _____ (only if funding requested)

City Administrator Approval: _____

Action Requested: Perform first reading and conduct a public hearing to consider an amendment to Blue Ridge Villas, a planned development overlay district (R-3-P) and site plan for Turn Leaf Villas, a ten-unit assisted living facility.

Recommendation: The Planning & Zoning Commission voted 6-0 to recommend approval of the amendment and site plan subject to the thirteen (13) conditions stipulated in the Ordinance.

Analysis: Ivan Chiang, LIY Financial, is requesting approval of an amendment to the Blue Ridge Villas planned development and a site plan for an assisted living facility on Lot 5.

The planned development, located at 59th St. and Hunter Court, was approved in January 2006. To date, approximately eighty percent of the lots remain vacant. The applicant is requesting to make an assisted living facility an allowed use on Lot 5. The building would have almost the same building footprint as the five patio homes intended for this lot. The site plan indicates additional parking to account for the increased demand as well as several site furnishings for the common areas. The assisted living facility will adhere to the requirements of the Design Manual for Blue Ridge Villas to keep a consistent design aesthetic for the neighborhood.

Alternatives: Alternatives to the recommendation of the Planning & Zoning Commission would be to either deny the request or refer the application back to the Planning & Zoning Commission for revisions and/or further review.

Budgetary Impact: This application does not require the City to provide any funding.

Not Applicable

AN ORDINANCE GRANTING AN AMENDMENT TO A PLANNED DEVELOPMENT TO ALLOW FOR AN ASSISTED LIVING FACILITY ON LOT 5 OF BLUE RIDGE VILLAS IN ACCORDANCE WITH THE PROVISIONS OF THE COMPREHENSIVE ZONING REGULATIONS FOR THE CITY OF RAYTOWN, MISSOURI

WHEREAS, Application PZ-2017-013, submitted by Ivan Chiang, LIY Financial LLC., is requesting an amendment to a planned development, Blue Ridge Villas, to make an assisted living facility a permitted use on Lot 5, was referred to the Planning Commission for consideration; and

WHEREAS, after due public notice in the manner prescribed by law, the Planning Commission held a public hearing on January 4, 2018, and rendered a report to the Board of Aldermen recommending that the requested amendment of the Planned Development overlay district (R-3-P) approved in Ordinance 5093-06 and site plan for Turn Leaf Villas, a ten unit assisted living facility, be approved; and

WHEREAS, after due public notice in the manner prescribed by law, the Board of Aldermen held a public hearing on February 6, 2018, which public hearing was continued to February 20, 2018, for further consideration and public comment; and

WHEREAS, the Board of Aldermen, after considering the evidence presented during such public hearings have determined it is in the best interest of the citizens of the City of Raytown to approve the amendment of the Planned Development Overlay District and Site Plan;

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – AMENDMENT OF PLANNED DEVELOPMENT. That the planned development located at 59th Street and Hunter Court and legally described in “Exhibit A” attached hereto and incorporated herein by reference is hereby amended to permit an assisted living facility on Lot 5 of Blue Ridge Villas.

SECTION 2 – CONDITIONS OF APPROVAL. That the amendment to the Blue Ridge Villas Planned Development be approved subject to the following conditions which shall be applicable to the Final Site Plan for Turn Leaf Villas:

1. The Blue Ridge Villas planned development shall make a 10-unit assisted living facility a permitted use on Lot 5.
2. The applicant shall submit a final site plan for Lot 5 for staff review and approval subject to all City codes.
3. The applicant shall submit a revised landscape plan for Lot 5 for staff review and approval prior to obtaining a building permit.
4. The assisted living facility building shall be exempt from the front porch and staggered front façade requirements.
5. Six (6) off-street parking spots shall be permitted and constructed in the common area between Lot 5 and Hunter Court.
6. On-street parking on Hunter Court shall be limited to the four (4) inset areas on the central green space island as indicated on the site plan dated December 27, 2017.

- 7. The exterior building colors and materials of all buildings and accessory structures shall be as provided in the Design Manual for Blue Ridge Villas - November 17, 2005.
- 8. Lot 5 shall be permitted one (1) wall sign not to exceed sixteen (16) square feet in area. The applicant shall submit sign plans for staff review and approval subject to all applicable regulations in Article VIII of the City of Raytown Code of Ordinances.
- 9. The variety of trees to be planted shall be diversified by adding European Hornbeam; Columnar Maples of the Red maple and/or Norway maple varieties.
- 10. All development on Lot 5, except as otherwise noted in this ordinance, shall be in accordance with the Design Manual dated November 17, 2005 and the amended site plan dated December 27, 2017.
- 11. The trash dumpster shall remain in the trash enclosure and the trash enclosure doors shall remain closed at all times, except for trash collection day.
- 12. All new sidewalks, paths and parking lots shall be ADA-compliant (e.g. curb ramps).
- 13. All new parking lots shall be curbed.

SECTION 3 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 4 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 5 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____ day of March, 2018.

To: Ivan Chiang
Date: January 8, 2018
RE: PZ 2017-013 Amendment to PUD Application
Address: 5811-19 Hunter Court

On January 4, 2017 the City of Raytown Planning and Zoning Commission recommended to approve (6-0) your request to amend the Blue Ridge Villas planned development and a site plan for a 10-unit assisted living facility subject to thirteen (13) conditions:

1. The Blue Ridge Villas planned development shall make a 10-unit assisted living facility a permitted use on Lot 5.
2. The applicant shall submit a final site plan for Lot 5 for staff review and approval subject to all city codes.
3. The applicant shall submit a revised landscape plan for Lot 5 for staff review and approval prior to obtaining a building permit.
4. The assisted living facility building shall be exempt from the front porch and staggered front façade requirements.
5. Six (6) off-street parking spots shall be permitted and constructed in the common area between Lot 5 and Hunter Court.
6. On-street parking on Hunter Court shall be limited to the four (4) inset areas on the central green space island as indicated on the site plan dated December 27, 2017.
7. The exterior building colors and materials of all buildings and accessory structures shall be as provided in the Design Manual for Blue Ridge Villas - November 17, 2005.
8. Lot 5 shall be permitted one (1) wall sign not to exceed sixteen (16) square feet in area. The applicant shall submit sign plans for staff review and approval subject to all applicable regulations in Article VIII of the City of Raytown Code of Ordinances.
9. The variety of trees to be planted shall be diversified by adding European Hornbeam; Columnar Maples of the Red maple and/or Norway maple varieties.
10. All development on Lot 5, except as otherwise noted in this ordinance, shall be in accordance with the Design Manual dated November 17, 2005 and the amended site plan dated December 27, 2017.

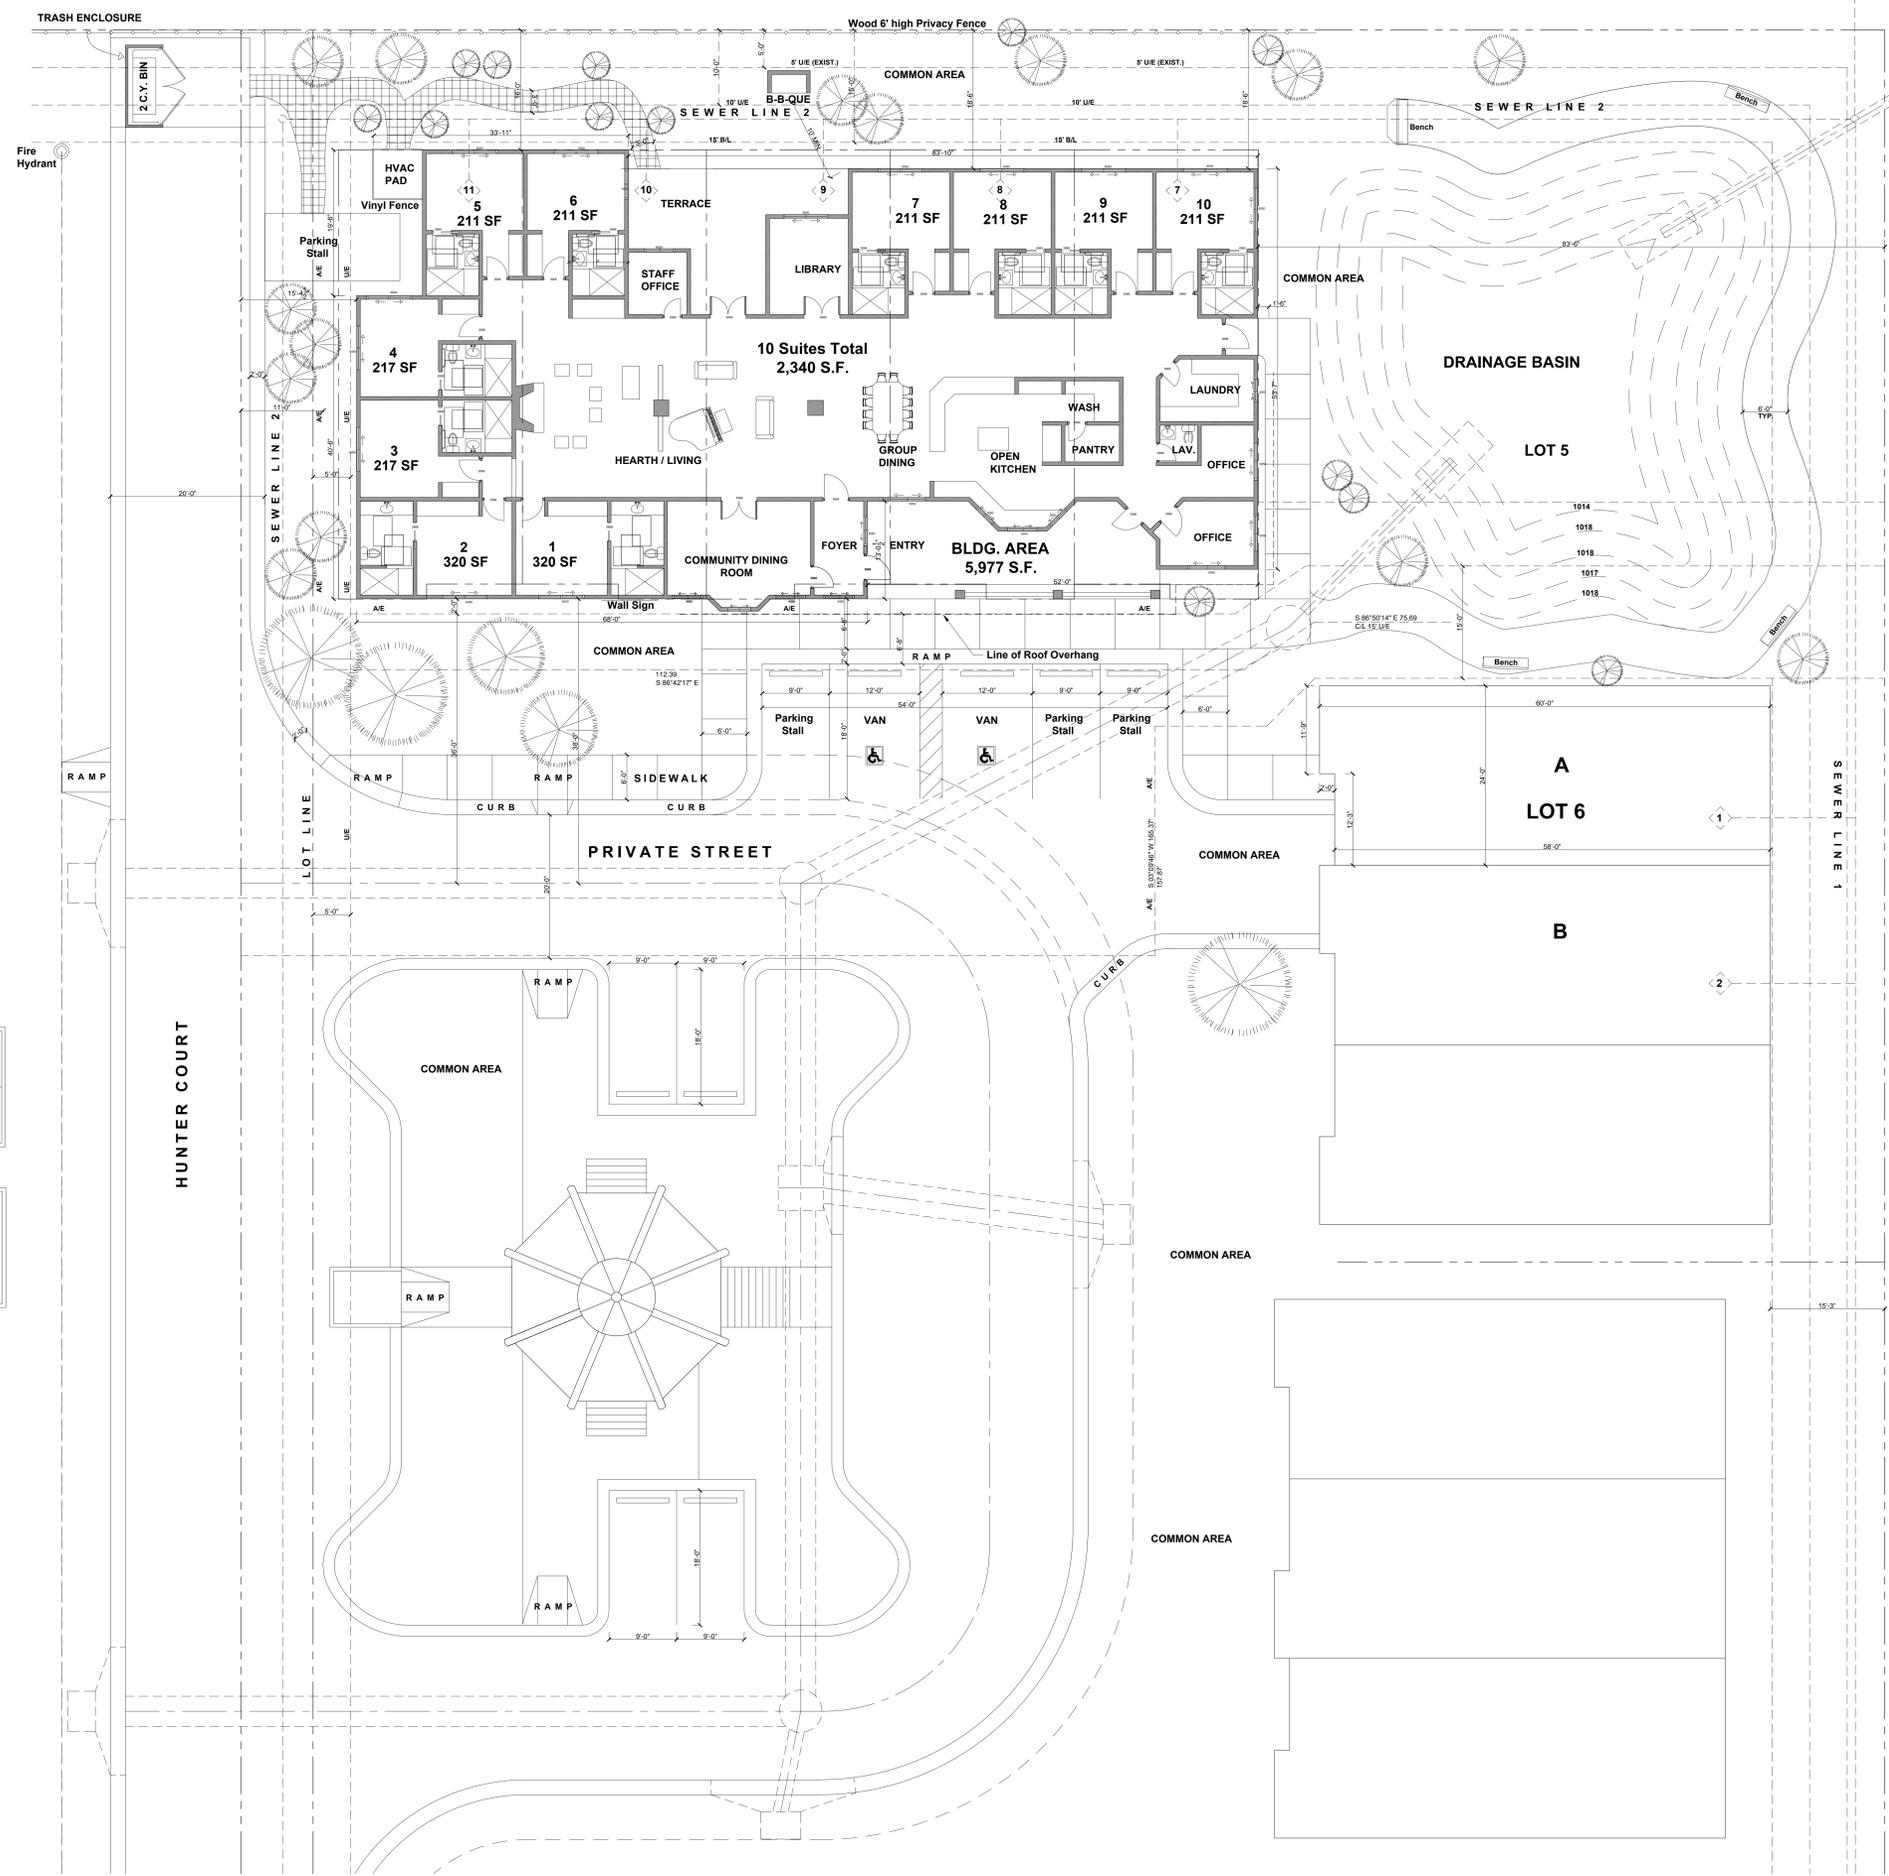

11. The trash dumpster shall remain in the trash enclosure and the trash enclosure doors shall remain closed at all times, except for trash collection day.
12. All new sidewalks, paths and parking lots shall be ADA-compliant (e.g. curb ramps).
13. All new parking lots shall be curbed.

This case is scheduled to have the first reading and a public hearing conducted by the Board of Aldermen on **Tuesday, February 6, 2018 at 7:00pm** in Council Chambers at City Hall. You or your representative must be present to answer questions.

6. Introduction of Application by Staff

Mr. Swan re-introduced PZ 2017-013 to the board.

Ivan Chiang, with LIY Financial LLC, requested approval of the plan by the city.

Mr. Wilson asked Mr. Chiang if he has read staff recommendations and if he is in agreement with all of them.

Mr. Meyers asked if tenants that went to the informational meeting Mr. Chiang held are in the audience. There are two residents in attendance.

Mr. Meyers then asked if they would speak as recommended by Mr. Chiang on whether they had any issues with the project or are favorable.

Berda Sewell, (5841 Hunter Court) – feels that this would be in her best interest to have the additional facility built in our complex. She is in favor.

Jack Maybee (Owner) of a duplex (5817 & 5819 Kentucky) located right behind this area of development. He states that he is in favor of this development.

7. Request for Public Comment

8. Additional Staff Comments and Recommendation

Staff recommended that the request to amend the Blue Ridge Villas planned development be approved with the 13 conditions.

Ms. Hartwell questioned what if the building is full and they have to hire more people to come in and help. Where will they park since there are only 3 parking spaces for the 10 units?

Mr. Swan states that at the front of the property there are five parking spaces, of which two are wheelchair accessible and at the rear of the property there is one additional parking space created to be used for staff.

There are two insets on both the West and East side of the gazebo that can be used for parking. It has been proposed that to allow two additional insets on each the North and South sides.

The home owners association could allow that these insets be exclusive to the Turn Leaf assisted living development.

Ms. Hartwell is also concerned that relatives coming to visit may not have available parking spaces.

Ms. Stock asked if we add the insets for parking, does that take more green space away. She had family members in assisted living that did go outside and appreciated the green space.

Mr. Swan states that it does take a little away from the green space. It was discussed with the applicant and the applicant suggested that a six foot wide walking path that is ADA accessible be created and three additional benches by the drainage basin.

Ms. Stock was concerned that the visitors would most likely be walking more than the residents and she does not feel that the green space is equivalent.

Mr. Wilson asked about the configuration and footprint.

Mr. Swan stated that it was the footprint was almost the same. The configuration was divided into five sub lots A – E and instead of driveways there is a parking lot up at the front. A four foot strip of green space between driveways would go away.

Mr. Lightfoot asks how many staff they anticipate having at any given time.

Mr. Chiang stated:

Three shifts – first & second shifts will have two full time staff. Third Shift will have just one as most residents will be sleeping at the time.

Part time nurse will come in.

Part time cook will come during mealtimes. Caregivers can do some of the cooking, but might have a cook come in for the weekends.

Mr. Wilson stated that there will be other insularly needs required for delivery trucks.

Mr. Chiang stated that there will not be medical care done there. The residents would be shuttled to doctor and dentist appointments. There will be food delivery, mail delivery and possibly maintenance.

Mr. Wilson asked if the street that leads into it is a private drive and who enforces parking.

Mr. Chiang said the home owner's association board, of which he is the president of right now.

Mr. Lightfoot wants to make sure that it is clear that there will be accommodations for 10 residents and staff will be doing home health care (not outside staff coming in for health care).

Mr. Chiang says the staff will do the home health care.

Mr. Wilson also asked if a resident wanted to bring in a trainer, it would be allowed, correct?

Mr. Chiang said yes. Also, planning to have someone come in for fun activities once or twice a week for the residents.

Ms. Emerson asked if parking is full, is there area that can be utilized for more parking.

Mr. Chiang responded that we would have to tear out more green space or angle the insets to allow for more parking.

Cheryl Thompson, Project Manager – grew up in Raytown. The Blue Ridge Villas has been through two previous developers, because of that, the residents have seen property values go down. This project will increase services and help their community. We have been able to turn the lights back on and change the perspective of the area. Also, we have an incredible relationship with the residents and they know we are here to stay.

Ms. Hartwell remarked that her family in nursing home had nursing skills on site.

Ms. Thompson replied we have two staff for five residents during the day and one for the ten overnight.

Ms. Emerson stated that she feels this would be a good addition to the area.

9. Board Discussion - None

10. Close Public Hearing

11. Board Decision to Approve, Conditionally Approve or Deny the Application

- a. Motion – Mr. Meyer
- b. Second – Mrs. Stock
- c. Additional Board Discussion - None
- d. Vote – Mrs. Hartwell Abstain, motion passed (6-0)

6. Set Future Meeting Date - Thursday, February 1, 2018 at 7:00 PM

7. Adjourn

Motion to adjourn passed 7-0

Staff Report

Community Development
Planning and Development Services

STAFF REPORT

To: City of Raytown Planning and Zoning Commission

FROM: Michael Swan, Planning & Zoning Coordinator

DATE: January 4, 2018

CASE NUMBER: PZ 2017-013

SUBJECT: Agenda Item No. 5.B: Application proposing to amend a planned development overlay district & a site plan for a 10-unit assisted living facility

BACKGROUND INFORMATION:

Ivan Chiang, on behalf of LIY Financial LLC., is requesting to amend a planned development overlay district, Blue Ridge Villas, located at 59th Street and Hunter Court. The planned development (R-3-P) was approved by the Board of Aldermen in January 2006. To date, 27 of the 34 lots remain vacant. Blue Ridge Villas is surrounded by residential uses (R-1 and R-2).

The applicant is requesting to amend the planned development to allow for a 10-unit assisted living facility on Lot 5, which is outlined in green in the aerial photo below.

Staff Report

Community Development
Planning and Development Services

PLANNED DEVELOPMENT AMENDMENT APPLICATION FACTORS TO BE CONSIDERED

When considering an amendment request the following criteria that should be considered in order to determine whether the application should be approved or denied:

1. CHARACTER OF THE NEIGHBORHOOD

The character of the neighborhood is residential with single family homes to the north, east and south. To the west, there are duplex houses.

2. ZONING AND CURRENT USES OF NEARBY PROPERTY

The following provides an overview of the zoning and existing land uses on properties surrounding the subject area:

	<u>ZONING</u>	<u>EXISTING LAND USES</u>
South:	R-1	Single Family Housing
North:	R-1	Single Family Housing
East:	R-1	Single Family Housing
West:	R-2	Medium-Density Housing

3. SUITABILITY OF ZONING FOR CURRENT USE

Blue Ridge Villas is a planned residential development zoned High-Density Residential (R-3). The purpose of the planned development overlay district is to provide for and encourage latitude and flexibility in the location of buildings, structures, roads, drives, variations in yards, open spaces and uses subject to approval of the plan by the board of aldermen.

The planned development has higher density housing than what is typical of Raytown neighborhoods. There are 34 lots in the 3-acre development. Lots range from 3-plex to 5-plex townhouse development. The average lot size is approximately 1,415 square feet. The majority of the area and yard requirements were either reduced or eliminated to allow for a denser community.

The planned development does provide a common area buffer along the perimeter of the community which ranges from 15-25 feet wide as well as additional common green space throughout the community.

The Blue Ridge Villas Design Manual (11/17/2005) calls for zero lot line, single-story patio homes with one-car garages. The neighborhood is modeled as a retirement community and the planned development specifies that residents of the development shall not be younger than 55 years of age.

4. DETRIMENTAL EFFECTS TO NEARBY PROPERTIES IF AMENDMENT IS APPROVED.

Amending the planned development to allow for an assisted living facility could have negative effects on surrounding lots and nearby properties. The potential effects of this higher density use include:

Staff Report

Community Development
Planning and Development Services

A. Increased Traffic

The proposed assisted living facility will produce more traffic than the planned 2 bedroom patio homes as the facility will require employees and outside vendors (e.g. medical staff, physical therapists, beauticians, deliveries etc.)

B. Parking Shortage

The increase of traffic will constitute the need for additional parking for full-time and part-time employees, outside vendors, and visitors. While staff believes that there will be sufficient parking on an average day, there is concern that from time to time, parking demands from Turn Leaf Villas might outweigh available parking.

As Section 50-539–*Supplementary Parking Requirements* of the City of Raytown Zoning Code does not have a standard for 'assisted living facilities', the Director of Community Development has determined that for this development project, there shall be 1 parking spot per 2 units as well as 1 parking spot per employee on maximum shift. Per this standard, Turn Leaf Assisted Living would be required to have eight (8) off-street parking spots. The site plan indicates six (6) parking spots on Lot 5. The applicant is also requesting to create four (4) new parking spots with two (2) insets on the north and south sides of the central green space. The site plan does dedicate two (2) of the six (6) allocated parking spots as 'Handicap Parking'.

Therefore, there would be six (6) dedicated spots for Turn Leaf Villas and eight (8) community parking spots at the central green space. The site plan indicates only six (6) dedicated parking spots; however, staff believes that the eight (8) additional central green space parking spots can be included in the reaching the required number of parking spots. The central green space island is less than 100 feet from the main entrance of the proposed Turn Leaf Villas.

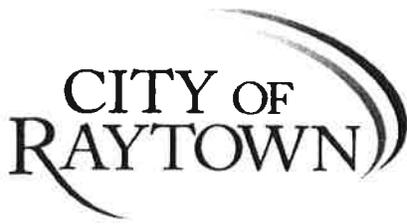

While the developer and/or HOA could propose to place signs restricting the use of the two (2) northernmost parking spots on the central green space to Turn Leaf Assisted Living affiliated vehicles only, staff is concerned about Turn Leaf's ability to enforce this rule.

C. Overcrowding

While the development is designed for zero lot line homes, staff is concerned about the overall scale of the project. The 10-unit assisted living facility will occupy the entire lot. Additionally, parking will consume some of the green common area which was intended to offset the lack of open space with these denser residential units.

D. Loss of Common Area/Green Space

The common areas in Blue Ridge Villas were designed to account for open green space provided that the residences would not have private yards. Turn Leaf Villas is proposed to have lot coverage of 84%. Due to the need for on-site parking, the common area in the front of Lot 5 is proposed to be parking, which will diminish the amount of green space. Additionally, the two (2) proposed insets will reduce the size of the central green space and require the removal of landscaping. To offset the loss of green space, the developer has agreed to constructing a walking path along the perimeter of the drainage basin as well as adding three park benches along the path.

Staff Report

Community Development
Planning and Development Services

5. LENGTH OF TIME OF VACANCY.

Lot 5 has been vacant since the property was platted in May 2006. Approximately, 80 percent of the development remains undeveloped.

6. CONSIDERATION OF PUBLIC INTEREST.

Public Health: The proposed changes to the planned development should not have any noticeable effect on public health. The applicant is proposing to build an assisted living facility on a vacant lot. Utilities have already been established in this development for existing residences. Lot 5 will have a more intensive use than originally anticipated, but sanitary sewer systems will be able to accommodate the additional load.

Public Safety: As the proposed use on Lot 5 is a denser use, there will be an increase in vehicular traffic that may cause concern to surrounding lots. Additionally, street parking is not allowed on Hunter Court as it has been identified as a fire lane.

Public Welfare: The site plan proposes a dumpster which is in close proximity to Lot 4D. This could have a negative effect towards the overall aesthetic of the planned development.

7. IMPACTS ON PUBLIC SERVICES AND UTILITIES.

Because the area surrounding the property is developed, and the proposed use is of a residential nature, all necessary utilities and public services are available and capable of serving the property.

8. CONFORMANCE WITH THE COMPREHENSIVE PLAN.

The following are aspects of the city's adopted Comprehensive Plan that relate to the amendment of the planned development application:

A. Future Land Use Map: The Future Land Use Map in the Raytown Comprehensive Plan identifies the subject property as an area for single-family residential use. The property was rezoned from R-1 to R-3-P (High-Density Residential Planned Development) in 2006.

B. Residential Development Efforts: The Comprehensive Plan further states that multifamily development efforts in Raytown should not be encouraged within single-family neighborhoods. It also states that new multifamily dwelling units should be permitted primarily along arterial streets. Blue Ridge Villas is a high-density planned residential development (R-3-P) that is surrounded by more mature R-1 and R-2 housing. In regards to the street network, the proposed assisted living facility is limited to access via a private drive, Hunter Court, (fire lane) which connects to East 59th Street (collector roadway).

Staff Report

Community Development
Planning and Development Services

C. Residential Locational Guidelines: The Comprehensive Plan also provides the following locational guidelines for residential development in Raytown.

1. *Single-family residential uses should be separated from adverse surrounding land use types, such as major industrial and commercial areas. Appropriate buffering includes open space, bodies of water, abrupt changes in topography, and a combination of landscaping and walls.*

The location of the proposed development is consistent with this guideline.

2. *Single-family residential lots should not front directly onto arterials but onto local and neighborhood streets, so as to minimize the number of access points along major streets.*

This guideline is not applicable to the proposed development.

3. *Two-family residences may serve as a transitional land use between low and high density residential uses; as a buffer between lower-density residential from commercial uses; multi-family residential areas should be located within walking distance of commercial centers, parks, schools and public transportation routes and be in proximity to employment concentrations, major thoroughfares and utility trunk lines.*

There is two-family housing (R-2) to the west of the planned development as well as a 15-25 ft. wide common area buffer along the perimeter of the development. The only community feature (from the list above) within a close proximity (400 ft.) is Sarah Colman-Livengood Park; however, it is important to note that the proposed use is an assisted living facility which will house residents with a more limited range of mobility.

4. *Two-family to multi-family residential areas should be sited where they will not overload or create congestion in existing and planned facilities and utilities.*

The location of the proposed residential development is in the rear of a three-acre development with access to E. 59th Street limited to a single 20' wide private drive. While the majority of the development is currently vacant, the intent is for each lot to be developed. Upon full development, there could be concern of the private drive being overloaded and congestion from the assisted living facility. However, it is important to note that Blue Ridge Villas is limited by city ordinance to residents 55+ years old; therefore, the traffic characteristics are not expected to mimic typical residential neighborhoods.

Additionally, the 2005 Traffic Impact Study for Blue Ridge Villas (prepared by: MKEC Engineering Consultants) concluded, "The relatively low number of afternoon peak hour vehicles entering and exiting the site should have a nominal impact on existing traffic flow on 59th St. and does not warrant the need for any additional or supplemental traffic control devices or turn lanes." While the traffic study was conducted with the notion that there would be attached single-family housing only, the assisted living facility will most likely not increase the amount of residents driving but rather the amount of daily visitors.

Staff Report

Community Development
Planning and Development Services

Therefore, the proposed development is consistent with this locational guideline as congestion and overloading is not anticipated.

STAFF RECOMMENDATION:

Staff recommends that the request to amend the Blue Ridge Villas planned development (R-3-P) be approved subject to the following conditions:

1. The Blue Ridge Villas planned development shall make a 10-unit assisted living facility a permitted use on Lot 5.
2. The applicant shall submit a final site plan for staff review and approval subject to all city codes.
3. The applicant shall submit a revised landscape plan for Lot 5 for staff review and approval prior to obtaining a building permit.
4. The assisted living facility building shall be exempt from the front porch and staggered front façade requirements.
5. Six (6) off-street parking spots shall be permitted and constructed in the common area between Lot 5 and Hunter Court.
6. On-street parking on Hunter Court shall be limited to the four (4) inset areas on the central green space island as indicated on the site plan dated December 27, 2017.
7. The exterior building colors and materials of all buildings and accessory structures shall be as provided in the Design Manual for Blue Ridge Villas - November 17, 2005.
8. Lot 5 shall be permitted one (1) wall sign not to exceed sixteen (16) square feet in area. The applicant shall submit sign plans for staff review and approval subject to all applicable regulations in Article VIII of the City of Raytown Code of Ordinances.
9. The variety of trees to be planted shall be diversified by adding European Hornbeam; Columnar Maples of the Red maple and/or Norway maple varieties.
10. All development on Lot 5, except as otherwise noted in this ordinance, shall be in accordance with the Design Manual dated November 17, 2005 and the amended site plan dated December 27, 2017.
11. The trash dumpster shall remain in the trash enclosure and the trash enclosure doors shall remain closed at all times, except for trash collection day.
12. All new sidewalks, paths and parking lots shall be ADA-compliant (e.g. curb ramps).
13. All new parking lots shall be curbed.

CITY OF RAYTOWN
Request for Board Action

Date: February 1, 2018

Bill No.: 6459-18

To: Mayor and Board of Aldermen

Section No.: V-A

From: Ray Haydaripoor, Community Development Director

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Approve an extension of an existing contract with Jackson County to perform food service inspections.

Recommendation: Approve the Ordinance.

Analysis: The City has been using the services of Jackson County to provide food service inspections for the various business/concerns located in Raytown that serve/sell food products. Given that Jackson County has the expertise and equipment to conduct such inspections, this relationship has worked out well for the City. Jackson County provides reports on all inspections and those results are incorporated into the appropriate records of the business/concern. Additionally, the inspection results can be viewed on the Jackson County web site (www.jacksongov.org/fsi). There is no cost to the City for the inspection service.

To continue the service, the City needs to approve a new contract with Jackson County. Administration of this contract will be coordinated by the Community Development Department

Alternatives: Hire a trained health inspector and have City staff conduct the inspections.

Budgetary Impact

Not Applicable

Additional Reports: Jackson County Agreement

AN ORDINANCE AUTHORIZING AND APPROVING AN AGREEMENT FOR ENVIRONMENTAL SERVICES BY AND BETWEEN JACKSON COUNTY, MISSOURI AND THE CITY OF RAYTOWN

WHEREAS, Jackson County Missouri (the "County") has provided and desires to continue to provide certain environmental and animal control services to the City of Raytown (the "City"); and

WHEREAS, the City desires the County to provide said services; and

WHEREAS, such services are in accordance with provisions of Section 192.300, of the Revised Statutes of the State of Missouri (1986) and its amendments.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – APPROVAL OF INTERGOVERNMENTAL AGREEMENT. That the agreement for environmental services, by and between Jackson County, Missouri and the City of Raytown, Missouri, attached hereto and incorporated herein, is hereby authorized and approved.

SECTION 2 – AUTHORITY TO EXECUTE. The City Administrator is hereby authorized to execute all documents necessary to this transaction and the City Clerk is authorized to attest to the same.

SECTION 3 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 4 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 5 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____ day of February, 2018.

ATTEST:

Approved as to Form:

Teresa M. Henry, City Clerk

Joe Willerth, City Attorney

AGREEMENT FOR ENVIRONMENTAL SERVICES

This Agreement made and entered into this _____ day Of _____ 2018, by and between Jackson County, Missouri hereinafter referred to as (“the county”) and the city of Raytown, Missouri hereinafter referred to as (“the city”).

WITNESSETH:

WHEREAS, the County has provided and desires to continue to provide certain environmental services; and

WHEREAS, the City desires the County to provide said services; and

WHEREAS, such services are in accordance with provisions of section 192.300, of the Revised Statutes of the State of Missouri (1986) and its amendments.

THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS BETWEEN THE PARTIES:

I. FOOD SERVICE SANITATION PROGRAM.

Service for the prevention of food borne illness will be provided by the county in accordance with Chapter 40 of the County Code entitled “Food Safety and Environmental Health,” as set forth by the Missouri Department of Health Rules Governing Food Service and Rules Governing Retail Food.

- a. The County will review applications, collect fees and issue permits to food service establishments in accordance with County policies and procedures within the City.
- b. The County will investigate food related complaints within the City.
- c. The County will notify the City of any food related violations notices, and notice of suspension or revocation of food service permits issued within the City.
- d. The City will not issue occupancy authorizations or building permits to new food establishments, expansion of establishments or establishments that have been closed due to fire or damage, until the County has submitted approval of compliance with the Code as it applies to this agreement.
- e. The City will pursue any legal action or prosecution that may be necessary under their ordinances upon notification by the County.
- f. The County will pursue prosecution as complainant for legal action initiated by the City as a result of the above.

II. ON-SITE WASTEWATER DISPOSAL PROGRAM.

Individual on-site wastewater disposal is regulated by the Development Division of the Jackson County Public Works Department in accordance with the requirements specified by Chapter 240 of the adopted Jackson County Unified Development Code. Intended services will be performed as defined by those provisions.

By agreement the County will provide:

- a. Application processing and permit issuance for wastewater disposal located within the specified boundary of the City. Completion of this service will include but is not limited to:
 1. Review of an engineering proposal.
 2. Necessary correspondence to obtain approval compliance.
 3. Issuance of corresponding permit for construction.
 4. Or written project disapprovals when applicable.
- b. Associated inspection duties to insure system installation compliance.
- c. Associated technical assistance.
- d. Corresponding enforcement of current Jackson County On-Site Sewage Disposal Rules and Regulations.
- e. The County retains all associated processing fees.

By Agreement:

- a. The City will recognize and enforce Jackson County on-site rules and regulation requirements during land development issues, for example platting and lot splits.
- b. The City will not issue a building permit until a valid on-site wastewater permit is produced by the applicant.
- c. The City will not authorize occupancy of a building until they receive verification of wastewater system installation approval.
- d. The City will pursue any legal action or prosecution necessary under their ordinances upon notification by the County.

III. AQUATIC VENUE INSPECTION PROGRAM

Service to ensure aquatic venues such as, pools, spas, wading pools, hot tubs, whirlpool baths, and aquatic play features meet safety requirements to protect the well-being of citizens will be provided by the County in accordance with Chapter 40 of the County Code entitled, "Food Safety and Environmental Health".

- a. The County will review applications, collect fees and issue permits to aquatic venues in accordance with County policies and procedures within the City.
- b. The County will investigate aquatic venue complaints within the City.
- c. The County will notify the City of any aquatic venue notice of suspension or revocation of aquatic permits issued within the City.
- d. The City will not issue occupancy authorizations or building permits to new aquatic venues, expansion of venues or venues that have been closed due to fire or damage, until the County has submitted approval of compliance with the Code as it applies to this agreement.
- e. The City will pursue any legal action or prosecution that may be necessary under their ordinances upon notification by the County.
- f. The County will pursue prosecution as complainant for legal action initiated by the City as a result of the above.

IV. EFFECTIVE DATE AND EXPIRATION:

The effective date of this agreement shall be the 1st day of the month following approval of the governing bodies of the City and County. This agreement shall continue for a period of (1) year from its effective date. Thereafter, this agreement shall automatically renew on a year-to-year basis unless either party notifies the other, in writing, not less than 90 days prior to the Agreement anniversary date, of that party’s intent not to renew. This agreement may be altered or amended during its term by the parties hereto by appropriate action of their respective governing bodies.

V. PREVIOUS AGREEMENTS:

Upon effective date of this Agreement, all previous contracts and agreements between the City and County relating to Environmental and Animal Control Services are superseded by this Agreement.

IN WITNESS WHEREOF THE PARTIES HERETO HAVE EXECUTED THIS ENVIRONMENTAL SERVICES AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

City Administrator Approval: _____

Action Requested: An Ordinance for acceptance of the updated Memorandum of Understanding (MOU).

Recommendation: Approve the Ordinance.

Analysis: The Jackson County Drug Task Force is a multi-jurisdictional enforcement group pursuant to a cooperative Memorandum of Understanding between many participating Law Enforcement entities, including Raytown. The current MOU went into effect in 1998 and the new MOU will commence on April 1, 2018 and will continue as long as the COMBAT, Community Backed Anti-Crime Tax, is in effect. The changes from the existing MOU and the updated MOU reflect the current operating procedures of the Jackson County Task Force in which Chief Jim Lynch serves on the Board of Directors.

Alternatives: Do not accept the Memorandum of Understanding.

Budgetary Impact:

Not Applicable

Additional Reports Attached: Letter to the Chief of Police Jim Lynch and the approved Jackson County Resolution 19683, Memorandum of Understanding

AN ORDINANCE AUTHORIZING AND APPROVING AN INTERLOCAL AGREEMENT AMONG THE CITY OF RAYTOWN, MISSOURI AND THE MISSOURI CITIES OF BLUE SPRINGS, BUCKNER, GRAIN VALLEY, GRANDVIEW, GREENWOOD, INDEPENDENCE, LAKE LOTAWANA, LAKE TAPAWINGO, LEE’S SUMMIT, LONE JACK, OAK GROVE AND SUGAR CREEK, MISSOURI STATE HIGHWAY PATROL AND JACKSON COUNTY, MISSOURI, INCLUDING THE JACKSON COUNTY SHERRIFF’S OFFICE AND THE JACKSON COUNTY DRUG TASK FORCE FOR LAW ENFORCEMENT SERVICES

WHEREAS, the current Agreement that the City is operating under with participating entities has been in place since 1998; and

WHEREAS, the Agreement has been updated and will take effect on April 1, 2018; and

WHEREAS, the City desires continuation of such agreement.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – APPROVAL OF INTERGOVERNMENTAL AGREEMENT. That the Agreement between the City of Raytown, Missouri and the Missouri Cities of Blue Springs, Buckner, Grain Valley, Grandview, Greenwood, Independence, Lake Lotawana, Lake Tapawingo, Lee’s Summit, Lone Jack, Oak Grove and Sugar Creek, Missouri State Highway Patrol and Jackson County, Missouri including the Jackson County Drug Task Force for law enforcement services, attached hereto and incorporated herein, is hereby authorized and approved.

SECTION 2 – AUTHORITY TO EXECUTE. The Mayor is hereby authorized to execute all documents necessary to this transaction and the City Clerk is authorized to attest to the same.

SECTION 3 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

JACKSON COUNTY DRUG TASK FORCE

P.O. Box 392

Blue Springs, Missouri 64015

Dear Chief Lynch:

As you know, the Jackson County Drug Task Force is a multi-jurisdictional enforcement group pursuant to a cooperative Memorandum of Understanding between participating entities. The MOU currently in place dates back to 1998. The task force has received feedback from the Missouri Department of Public Safety that the MOU should be updated to reflect current operating practices. This feedback has been given in response to the task force's application for the Edward Byrne Memorial Justice Assistance Grant, which represents a significant funding source for the task force.

Accordingly, an updated MOU has been prepared and has been approved by Jackson County, and is attached. The new MOU will take effect starting April 1, 2018. The new MOU reflects current operating practices, such as officer selection to the task force, duties of the Officer-in-Charge, and governance. Governance remains by a board of directors comprised of the entity's chief executive Peace Officer (or designee). Additionally, the Board of Directors has discussed obtaining liability coverage, in addition to an entity's existing coverage, and those efforts remain on-going.

I ask that you seek the requisite approval of the new MOU through your city. If you have any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bryon Price". The signature is stylized and written over a horizontal line.

Bryon Price
Oak Grove Chief of Police &
Chairman, JCDF

AGREEMENT FOR LAW ENFORCEMENT SERVICES - JACKSON COUNTY DRUG TASK FORCE

This Agreement is made and entered into by and between signatories to this Agreement of the following parties:

Cities of Blue Springs, Buckner, Grain Valley, Grandview, Greenwood, Independence, Lake Lotawana, Lake Tapawingo, Lee's Summit, Lone Jack, Oak Grove, Raytown, and Sugar Creek, all of the State of Missouri; Missouri State Highway Patrol; and Jackson County, Missouri, including the Jackson County Sheriff's Office.

RECITALS

WHEREAS, the voters of Jackson County, Missouri, approved a County-wide sales tax known as the Community Backed Anti-Crime Tax ("COMBAT"), at the rate of one-quarter of one percent, to be used solely for the purpose of the arrest and prosecution, incarceration, treatment and prevention of drug related offenses and violent crimes; and the judicial processing of adult and juvenile violators of such offenses; and

WHEREAS, Chapter 93, Jackson County Code, provides that each year not less than 50% of the proceeds of the COMBAT tax shall be appropriated for the arrest, prosecution, and incarceration of those accused of drug related offenses and/or violent crimes; and

WHEREAS, pursuant to the most recent non-binding resolution of intent regarding COMBAT allocations adopted by the Jackson County Legislature, the Jackson County Drug Task Force is recommended to receive, on an annual basis, a share equal to up to 9.5% of projected COMBAT revenues; and

WHEREAS, Jackson County has contracted with political subdivisions located within Jackson County to carry out the goals and objectives of the COMBAT tax; and

WHEREAS, participation in the Drug Task Force by the parties is authorized by Section 70.220, RSMo, and Sections and 650.150 *et. seq.*, RSMo; and

WHEREAS, the parties to this Agreement have supported, and desire to continue to support, the JCETF by providing to it necessary law enforcement resources; and

WHEREAS, it is the mutual desire and intent of the parties that the JCETF retain its autonomy as a distinct law enforcement agency, made up of personnel and resources of the parties.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein, and in furtherance of the recitals set forth above, the respective parties do hereby agree as follows:

- 1. **Continuation.** The previously established multijurisdictional enforcement group — formed under Missouri's Intergovernmental Drug Laws Enforcement Act, and known as the Jackson County Drug Task Force — continues under this Agreement.

FILED
 JAN 10 2018
 MARY JO SPINO
 COUNTY CLERK

2. **Term.** This Agreement will commence on April 1, 2018 and continue for so long as the COMBAT tax is in effect, provided however, that any party may withdraw from this Agreement upon providing ninety (90) days' notice to all other parties, except as otherwise provided in Section 4. Withdrawal of any party will not affect the Agreement with respect to the remaining parties.
3. **Duties of JCDTF.** The primary duties of JCDTF consist of the following:
 - A. To conduct covert and overt investigations on individuals and organizations engaged in illegal drug related activities and violent crimes.
 - B. To establish liaison with local, state, and federal prosecutors to encourage vigorous prosecution of JCDTF investigations.
 - C. To establish liaison with local, state, and federal law enforcement agencies to better coordinate drug and violent crime investigations and related intelligence.
 - D. To disseminate information to and educate the public about drug crimes.
4. **Governance.**
 - A. Governance of the JCDTF shall be by a Board of Directors. Board membership is limited to the Chief Executive Peace Officers, or their designees, of the parties. The Board shall elect a Chair, Vice-Chair, and Secretary to serve for a term of one-year.
 - B. The Board shall meet on a regular basis to provide management guidance of the JCDTF.
 - C. Day-to-day management of the operations of the JCDTF shall be by the Officer-in-Charge, who shall report to the Board.
 - D. The Board shall have authority to adopt bylaws and to take all appropriate measures and actions to accomplish the duties of the JCDTF.
 - E. The fiscal year of the JCDTF shall be from January 1 to December 31.
 - F. If a signatory to this Agreement, other than Jackson County, Missouri, fails to attend at least one (1) Board meeting in any calendar year, then that signatory will automatically be withdrawn from the JCDTF as of January 1 of the calendar year immediately following the calendar year in which the signatory did not attend a Board meeting. Reentry by the signatory previously withdrawn requires approval of the Board and re-adoption of this Agreement by the signatory's governing body.
5. **Operational Considerations.** The parties agree that the following operational considerations shall prevail throughout the duration of this Agreement:

A. *Officer in charge.*

- i. Will have full tactical control of day-to-day operations in accordance with guidelines as established by the Board. He/she shall be selected by and report to the Board.
- ii. Will be responsible for narcotics related training of JCDTF members and will devise and implement appropriate training for the members.
- iii. Will be responsible for the approval of all officer expense (travel, meals, etc.) and monies expended by JCDTF members. He/she shall receive and document all such expenditures in accordance with the policies and procedures established by the Board, State and local laws.
- iv. Will be responsible for overtime/compensation time approval, timekeeping responsibilities and submission of member's time tabulations to their respective agencies in accordance with that agencies guidelines for appointment of an employee/personnel to JCDTF.
- v. Will be responsible for providing information to the Board related to JCDTF expenditures and activities on a regular basis.
- vi. Will have authority to discontinue an officer's assignment to the JCDTF for unsatisfactory performance.

B. *JCDTF officers.*

- i. Will be selected by the OIC with coordination and consent of the respective agency, after interviews, background investigations (when appropriate), and recommendations by the applicant's employing agency, provided that the Board shall resolve any disputes regarding the filling of vacancies or assignment of officers. The Board reserves the right to refuse an officer's potential appointment to JCDTF.
- ii. Will be full-time POST certified Peace Officers. They shall be solely directed and supervised by the OIC with respect to their JCDTF duties.
- iii. Will maintain compliance with the respective agency's policies and procedures as well as the policies and procedures of the JCDTF.
- iv. Will request annual leave to the OIC, who shall, when necessary, coordinate the request with their respective agency.

6. Liabilities and Insurance.

- A. Each party shall maintain workmen's compensation coverage for any employees loaned, assigned or appointed to JCDF operations. Each party will be responsible for insuring its own property. No party will be responsible for accidents caused by someone who is not its employee.
- B. The parties understand and accept that employees/personnel appointed to JCDF remain employees/personnel of their respective departments and that those departments agree to supply necessary equipment items, and to compensate their officer(s) for personal services rendered in support of task force operations in accordance with State and Federal law applicable to the situation and subject to the availability of appropriated funds. This compensation shall include, but is not limited to, cost of wages, overtime/compensation time, liability insurance, workmen's compensation, injury, death, and retirement benefits if any.

7. Financial Matters. Jackson County will be responsible for financial matters related to the JCDF. The JCDF budget shall be submitted to the Jackson County Executive for consideration and approval by the Jackson County Legislature in accordance with Jackson County regular budget approval process. JCDF expenditures will be processed for payment through Jackson County and its Finance Department. Grant funding must be approved and accepted by Jackson County.

8. General Provisions.

- A. **Periodic Review.** The Board shall periodically review this Agreement, not less than once every five years, to determine whether amendments are necessary or advisable.
- B. **No 3rd Party Benefit.** The provisions of this Agreement shall not be deemed to create any third-party benefit hereunder for any member of the public or to authorize any one, not a party hereto, to maintain suit pursuant to the terms of this Agreement.
- C. **No Waiver of Sovereign Immunity.** All parties agree that nothing herein shall be construed as a waiver of any party's sovereign immunity as provided for Section 537.600 *et. seq.*, RSMo.
- D. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which together shall be deemed to be one and the same instrument.
- E. **Supersedes Prior Agreement.** This Agreement supersedes all prior agreements between the parties concerning the JCDF.

- F. **Authority to Sign.** Each party represents that the individual signing this Agreement on its behalf has the authority to do so.
- G. **Modifications.** Any modification of this Agreement requires written approval by all parties.

CITY OF RAYTOWN
Request for Board Action

Date: February 15, 2018

Bill No.: 6461-18

To: Mayor and Board of Aldermen

Section No.: XXXVI

From: Missy Wilson, Economic Development Administrator

Department Head Approval: _____

City Administrator Approval: _____

Action Requested: Approve the Second Amendment to the Second Amended and Restated Redevelopment Agreement between the City of Raytown and Raytown 350 INV Group LLC to eliminate the requirement to construct specific public improvements by modifying the terms to allow the Developer to, in lieu of construction, pay an amount certain to the City of Raytown's Public Works Department to cause the construction of public improvements in accordance with current Missouri Department of Transportation and City of Raytown Public Work's designs.

Analysis: On December 7, 2010, the Board of Alderman executed the First Amendment to the Second Amended and Restated Tax Increment Financing Redevelopment Agreement. Project 2 Deferred Improvements within Section b (2) (A) and (B) of this agreement required the Developer, Raytown 350 INV Group (Block and Company), to construct a series of public improvements along Raytown Road and eastbound Highway 350 per Missouri Department of Transportation and City of Raytown's design standards.

Since the execution of the First Amendment to the Second Amended and Restated Tax Increment Financing Redevelopment Agreement, Missouri Department of Transportation and the City of Raytown have determined the public improvements identified in Section b (2) (B) of the Agreement are no longer required to be constructed along eastbound Highway 350. The Second Amendment to the Second Amended and Restated eliminates the requirement of the Developer to construct a "proposed future entrance", "future curb", and the "future shared access" along eastbound Highway 350.

Missouri Department of Transportation and the City of Raytown are still requiring to be constructed a "Proposed 10' Wide Bike & Pedestrian Path" along eastbound Highway 350 and a "5' sidewalk" along Raytown Road in front of IHOP. The Second Amendment provides for the Developer to, in lieu of construction, pay the City of Raytown's Public Works Department to cause the construction of a "Proposed 10' Wide Bike & Pedestrian Path" along eastbound Highway 350 and a "5' sidewalk" along Raytown Road in front of IHOP.

City Staff and legal counsel have aggressively negotiated with the developer on the terms of the proposed amended and restated development agreement.

Alternatives: Rejecting the proposed amendment.

Fiscal Impact: The proposed changes to the Agreement would provide Public Works matching funds for public improvements along Raytown Road and Highway 350.

Additional Reports Attached: The proposed amendment has been attached for your review along with a map of the area.

AN ORDINANCE APPROVING THE SECOND AMENDMENT TO THE SECOND AMENDED AND RESTATED TAX INCREMENT FINANCING REDEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF RAYTOWN, MISSOURI AND RAYTOWN 350 INV GROUP LLC AND AUTHORIZING THE CITY ADMINISTRATOR TO EXECUTE THE AGREEMENT

WHEREAS, Ordinance No. 5020-05, approving the Raytown Live Tax Increment Financing Plan (the "Redevelopment Plan"), establishing a redevelopment area, making necessary statutory findings, designating Raytown 350 INV Group LLC as the Developer (the "Developer"), and approving a tax increment financing redevelopment agreement was approved by the City of Raytown, Missouri (the "City"), on March 15, 2005; and

WHEREAS, Ordinance No. 5120-06 approved the First Amended and Restated Tax Increment Financing Redevelopment Agreement (the "Agreement"), by and between the City of Raytown, Missouri and Raytown 350 INV Group LLC; and

WHEREAS, Ordinance 5212-07 approved the Second Amended and Restated Tax Increment Financing Redevelopment Agreement (the "Agreement"), by and between the City of Raytown, Missouri and Raytown 350 INV Group LLC; and

WHEREAS, the City and Developer entered into the Agreement dated May 23, 2007, to implement the Redevelopment Plan; and

WHEREAS, on December 7, 2010, the City and Developer entered into an agreement to amend the Agreement to accommodate redevelopment of Phase 1 of Redevelopment Project Area 2 and the construction of certain Public Improvements in accordance with the Redevelopment Plan;

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – AUTHORITY TO ENTER INTO SECOND AMENDMENT TO THE SECOND AMENDED AND RESTATED TAX INCREMENT FINANCING REDEVELOPMENT AGREEMENT. That the City is hereby authorized to enter into the Second Amendment to the Second Amended and Restated Tax Increment Financing Redevelopment Agreement between the City of Raytown, Missouri and Raytown 350 INV Group LLC in substantially the form set forth in Exhibit "A" attached hereto. The City Administrator is hereby authorized and directed to execute the Second Amended and Restated Tax Increment Financing Redevelopment Agreement and all documents necessary to its effectuation and the City Clerk is authorized to attest thereto.

SECTION 2 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 3 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED** and **APPROVED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this 20th day of February, 2018.

Michael McDonough, Mayor

ATTEST:

Approved as to Form

Teresa M. Henry, City Clerk

Joe Willerth, City Attorney

**SECOND AMENDMENT TO SECOND AMENDED AND RESTATED TAX
INCREMENT FINANCING REDEVELOPMENT AGREEMENT**

THIS SECOND AMENDMENT TO THE SECOND AMENDED AND RESTATED TAX INCREMENT FINANCING REDEVELOPMENT AGREEMENT (this “Second Amendment”) is entered into this ___ day of _____, 201_, by and between THE CITY OF RAYTOWN, MISSOURI, a Missouri municipal corporation (“City”) and RAYTOWN 350 INV GROUP, LLC, a Missouri limited liability company (“Developer”). All capitalized terms used shall have the meaning as defined in the Second Amended and Restated Tax Increment Financing Agreement between the City and Developer for the Raytown Live Tax Increment Financing Plan (the “Agreement”), unless otherwise specifically defined herein.

RECITALS

WHEREAS, the City and Developer entered in the Agreement dated May 23, 2007, to implement the Raytown Live Tax Increment Financing Plan, as amended (“Redevelopment Plan”); and

WHEREAS, the City and Missouri Department of Transportation have determined that certain Public Improvements set forth in the Agreement, as amended, are no longer necessary; and

WHEREAS, the City and Developer desire to amend the Agreement to ensure the continued development of Redevelopment Project Area 2 and the construction of certain other Public Improvements in accordance with the Redevelopment Plan and the Agreement.

NOW, THEREFORE, in consideration of the foregoing and the agreements and covenants herein set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and Developer hereby agree to the following:

1. Section 9(b)(2) of the Agreement shall be deleted in its entirety and the following Section 9(b)(2) is substituted in lieu thereof:

(2) Project 2 Deferred Improvement. Developer shall be obligated to make the “Deferred Improvement Payment”, as defined below, to cause the construction of the Project 2 Deferred Improvement, set forth below, prior to the issuance of a final certificate of occupancy for any future Redevelopment Project 2 improvements. The following improvement is the “Project 2 Deferred Improvement”:

(A) Construction of the “Proposed 10’ Wide Bike & Pedestrian Path (Phase 1)” along Eastbound 350 Highway and the 5’ sidewalk along Raytown Road in front of the restaurant in Phase 1 of Redevelopment Project 2, and as shown on Exhibit D-2.

(B) Developer shall, in lieu of constructing the Project 2 Deferred Improvement set forth above, pay to City forty-four thousand dollars (\$44,000) (“Deferred Improvement Payment”), said Deferred Improvement Payment shall be an eligible Reimbursable Project Cost subject to any limitations or restrictions contained in either this Agreement or the Redevelopment Plan as amended. The parties agree that the Deferred Improvement Payment

represents the cost of the City to construct the Project 2 Deferred Improvement. The Deferred Improvement Payment shall be considered by City as Developer complying with its duties and obligations contained in Section 9(b)(2). Upon execution of the Second Amendment by the parties, the City shall invoice the Developer for the Deferred Improvement Payment. The Developer shall make the Deferred Improvement payment no less than fifteen business days from the Developer's receipt of the City's invoice.

2. The Agreement, as amended by this Second Amendment, is hereby ratified, confirmed and approved in its entirety.

IN WITNESS WHEREOF, the parties have executed this Second Amendment as of the day and year stated on Page 1.

CITY OF RAYTOWN
Request for Board Action

Date: February 15, 2018

Bill No. 6462-18

To: Mayor and Board of Aldermen

Section No.: XIII

From: Michael Swan, Planning & Zoning Coordinator

Department Head Approval: _____

Finance Director Approval: _____ (only if funding requested)

City Administrator Approval: _____

Action Requested: Consideration of a final plat for Lourdes Subdivision.

Recommendation: The Planning & Zoning Commission voted (6-0) to recommend approval of the final plat.

Analysis: Sam DePriest, Continental Consulting Engineers Inc., is requesting approval of a final plat for the Lourdes Subdivision. Mr. DePriest is working on behalf of the Our Lady of Lourdes Catholic Church and the Raytown C-2 School District to plat the church's property. As the old parochial school is now being used by the Raytown C-2 School District, both parties would like to redraw property lines to place the school on a separate lot. Additionally, Our Lady of Lourdes Church decided to separate the remaining buildings into separate lots that aligned with their individual uses.

The proposed subdivision has four lots. The church, sisters' home, rectory and public pre-school will all be on separate lots. Utility services are already established, and no public improvements will be necessary. Utility easements will be dedicated with this final plat. The public school and the church will share existing drives and will have joint ingress and egress for vehicular and pedestrian access over all of the existing parking lots and walkways.

Alternatives: Alternatives to the recommendation of the Planning & Zoning Commission would be to either deny the request or refer the plat back to the Planning & Zoning Commission for revisions and/or further review.

Budgetary Impact: This application does not require the city to provide any funding.

Not Applicable

AN ORDINANCE APPROVING THE FINAL PLAT OF LOURDES SUBDIVISION, A SUBDIVISION OF THE CITY OF RAYTOWN, JACKSON COUNTY, MISSOURI

WHEREAS, Application PZ-2018-02, submitted by Samuel J. DePriest, Continental Consulting Engineers, Inc., requesting approval of the Final Plat of Lourdes Subdivision, a subdivision of the City of Raytown, Jackson County, Missouri, was referred to the Planning Commission; and

WHEREAS, the Planning Commission considered the application on February 1, 2018, and by a vote of 6 in favor and 0 against rendered a report to the Board of Aldermen recommending that the final plat be approved; and

WHEREAS, the Board of Aldermen considered the application on February 20, 2018 and on March 6, 2018 and finds and declares that the provisions hereinafter contained and enacted are in pursuance of and for the purpose of securing and promoting the public safety, health, and general welfare of persons in the City of Raytown in their use of public right-of-ways and rendered a decision to approve the final plat.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – APPROVAL OF PLAT. That the Final Plat of Lourdes Subdivision, a subdivision in the City of Raytown, Jackson County, Missouri, a true and correct copy of which is attached hereto and incorporated herein, is hereby approved, replatting the following described property:

All that part of Lots 12, 11, 10 and all that part of 9 of RUSSELL ADDITION, a subdivision, and all that part of the Northwest Quarter of Section 8, Township 48 North, Range 32 West, in the City of Raytown, Jackson County, Missouri, being more particularly described as follows: beginning at the southeast corner of Lot 12, RUSSELL ADDITION, thence North 86 degrees 29 minutes 56 seconds West, with the south line of said Lot 12 and its westerly prolongation, and the north right-of-way line of E. Gregory Boulevard, a distance of 481.53 feet to a point on the east right-of-way line of Blue Ridge Boulevard; thence with the east right-of-way line of Blue Ridge Boulevard on a curve to the right having a radius of 1860.10 feet, a central angle of 14 degrees 36 minutes 46 seconds, with an initial tangent bearing of North 12 degrees 23 minutes 44 seconds West, an arc distance of 474.41 feet; thence North 02 degrees 13 minutes 03 seconds East, continuing with the east right-of-way line of Blue Ridge Boulevard, a distance of 48.78 feet; thence South 86 degrees 29 minutes 56 seconds East, and no longer with the east right-of-way line of Blue Ridge Boulevard, a distance of 416.99 feet to a point on the west line of Lot 9, RUSSELL ADDITION; thence South 02 degrees 13 minutes 03 seconds West, with the west line of said Lot 9, a distance of 110.00 feet; thence South 86 degrees 29 minutes 56 seconds East, with the north line of the South 44.6 feet of said Lot 9, a distance of 125.03 feet to a point on the east line of said Lot 9 and the west right-of-way line of Kentucky Avenue; thence South 02 degrees 13 minutes 03 seconds West, with the east line of Lots 9, 10, 11, and 12 of RUSSELL ADDITION and the west right-of-way line of Kentucky Avenue, a distance of 460.60 feet to the point of beginning. The above described tract contains 256,759 square feet, or 5.89 acres.

SECTION 2 – DEDICATION OF RIGHT-OF-WAY. That the dedication to the City of Raytown for street right-of-way as shown on the plat, not heretofore dedicated to the public is hereby accepted for the purpose as therein set out.

SECTION 3 – DEDICATION OF UTILITY EASEMENT. That the dedication to the City of Raytown of an easement or license to locate, construct and maintain or to authorize the location, construction, and maintenance and use of conduits for all or any purpose including but not limited to water, gas, sewer mains, poles and wires or all or any of them, over under and along the strips of land marked “UTILITY EASEMENT” or “U/E” is hereby accepted for the purposes as therein set out.

SECTION 4 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 5 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 6 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____ day of March, 2018.

PROPERTY DESCRIPTION
 All that part of Lots 12, 11, 10, and all that part of 9 of RUSSELL ADDITION, a subdivision, and all that part of the Northwest Quarter of Section 8, Township 48 North, Range 32 West, in the City of Raytown, Jackson County, Missouri, being more particularly described as follows: beginning at the southeast corner of Lot 12, RUSSELL ADDITION, thence North 86 degrees 29 minutes 56 seconds West, with the south line of said Lot 12 and its westerly prolongation, and the north right-of-way line of E. Gregory Boulevard, a distance of 481.53 feet to a point on the east right-of-way line of Blue Ridge Boulevard; thence with the east right-of-way line of Blue Ridge Boulevard on a curve to the right having a radius of 1860.10 feet, a central angle of 1.4 degrees 56 minutes 46 seconds, with an initial tangent bearing of North 12 degrees 23 minutes 44 seconds West, an arc distance of 474.41 feet; thence North 02 degrees 13 minutes 03 seconds East, continuing with the east right-of-way line of Blue Ridge Boulevard, a distance of 48.76 feet; thence South 86 degrees 29 minutes 56 seconds East, and no longer with the east right-of-way line of Blue Ridge Boulevard, a distance of 416.99 feet to a point on the west line of Lot 9, RUSSELL ADDITION; thence South 02 degrees 13 minutes 03 seconds West, with the west line of said Lot 9, a distance of 110.00 feet; thence South 86 degrees 29 minutes 56 seconds East, with the north line of the South 44.8 feet of said Lot 9, a distance of 123.03 feet to a point on the east line of said Lot 9 and the west right-of-way of Kentucky Avenue; thence South 02 degrees 13 minutes 03 seconds West, with the east line of Lots 9, 10, 11, and 12 of RUSSELL ADDITION and the west right-of-way line of Kentucky Avenue, a distance of 406.60 feet to the point of beginning. The above described tract contains 256,759 square feet, or 5.89 acres.

PLAT DEDICATION
 The undersigned proprietors of the above described tract of land has caused the same to be subdivided in the manner shown on the accompanying plat, which subdivision shall be hereafter known as "LOURDES SUBDIVISION".

EASEMENT DEDICATION
 An easement is hereby granted to the City of Raytown, Missouri, and its franchised utilities, for the purpose of locating, constructing, operating, and maintaining facilities for water, gas, electricity, sewage, telephone, cable tv, and surface drainage, including, but not limited to, underground pipes and conduits, pad mounted transformers, service pedestals, any or all of them upon, over, under, and along the strips of land designated utility easements (U/E) and drainage easement (D/E), provided that the easement granted herein is subject to any and all existing easements. Where other easements are designated for a particular purpose, the use thereof shall be limited to that purpose only. All of the above easements shall be kept free from any and all obstructions which would interfere with the construction or reconstruction and proper, safe, and continuous maintenance of the aforesaid uses and specifically there shall not be built thereon or thereover any structure (except driveways, paved areas, grass, shrubs, and fences) nor shall there be any obstruction to interfere with the agents and employees of Raytown, Missouri, and its franchised utilities from going upon said easement and as much of the adjoining lands as may be reasonably necessary in exercising the rights granted by the easement. No excavation or fill shall be made or operation of any kind or nature shall be performed which will reduce or increase the earth coverage over the utilities above stated or the appurtenances thereto without the written approval of the Director of Public Works, as to utility easements and of the Director of Jackson County Public Water Supply District No. 2 as to water main easements.

STREET DEDICATION
 Streets shown hereon and not heretofore dedicated for public use as street right-of-way are hereby dedicated.

BUILDING LINES
 Building lines or setbacks lines are hereby established, as shown on the accompanying plat, and no building or portion thereof shall be built between this line and the lot line nearest thereto.

RIGHT OF ENTRANCE
 The right of entrance and egress in travel along any street or drive within the boundaries of the property is hereby granted to the City of Raytown, Missouri, for the purpose of fire and police protection, maintenance of water mains, sanitary and storm sewer lines, collection of garbage and refuse and to the United States Postal Service for the delivery of mail; provided, however, such right of ingress and egress does not include any obligation to contribute for any damage to any private street or drive by virtue of the exercise of the rights stated herein and specifically, neither the City of Raytown, Missouri, nor the U.S. Postal Service shall incur any liability by virtue of the exercise of such rights.

FLOODPLAIN
 The subject property is determined to be outside the 0.2% annual chance flood plain according to: Map item number: 290950C401G Effective date: 01/20/2017

CONTROLLED ACCESS
 Lot 1 shall have no vehicular access to E. Gregory Blvd from the intersection of E. Gregory Blvd and Blue Ridge Blvd for 140 feet, and there shall be no vehicular access to Blue Ridge Blvd from the intersection of E. Gregory Blvd and Blue Ridge Blvd for 170 feet.

COVENANT FOR INGRESS EASEMENT
 The undersigned owners, owners/grantors, hereby grant to Lots 1, 2, 3, and 4, grantee(s), their successors and assigns forever the non-exclusive right, privilege, and easement for their tenants, customers, suppliers, and employees associated with the grantee(s) business operations vehicular and pedestrian ingress and egress, at their own risk, over and through the parcels of land shown above as ingress/egress easements.

The grantee(s) shall be responsible for construction, maintaining, repairing or improving any necessary access facilities including but not limited to driveways, curbs, retaining walls, drainage systems, and landscaping required to access grantors parking lot in above described ingress/egress easement.

Grantors hereby expressly reserves to itself, its successors and assigns, the right, at their own risk, to use the easement property for its own purposes and for access to its own property.

The Grantees shall indemnify and hold harmless grantors from any damages or liability to persons or property that might arise from the use of the easement property by grantee, its customers, suppliers, employees, and tenants or anyone else using the easement property for ingress and egress to and from the grantees property.

4. Old Business

5. New Business

A. Case No.: PZ-2018-01/02 (Preliminary and Final Plat for Lourdes Subdivision)
Applicant: Sam DePriest, Continental Consulting Engineers, Inc.

1. Introduction of Application by Chair
Mr. Wilson introduced PZ-2018-01/02
2. Explanation of any exparte' communication from Commission members regarding the application
None
3. Enter Additional Relevant City Exhibits into the Record:
 - a. Staff report
 - b. Preliminary Plat
 - c. Final Plat
 - d. Plat Applications
 - e. Plat Checklists
 - f. Staff Review Letter & Applicant Responses
 - g. City of Raytown Zoning Regulations, as amended

- h. City of Raytown Subdivision Regulations, as amended
- i. City of Raytown Comprehensive Plan

4. Introduction of Application by Staff

Mr. Swan re-introduced PZ 2018-01/02 to the board.

Applicant has been asked to help with platting this property. It's the Our Lady Of Lords Catholic Church. The Parochial school is no longer used by the Raytown public school district. Need to clean up property lines and get the school on a separate lot.

Lot 3 is the nun's house, the church would remain on lot 2, the rectory on lot 1 and lot 4 would be the public pre-school.

Applicant is here tonight to answer any questions.

Mr. DePriest (applicant) has no comments at this time.

No questions for the applicant

No questions from commissioners to staff.

5. Presentation of Application by Applicant.

Mr. DePriest was hired by Raytown School District to survey existing school building as they want to purchase the building. Then looked at the Jackson County GIS, the tax rolls and how the land was divided up. In talking with the City of Raytown Community Development Department, they decided to re-plat the existing parcels and plat the unplatted ground as one subdivision to assist in making it cleaner for taxing purposes, ownership purposes and to assist in the sales of the ground of the school building to the school district.

Meeting with the Catholic Church and City staff, we were able to divide the land up into four lots.

Wilson - With one vote we will approve the Preliminary and Final Plat?

Swan: Yes.

Emerson: The school district and Our Lady of the Lords agree on this completely?

Swan: Yes, we had the owner's consent when the application was filed and they are in agreement.

Bettis: The nun lot, what is happening with that? Is it being leveled?

DePriest: No. The existing building will stay as is. The nuns are still going to live there.

Robinson: Can we anticipate any presentation from the school district about what they intend to do with these lots?

DePriest: The church will sell Lot 4 to the school district. I don't know the intentions of the school district with the school property.

6. Additional Staff Comments and Recommendation - None

7. Board Discussion - None

8. Board Decision to Approve, Conditionally Approve or Deny the Application

- a. Motion – Emerson Approved
- b. Second – Bettis Second

- c. Additional Board Discussion - None
- d. Vote – **Approved (6-0)**

Next steps for this application: Go before the Board of Alderman for a first reading on Tuesday, February 20th and a second reading on Tuesday, March 6th.

- 6. Set Future Meeting Date - Thursday, March 1, 2018 at 7:00 PM**
- 7. Adjourn**

PZ 2018-01/02

To: City of Raytown Planning and Zoning Commission
From: Michael Swan, Planning and Zoning Coordinator
Date: February 1, 2018
Re: Application for Preliminary & Final Plat
Agenda Item: 5A

PLAT APPLICATION SUMMARY

Applicant: Continental Consulting Engineers, Inc.
Project Contact: Sam DePriest, PLS
Property Location: Blue Ridge Blvd. & Gregory Blvd.
Request: For approval of a preliminary and final plat for a 4-lot subdivision

SITE DATA

Legal Description: All that part of Lots 12, 11, 10 and all that part of 9 of RUSSELL ADDITION, a subdivision, and all that part of the Northwest Quarter of Section 8, Township 48 North, Range 32 West, in the City of Raytown, Jackson County, Missouri, being more particularly described as follows: beginning at the southeast corner of Lot 12, RUSSELL ADDITION, thence North 86 degrees 29 minutes 56 seconds West, with the south line of said Lot 12 and its westerly prolongation, and the north right-of-way line of E. Gregory Boulevard, a distance of 481.53 feet to a point on the east right-of-way line of Blue Ridge Boulevard; thence with the east right-of-way line of Blue Ridge Boulevard on a curve to the right having a radius of 1860.10 feet, a central angle of 14 degrees 36 minutes 46 seconds, with an initial tangent bearing of North 12 degrees 23 minutes 44 seconds West, an arc distance of 474.41 feet; thence North 02 degrees 13 minutes 03 seconds East, continuing with the east right-of-way line of Blue Ridge Boulevard, a distance of 48.78 feet; thence South 86 degrees 29 minutes 56 seconds East, and no longer with the east right-of-way line of Blue Ridge Boulevard, a distance of 416.99 feet to a point on the west line of Lot 9, RUSSELL ADDITION; thence South 02 degrees 13 minutes 03 seconds West, with the west line of said Lot 9, a distance of 110.00 feet; thence South 86 degrees 29 minutes 56 seconds East, with the north line of the South 44.6 feet of said Lot 9, a distance of 125.03 feet to a point on the east line of said Lot 9 and the west right-of-way line of Kentucky Avenue; thence South 02 degrees 13 minutes 03 seconds West, with the east line of Lots 9, 10, 11, and 12 of RUSSELL ADDITION and the west right-of-way line of Kentucky Avenue, a distance of 460.60 feet to the point of beginning. The above described tract contains 256,759 square feet, or 5.89 acres.

Figure 1 – Proposed Lourdes Subdivision

BACKGROUND

SITE DESCRIPTION AND PRESENT USE

The property to be platted is approximately six acres on the northeast corner of Blue Ridge and Gregory Boulevards. The site is used for public educational purposes and as a place of worship. Currently, the property has several buildings that are affiliated with the Our Lady of Lourdes Catholic Church. However, the building that formerly served as the parochial school is now occupied by Three Trails Preschool (Raytown C-2 School District).

Staff Report

Community Development
Planning and Development Services

SURROUNDING PROPERTIES AND NEIGHBORHOOD

The neighborhood is occupied by mostly low-density suburban residential homes. The property to the north is zoned for commercial uses and there is a cemetery, Floral Hills, across the street in Kansas City.

HISTORY

Our Lady of Lourdes Catholic Church has been at this location for approximately seventy years. The preschool opened at the beginning of the 2017-18 school year. Our Lady of Lourdes and Raytown C-2 School District have proposed this subdivision to adjust property lines and place the preschool on a separate lot as well as separating the church from its auxiliary uses.

FINDINGS OF FACT

1. Conformance to the City of Raytown Ordinances

Staff has reviewed the submitted preliminary and final plat with respect to the City of Raytown Subdivision Regulations (Chapter 36) and Zoning Regulations (Chapter 50). Staff has determined that the preliminary plat contains all necessary information as required by the Subdivision and Zoning regulations.

2. Suitability of the land for subdivision development

The property is not vacant. All proposed lots meet the land use requirements of the R-1 zoning class. In addition, the existing buildings are currently serviced by existing utilities.

3. Consistency with adjoining uses and platted property

The majority of adjoining uses are single-family residential homes. The existing uses are of a Public/Semi-Public nature, have existed for over 65 years and are not intensive in nature. The lots on east side of the property, intended for development as single-family homes, are now occupied by the school, playground and parking lots. These lots will be vacated with the approval of this plat.

4. Adequacy of public facilities and utilities to serve the proposed development

The site is developed and currently served by public facilities and utilities. The existing public facilities and utilities are adequate for the current use. Lot 4 (Raytown C-2 School) already has its own electric service and meter, gas service and meter, and sanitary sewer service. The public school and the church will share the existing drives to Gregory Blvd., Blue Ridge Boulevard, and Kentucky Avenue, and will have joint ingress and egress for vehicular and pedestrian over all of the existing parking lot and walkways.

5. Consideration of planning principles on site including lot layout and topography

The topography of the site does not present any issues. Lot layout is in accordance with sound land-use planning principles and is logical given the existing development and the applicant's primary reason for platting the property.

RECOMMENDATION

Staff recommends approval of Case No. PZ 2018-001/002, Preliminary & Final Plat – Lourdes Subdivision.

Case Number: 2018-02
Date Received: 12/29/2017
Fee Paid: \$100.00 + \$3.00 / lot

9. Public Improvements

Public improvements are required for subdivisions of land in Raytown, such as public roadways, sidewalks, water, sanitary sewer, storm sewer, etc. All improvements must be constructed to City standards.

- A. Streets:
Classification (local, collector or arterial): N/A
Proposed surface material: N/A
Length of roadway: N/A
Maximum grade: N/A

✓ How will the configuration of streets in this development fit with the transportation network of Raytown? How will the traffic generated from this development affect the traffic circulation in the area? Explain in detail on separate sheets.

- B. Will this development be served by public water? See attached letter
C. Will this development be served by public sanitary sewer? See attached letter

- D. Will this development be served by public storm sewer? See attached letter
- E. Describe the drainage plan for this development, including any easements. Please attach a separate sheet.
- F. Will parkland or green space be dedicated? N/A

10. Construction Guarantee

The City of Raytown Subdivision Regulations offer 4 options for construction of public improvements within the City. Developers must indicate the options elected.

- Option 1: Complete all required public improvements prior to Board of Aldermen final approval and recording of the plat.
- Option 2: Post a performance bond to the benefit of the City in the amount of the remaining construction costs. Bonds are presented to the Board of Aldermen with the final plat.
- Option 3: Enter into an escrow agreement for the remaining construction costs. Escrow agreements are presented to the Board of Aldermen with the final plat.
- Option 4: Delay construction or bonding until final approval, upon which an escrow agreement or performance bond for 110% of the construction costs must be submitted.

All public improvements must be inspected. No Certificates of Occupancy will be issued before final approval of the public improvements. Developers must file a maintenance bond for 25% of the cost of construction to run for 2 years before acceptance of the improvements by the Raytown Board of Aldermen.

Option selected for street construction: N/A

Option selected for sanitary sewer construction: N/A

Option selected for storm sewer construction: N/A

Option selected for other construction: N/A

Option selected for other construction: N/A

Have construction plans for the improvements been submitted to the Community

Development Department? N/A

11. Required Submittals

Eight (8) copies of the plat are required for initial review by staff and the utilities serving the proposed development. Upon review, a letter detailing any required revisions will be released. Ten (10) days prior to the Planning Commission meeting copies of the revised plat must be submitted in the following formats: **Twenty Five (25)** full size folded paper copies and an electronic copy.

Unless Option 4 is selected, construction plans for the City maintained public improvements must be submitted and approved before the final plat can be placed on the agenda of the Planning Commission. Streets, streetlights, sidewalks, sanitary sewer, and storm sewer must be designed in accordance with the most current APWA regulations. In addition, Missouri Department of Natural Resources must approve water and sanitary sewer lines. Copies of letters of authorization from the Department of Natural Resources should be provided to the Raytown Public Works Department. Developers must also submit **two (2) sets of construction plans** to the Raytown Public Works Department and an electronic copy of the plans.

The Raytown Planning Commission may approve, conditionally approve or deny the plat. If the plat is approved or conditionally approved, the plat may be presented to the Board of Aldermen. Additional copies will be required at that time, along with any required plat revisions or submittals associated with the construction of the public improvements. Following approval of the final plat by the Board of Aldermen **three (3) mylar copies, five (5) paper copies** of the approved final plat need to be provided to the Community Development Department all of which need to have been signed by the applicable property owners. The City will then apply the applicable signatures from city officials to each copy of the approved final plat. When all copies of the final plat have been signed the signed final plats shall be provide to the applicant for recording. **Following recording, one mylar copy and two paper copies of the recorded final plat will need to be returned to the Community Development Department.**

Further information is available at the Raytown Community Development Department at 816-737-6010.

CITY OF RAYTOWN
Request for Board Action

Date: February 1, 2018
To: Mayor and Board of Aldermen
From: Damon Hodges Director of Public Works

Resolution No.: R-3062-18

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Approve the purchase of a Schwarze A-7 street sweeper from Elliott equipment of Grandview, MO based on the MoDOT cooperative contract in the amount of \$220,885.25.

Recommendation: Staff recommends approval.

Analysis: Street sweeping is an integral part of storm water management and provides a cleaner environment that is readily visible to the public. Public Works staff have reviewed many options for providing street sweeping services including, but not limited to, outsourcing the program. Staff determined during the process that in-house street sweeping is the most cost-effective way to provide the service for the residents of Raytown.

Staff began the process of selecting a new street sweeper through a number of on-site tests involving several manufacturers. The on-site testing revolved around the real-world conditions observed in the neighborhoods of Raytown and the ability of the sweeper to perform in those conditions. Staff evaluated the sweepers based on cost, performance, warranty and service.

Staff recommends the purchase of a Schwarze A-7 regenerative air street sweeper from Elliott equipment of Grandview, MO. For an amount of \$220,885.25, based on the MoDOT cooperative contract.

The Public Works Dept. has budgeted \$250,000.00 for the street sweeper purchase in FY2018.

Alternatives: Don't buy the street sweeper, look for other alternatives.

Budgetary Impact:

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

Amount to Spend:	An amount not to exceed \$250,000.00
Department:	Public Works
Fund:	Capital Sales Tax Fund
	205.62.00.100.57000

Additional Reports Attached: Supporting documentation attached.

A RESOLUTION AUTHORIZING AND APPROVING THE PURCHASE OF A 2019 INTERNATIONAL 4300 SERIES AND A SCHWARZE INDUSTRIES REGENERATIVE AIR SWEEPER FROM ELLIOTT EQUIPMENT CO. OFF THE MISSOURI DEPARTMENT OF TRANSPORTATION COOPERATIVE PURCHASING CONTRACT IN AN AMOUNT NOT TO EXCEED \$220,885.25

WHEREAS, the City of Raytown in the adoption of its purchasing policy has approved the practice of purchasing equipment from competitive bids awarded by other governmental entities through the cooperative bidding process; and

WHEREAS, the Missouri Department of Transportation has competitively bid and awarded a contract to Elliott Equipment Co. for the 2019 International 4300 Series and a Schwarze Industries Regenerative Air Sweeper;

WHEREAS, the City of Raytown finds it is in the best interest of the citizens of the City of Raytown to authorize and approve the purchase of one 2019 International 4300 Series and a Schwarze Industries Regenerative Air Sweeper off the Missouri Department of Transportation Cooperative Public Purchasing Contract in an amount not to exceed \$220,885.25;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the purchase of one 2019 International 4300 Series and a Schwarze Industries Regenerative Air Sweeper off the Missouri Department of Transportation Cooperative Public Purchasing Contract in an amount not to exceed \$220,885.25, is hereby authorized and approved;

FURTHER THAT the City Administrator is hereby authorized to execute all documents necessary to this transaction and the City Clerk is authorized to attest thereto.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 6th day of February, 2018.

Michael McDonough, Mayor

PROJECT: Purchase a regenerative air street sweeper and chassis.

FISCAL YEAR: 2016 / 2017

PROJECT NO:

FUND: Capital sales tax

DEPARTMENT: Public Works

PROJECT DESCRIPTION: Purchase a complete regenerative air street sweeper for use in maintaining clean roadways and meeting our storm water MS4 phase II permit requirements.

NEED, JUSTIFICATION, BENEFIT: The need for clean streets is vital to property values and the maintenance of the roadways. The removal of debris from the roadways is very important to slow degradation of the roadway base from improper drainage and allows the City to meet the requirements set out in the MS4 phase II permit for handling of storm water runoff.

CONSEQUENCES OF DELAYING OR ELIMINATING THIS PROJECT: Poorly cleaned streets, missed goals for MS4 phase II permit requirements, limited ability to respond to storm clean up, limited ability to respond to traffic crash clean up, greater build up of debris in storm drainage system and higher risk of storm drain back up.

THIS PROJECT IS RELATED TO THE FOLLOWING: MS4 phase II storm water permit, street maintenance.

EXPLANATION OF IMPACT ON OPERATING BUDGET:

TIME-LINE/CURRENT STATUS: This piece of equipment will have a six month or greater turnaround time for manufacture and delivery.

COMMENTS: This piece of equipment is very important to the image of the community and the operation of the city owned storm drainage system. The future replacement plan of this vehicle should be scheduled on five to seven year rotation in order to maximize the return on the original investment toward the purchase of a new machine. The replacement plan should be reviewed again after the first cycle.

Re: Contract 3-160513TV- Street Sweepers

Dear Tom,

Schwarze Industries, Inc. wishes to accept the opportunity to extend the above referenced contract through May 31, 2018. As we submitted in our original bid, we agree to the terms on the original contract, and are prepared to comply with the terms for an additional year.

I have included an update to our pricing that we request approval for the renewal extension of this contract. You will see that we have increased Base Price and options, pricing by 2-3%, depending on the model. This increase was passed on to our dealers and end users on January 1, 2017. This price increase is solely due to our increased manufacturing costs, mainly contributed from increased purchased materials, and freight costs.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Hendrickson", with a stylized flourish at the end.

Joe Hendrickson
Sales Operations Manager
Schwarze Industries, Inc

A4 STORM Tier IVF SWEEPER FEATURES AND OPTION LISTING

SWEEPER ENGINE	PICKUP HEAD
Yanmar 4TNV98C-NYEM 68 hp @ 2500rpm	80" x 36" Sweeping Head with Rubber Blast Orifice
Fuel water seperator	3/8" thick, 12" dia Pressure hose, 12" Suction Hose
3-point safety engine shutdown device	Sweeps-in-Reverse
Battery and 50 gallon fuel tank shared with chassis	Doublewide full length carbide drag shoes Warranted against wear-out, two years/2000 hours, prorated.
Centrifugal pre-cleaner, safety element, restriction ind	
55 amp alternator	DUST CONTROL SYSTEM
2 year warranty on Aux Engine	Electric diaphragm water pumps with inlet restriction indicator
HYDRAULIC SYSTEM	60 PSI, 5.88 gpm
16 gallon vented hydraulic reservoir, w/shut-off valves	Water tank capacity 130 gallons, polyethylene
Tank mounted level and temperature indicator	25-foot long fire hydrant fill hose
Hydraulic pressure, 2500 psi	50 mesh cleanable filter, with shut off valve
Spin-on 10 micron return filter	Water spray nozzles shall be provided as follows:
Oil to air radiator type oil cooler	Four around suction head, two nozzles inside hopper
	Two at gutter broom, per option selected
DUST SEPERATOR	Two nozzles in suction tube, two at front axle
Centrifugal dust separator 13, 500 cu in. with 1224 sc	An air purge system for flushing water lines
HOPPER	OPERATING CONTROLS AND INSTRUMENTS
Mild Steel, 4.5 CuYd, 3.4 CuYd usable Capacity	Aux engine control with display on console:
Screens - square inches, saw tooth design	Keyed ignition, electronic throttle,
Twin dumping cylinders, 53 degrees	Oil pressure gauge, water temperature gauge
Rear door hydraulically opened, closed and locked	Voltmeter, tachometer, and hour meter
Dual 15" X 32" watertight inspection doors, 1 left, 1 rig	Diagnostic display gauge for Aux Engine
External weatherproof dump switches	
BLOWER	
Closed face turbine 10 curved blades, 30.0" dia. By 3"	
500 brinell hardness abrasion resistant steel	SAFETY EQUIPMENT
Fully balanced within 1.5 grams on both sides	Two body props to lock hopper in raised position
Vacuum enhancer	2 rear yellow alternating LED flashing lights
SWEEPER WARRANTY	5-lb fire extinguisher
12 Months 1200 Hours

A7 TORNADO TIER IV FINAL SWEEPER FEATURES AND OPTIONS LISTING

SWEEPER ENGINE	PICKUP HEAD
John Deere 4045 Tier 4 engine	90" x 36" Sweeping Head with Rubber Blast Orifice
Fuel water separator	3/8" thick, 14" dia Pressure hose, 14" Suction Hose
3-point safety engine shutdown device	Sweeps-in-Reverse
Battery and 50 gallon fuel tank shared with chassis	Doublewide full length carbide drag shoes Warranted against wear-out, two years/2000 hours, prorated.
90 amp alternator	
2 year warranty on Aux Engine	DUST CONTROL SYSTEM
HYDRAULIC SYSTEM	Twin electric diaphragm water pumps with inlet restriction indicator
25 gallon vented hydraulic reservoir, w/shut-off valves	60 PSI, 6.0 gpm
Tank mounted level and temperature indicator	Water tank capacity 250 gallons, polyethylene
Hydraulic pressure, 2500 psi	25-foot long fire hydrant fill hose
Spin-on 10 micron return filter	50 mesh cleanable filter, with shut off valve
9000 BTU oil to air radiator type oil cooler	Water spray nozzles shall be provided as follows:
12-volt DC hydraulic backup system	Five at pickup head, two nozzles inside hopper

DUST SEPERATOR	Two at gutter broom, per option selected
Centrifugal dust separator, 29000 cu in. with 1680 sq i	Two nozzles in suction tube, two at front axle
HOPPER	An air purge system for flushing water lines
Mild Steel, 8.4 CuYd, 7 CuYd usable Capacity	OPERATING CONTROLS AND INSTRUMENTS
Screens - 5615 square inches, saw tooth design	Aux engine control with full color display on console:
Twin dumping cylinders, 53 degrees	Keyed ignition, electronic throttle, leaf bleeder
Rear door hydraulically opened, closed and locked	Oil pressure gauge, water temperature gauge
Dual 20" X 32" watertight inspection doors, 1 left, 1 rig	Voltmeter, tachometer, and hour meter
External weatherproof dump switches	Diagnostic gauge for Aux Engine, overweight warning.
Shroud enclosing the auxiliary engine	Selectable sweep or lift in reverse, system standby, in-cab tilt,
BLOWER	variable speed brooms. All other STD sweeper function switches to
Closed face turbine 10 curved blades, 32.75" dia. by 5'	Included for standard and options selected
500 brinell hardness abrasion resistant steel	Swiveling console for left or right sweeping
Fully balanced within 1.5 grams on both sides	SAFETY EQUIPMENT
Vacuum enhancer, w/indicator in cab	Two body props to lock hopper in raised position
SWEEPER WARRANTY	Rear Amber LED Strobe With Guard
12 Months 1200 Hours	2 rear yellow alternating LED flashing lights
12 Months 1200 Hours	Slow moving vehicle emblem, backup alarm,
	5-lb fire extinguisher, and a warning triangle kit.

A9 MONSOON Tier IV Final SWEEPER FEATURES AND OPTION LISTINGS

SWEEPER ENGINE	PICKUP HEAD
John Deere 4045 Tier 4 engine	90" x 36" Sweeping Head with Rubber Blast Orifice
Fuel water seperator	3/8" thick, 14" dia Pressure hose, 14" Suction Hose
3-point safety engine shutdown device	Sweeps-in-Reverse
Battery and 50 gallon fuel tank shared with chassis	Doublewide full length carbide drag shoes Warranted against wear-out, two years/2000 hours, prorated.
90 amp alternator	
2 year warranty on Aux Engine	DUST CONTROL SYSTEM
HYDRAULIC SYSTEM	Twin Electric diaphragm water pumps with inlet restriction indicator
25 gallon vented hydraulic reservoir, w/shut-off valves	60 PSI, 5.88 gpm
Tank mounted level and temperature indicator	Water tank capacity 250 gallons, polyethylene
Hydraulic pressure, 2500 psi	25-foot long fire hydrant fill hose
Spin-on 10 micron return filter	50 mesh cleanable filter, with shut off valve
9000 BTU oil to air radiator type oil cooler	Water spray nozzles shall be provided as follows:
12-volt DC hydraulic backup system	Five at pickup head, two nozzles inside hopper
DUST SEPERATOR	Two at gutter broom, per option selected
Centrifugal dust separator, 29000 cu in. with 1680 sq i	Two nozzles in suction tube, two at front axle
HOPPER	An air purge system for flushing water lines
Mild Steel, 9.6 CuYd, 8 CuYd usable Capacity	OPERATING CONTROLS AND INSTRUMENTS
Screens - 5615 square inches, saw tooth design	Aux engine control with full color display on console:
Twin dumping cylinders, 53 degrees	Keyed ignition, electronic throttle, leaf bleeder
Rear door hydraulically opened, closed and locked	Oil pressure gauge, water temperature gauge
Dual 20" X 32" watertight inspection doors, 1 left, 1 rig	Voltmeter, tachometer, and hour meter
External weatherproof dump switches	Diagnostic gauge for Aux Engine, overweight warning.

Shroud enclosing the auxiliary engine	Selectable sweep or lift in reverse, system standby, in-cab tilt,
BLOWER	variable speed brooms. All other STD sweeper function switches to
Closed face turbine 10 curved blades, 32.75" dia. by 5'	Included for standard and options selected
500 brinell hardness abrasion resistant steel	Swiveling console for left or right sweeping
Fully balanced within 1.5 grams on both sides	SAFETY EQUIPMENT
Vacuum enhancer, w/indicator in cab	Two body props to lock hopper in raised position
SWEEPER WARRANTY	Rear Amber LED Strobe With Guard
12 Months 1200 Hours	2 rear yellow alternating LED flashing lights
	Slow moving vehicle emblem, backup alarm,
	5-lb fire extinguisher, and a warning triangle kit.

M6 AVALANCHE TWIN ENGINE SWEEPER FEATURES AND OPTION LISTING

HYDRAULIC SYSTEM	MAIN BROOM
Pump, Variable displacement load sense piston	Diameter, 36"; Length 58"
Hydraulic Tank, 35 gallon, w/ shut-off valve	Hydraulic Direct Drive / In Cab Adjustable Variable Speed
Tank & Cab mounted level and temperature indicator	In-Cab Adjustable Pneumatic lift w/ Positive lift Lock
Hydraulic system pressure, 3200 psi	Brush type: Solid core, Wafer or poly strip broom
5 Micro Tank Breather Filter	2" wide Tungsten Carbide Trailing Arm Dirt Shoes
10 micron cartridge return filter	Self-Aligning Bearings, Triple Sealed & Shielded
100 Mesh Suction Strainer	GUTTER BROOMS
120,000 BTU oil to air twin fan oil cooler	49" Diameter
PNEUMATIC SYSTEM	5 Segment Wire Filled Vertical Digger
Electronic Digital Readout Air Regulators	Hydraulic Direct Drive / In Cab Adjustable Variable Speed
Auxiliary Air Tank - 1,488 cu. in. capacity	Free Floating Air Suspension & Air Extention
Electro-Pneumatic valves with push to connect fittings	DUST CONTROL SYSTEM
HOPPER	Heavy Duty Electric diaphragm water pump
Construction, A36 Carbon Steel, 10 Gauge, 3/16" Floor	50 PSI, 5.88 GPM
Roof skylights plus LED illumination & viewing window	Water tank capacity 350 gallons, polyethylene
Capacity, 5.0 Cu.Yd.	25-foot long fire hydrant fill hose
Lift Capacity, 14,000 LBS	50 mesh cleanable filter, with shut off valve
Twin Cylinder Scissor Lift and Dump	Five nozzles in front of main broom

Variable Dump Height, 16" to 138"	Seven nozzle front spray bar
Side Inspection Door with Built In Ladder Access	Four nozzles per gutter broom
External weatherproof dump switches	Air purge system for flushing water lines
ENGINE	OPERATING CONTROLS
Yanmar 4TNV98C-NYEM 69 HP, Liquid Cooled	Six Sense - Six programmable sweep settings
SQUEEGEE CONVEYOR	Swivel base console for left or right sweeping
Heavy Duty, Constant-Radius Roller Chain	Keyed Ignition switch & Electronic Throttle
Self-Aligning Bearings, Triple Sealed & Shielded	Voltmeter, tach, oil pressure, water temp and hour meter
Hydraulic Direct Drive / In Cab Adjustable Variable Speed	Back lit sealed rocker switches with icon and text markings
Bolt In 3/16" Abrasion Resisting Floor Plate	7" TFT LCD color display, 800 x 480 pixels
BELT CONVEYOR	SAFETY EQUIPMENT
Heavy Duty Multi-Ply Belt w/ Full Width Cleats	Two body props to lock hopper in raised position
Self-Aligning Bearings, Triple Sealed & Shielded	Rear Amber LED Strobe / 4 way LED flashing lights
Hydraulic Direct Drive / In Cab Adjustable Variable Speed	Rear view camera system
SWEEPER WARRANTY	Slow moving vehicle emblem, backup alarm,
12 Months 1200 Hours	5-lb fire extinguisher, and a warning triangle kit.

**CITY OF RAYTOWN
Request for Board Action**

Date: February 1, 2018
To: Mayor and Board of Aldermen
From: Damon Hodges, Director of Public Works

Resolution No.: R-3063-18

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Authorize and approve the purchase of tires and supplies from Sumner Tire off the State of Missouri purchasing contract.

Recommendation: Staff recommends for approval.

Analysis: The need for vehicle tire replacements is ongoing and necessary to properly service the City's fleet.

Public Works has already spent \$5,847.00 in the first quarter of this current budget year.

Alternatives: Do not approve the resolution and direct staff to seek a stand-alone bid with possibly higher prices.

Budgetary Impact:

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

Amount to Spend: \$22,000.00
Department: Public Works
Account Number(s): General Fund to spend up to \$15,000
101.62.00.100.55000
Sewer Fund to spend up to \$7,000
501.62.00.100.55000

Additional Reports Attached: State of Missouri purchasing contract.

RESOLUTION NO.: R-3063-18

A RESOLUTION AUTHORIZING AND APPROVING THE PURCHASE OF TIRES AND SUPPLIES FROM SUMNER TIRE OFF THE STATE OF MISSOURI COOPERATIVE PURCHASE CONTRACT IN AN AMOUNT NOT TO EXCEED \$22,000.00 FOR FISCAL YEAR 2017-2018

WHEREAS, the City of Raytown purchases tires and supplies for the maintenance and repair of vehicles owned and operated by the City; and

WHEREAS, the City of Raytown in the adoption of its purchasing policy has approved the practice of purchasing equipment and supplies from competitive bids awarded by other governmental entities through a competitive bidding process; and

WHEREAS, the State of Missouri has competitively bid the purchase of vehicle tires and supplies and has determined Sumner Tire to be the most competitive bid; and

WHEREAS, the Board of Aldermen find it is in the best interest of the citizens of the City of Raytown to authorize and approve the purchase of vehicle tires and supplies from Sumner Tire off the State of Missouri Cooperative Purchase Contract in an amount not to exceed \$22,000.00 for fiscal year 2017-2018;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the purchase of vehicle tires and supplies from Sumner Tire off the State of Missouri Cooperative Purchase Contract in an amount not to exceed \$22,000.00 for fiscal year 2017-2018 is hereby authorized and approved; and

FURTHER THAT the City Administrator is authorized to execute all documents necessary to these transactions and the City Clerk is authorized to attest thereto.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 6th day of February, 2017.

Michael McDonough, Mayor

ATTEST:

Teresa M. Henry, City Clerk

Approved as to Form:

Joe Willerth, City Attorney

**STATE OF MISSOURI
OFFICE OF ADMINISTRATION
DIVISION OF PURCHASING**

NOTIFICATION OF STATEWIDE CONTRACT

03/06/17

CONTRACT TITLE: Tires, Tubes and Related Services
CURRENT CONTRACT PERIOD: April 1, 2015 through March 31, 2019
BUYER INFORMATION: Alan Woods
 (573) 751-3331
alan.woods@oa.mo.gov

ALL PURCHASES MADE UNDER THIS CONTRACT MUST BE FOR **PUBLIC USE ONLY**.
 PURCHASES FOR PERSONAL USE BY PUBLIC EMPLOYEES OR OFFICIALS ARE PROHIBITED.

THE USE OF THIS CONTRACT IS **PREFERRED** FOR ALL STATE AGENCIES.

Local Purchase Authority should not be used to purchase supplies/services included in this contract unless specific item is out-of-stock for an unreasonable amount of time (to be determined by the state agency) without an acceptable substitute; closest authorized dealer is too far and it would be burdensome for the agency to pay the cost associated with travel.

The entire contract document may be viewed and printed from the Division of Purchasing's **Awarded Bid & Contract Document Search** located on the Internet at <http://www.oa.mo.gov/purch>.

~ Instructions for use of the contract, specifications, requirements, and pricing are attached ~.

STATEWIDE CONTRACT HISTORY

The following summarizes actions related to this Notification of Statewide Contract since its initial issuance. Any and all revisions have been incorporated into the attached document.

Contract Period	Issue Date	Summary of Changes
04/01/15 – 03/31/19	03/06/17	Updated buyer contact information. Updated authorized dealer listing posted for Goodyear (C112258001).
04/01/15 – 03/31/19	5/13/16	Updated Phone Number for Eads Repair
04/01/15 – 03/31/19	05/03/16	Updated buyer contact information.
04/01/15 – 03/31/19	04/13/16	Updated pricing for Michelin (C115153001).
04/01/15 – 03/31/19	04/06/16	Updated pricing for Bridgestone/Firestone (C112258002).
04/01/15 – 03/31/19	03/23/16	Updated buyer contact information. Renewed all contracts through 03/31/19. Updated pricing of Goodyear (C112258001). Waiting on updated pricing from Bridgestone/Firestone (C112258002) and Michelin (C115153001).
04/01/15 – 03/31/17	07/14/15	Updated contact information for Michelin (C115153001)
04/01/15 - 03/31/17	04/10/15	Renewed Goodyear (C112258001)
04/01/15 - 03/31/17	03/10/15	Renewed Bridgestone/Firestone (C112258001). Added Michelin (C115153001)
04/01/12 – 03/31/15	9/5/14	Updated authorized dealer listing posted for Goodyear (C112258001)
04/01/12 – 03/31/15	8/25/14	Updated authorized dealer listing posted for Goodyear (C112258001) and Buyer Update.
04/01/12 – 03/31/15	07/18/14	Updated pricing for computer spin balance and wheel balance valve stem combo for Goodyear.
04/01/12 – 03/31/15	05/23/14	Updated authorized dealer listing posted for Bridgestone (C112258002).
04/01/12 – 03/31/15	04/02/14	Updated authorized dealer listing posted for Goodyear (C112258001).
04/01/12 – 03/31/15	04/01/14	Updated pricing and authorized dealer listings posted for Goodyear (C112258001) and Bridgestone (C112258002).
04/01/12 – 03/31/15	12/04/13	Updated pricing posted to website for Goodyear (C112258001).
04/01/12 – 03/31/15	10/04/13	Contact name and e-mail address for Goodyear updated.
04/01/12 – 03/31/15	09/23/13	Buyer Update
04/01/12 – 03/31/15	05/03/12	Initial issuance of new statewide contract. Note: A subsequent amendment will be issued as soon as possible awarding a contract to Michelin.

TIRES, TUBES AND SERVICES
STATEWIDE NOTICE

General: The contracts identified herein have been awarded to serve State of Missouri agencies, political subdivisions or governmental entities specified by the State of Missouri for various types of tires, tubes and services. The contracts are piggyback contracts off of current Western State Contracting Alliance (WSCA) contracts.

Pricing: Pricing is provided in accordance with the applicable percentage discounts off of current list prices found in the specific tire manufacturer catalogs. The chart herein provides the percentage discount for each of the available tire and tube categories. Additionally, a chart is provided that gives specific firm, fixed prices for each service that can be provided by the manufacturers. **Attachment #1** to this statewide notice provides current contract period net prices for all tires available from The Goodyear Tire & Rubber Company (C112258001). **Attachment #2** to this statewide notice provides current contract period net prices for all tires available from Bridgestone Americas Tire Operations, LLC (C112258002). **Attachment #5** to this statewide notice provides current contract period net prices for all tires available from Michelin North America.

Note: The attachments are separate from this Statewide Notice but they are available at the same website.

Delivery: The contracts allow for agencies to order and pick-up tires at dealerships participating in the contract. Tires may also be shipped to the state agency site FOB Destination, freight prepaid and allowed.

- Goodyear offers thirty (30) days ARO
- Bridgestone offers forty-five (45) days ARO
- Michelin offers fourteen (14) days ARO

Authorized Missouri Tire Dealers: **Attachment #3** provides a listing of authorized Goodyear dealers in Missouri. **Attachment #4** provides a listing of authorized Bridgestone dealers in Missouri. **Attachment #6** provides a listing of authorized Michelin dealers in Missouri. The dealers listed on the attachments are the only authorized dealers to provide tires, tubes and related services in accordance with the contracts.

Invoicing and Payments: All orders shall be placed with the manufacturer in care of the local dealer providing product and/or services. Invoices will be billed by the manufacturer and payments will be made to the manufacturer directly, not the local dealer. No payments shall be made to the authorized dealers.

Preferred Use Contract: The State of Missouri has various state agencies that are located in remote areas of the state with limited access to a nearby dealer. Because of the time it takes state personnel to travel along with the cost associated with travel to the closest authorized tire dealers, the state intends to provide as much variability as is needed to obtain the tires and service. The State of Missouri must also be assured the product is readily available.

For the reasoning cited in the above paragraph, the contract shall be considered a preferred-use contract which means all state agencies should use the contract for the supplies and service on contract if needed. Even though the contract is considered a preferred-use contract, there will be rare situations where an agency may waive itself from using the contract so long as such determination is supportable and in the best interests of the state. Reasons for not using the contract shall include but shall not necessarily be limited to the following: specific item is out-of-stock for an unreasonable amount of time (to be determined by the state agency) without an acceptable substitute; closest authorized dealer is too far and it would be burdensome for the agency to pay the cost associated with travel.

**CITY OF RAYTOWN
Request for Board Action**

Date: February 1, 2018
To: Mayor and Board of Aldermen
From: Sergeant Gary Davis#1155

Resolution No.: R-3064-18

Department Head Approval: _____

Finance Director Approval: _____ (only if funding requested)

City Administrator Approval: _____

Action Requested: Approval of the Resolution for the Fiscal Year 2019 MoDOT Highway Safety Crash Reduction/Hazardous Moving Enforcement Grant Application.

Recommendation: Approval of the Resolution by the Board.

Analysis: Resolution approving the Hazardous Moving Grant application from the Missouri Department of Transportation Highway Safety Division for the 2019 Fiscal Year. If awarded, the billed hours worked by officers of the Raytown, Missouri Police Department will be reimbursed at the rate of 100%. The Raytown Police Department intends to utilize these funds to decrease hazardous driving related offenses and crashes within the Raytown City limits.

The grant, if awarded, allows for \$7,169.05 dollars to be used for overtime assignments, and the purchase of an additional Stalker brand, handheld radar instrument and will be reimbursed at 100% to the City. In addition, the grant will reimburse the cost of sending one officer to the annual LETSAC conference for additional training. There is no match required by the City for this grant.

Alternatives: The City/Board of Aldermen could choose not to approve the resolution for the application of grant funding, in which case existing Police resources would be used to attempt to achieve similar results regarding hazardous moving violation enforcement and crash abatement.

Budgetary Impact:

Not Applicable

Additional Reports Attached: Hazardous Moving Grant Application

A RESOLUTION AUTHORIZING AND APPROVING PARTICIPATION BY THE CITY IN THE MISSOURI DEPARTMENT OF TRANSPORTATION HIGHWAY SAFETY CRASH REDUCTION/HAZARDOUS MOVING ENFORCEMENT PROJECT AND AN APPLICATION FOR GRANT FUNDING IN CONNECTION WITH THE HIGHWAY SAFETY CRASH REDUCTION/HAZARDOUS MOVING ENFORCEMENT GRANT FOR SUCH PURPOSES

WHEREAS, the City of Raytown (the "City") has participated in the Missouri Department of Transportation's Highway Safety Crash Reduction/Hazardous Moving Enforcement Grant project in the past and desires to do so in the future; and

WHEREAS, grant funding is available from the State of Missouri for such purposes and the City desires to submit an application for such funding to enhance its Police Department operations; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to approve participation in the hazardous moving violations enforcement project along with an application for grant funding in connection with such project;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT participation in the Highway Safety Crash Reduction/Hazardous Moving Enforcement Project of the Missouri Department of Transportation is hereby approved; and

FURTHER THAT an Application for a Highway Safety Crash Reduction/Hazardous Moving Enforcement Grant in the amount of \$7,169.05 is hereby authorized and approved; and

FURTHER THAT the City Administrator and/or his designee are hereby authorized to execute the application along with any and all other documents necessary or incidental thereto and to take any and all actions necessary to effectuate the terms of the grant application and program participation.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 6th of February, 2018.

Michael McDonough, Mayor

PROBLEM IDENTIFICATION

Aggressive driving can be any one of us, when we make the choice to drive over the speed limit; change lanes several times in a short distance and/or follow too closely. Aggressive driving is a costly decision, often made in an instant, but can have lifelong consequences. According to the National Highway Traffic Safety Administration, aggressive driving is when an individual commits a combination of moving traffic offenses so as to endanger other persons or property. During the last five years, the combination of aggressive driving behaviors contributed to 53 percent of fatalities and 46 percent of serious injuries in Missouri. Speed-related conditions, including exceeding the speed limit and too fast for conditions, accounted for the most fatalities of all aggressive driving behaviors. Nearly 40 percent of all Missouri fatalities over the last five years were speed-related.

The City of Raytown Missouri is home to approximately 30,000 people. The city is landlocked by Kansas City, the largest city in Missouri. The population of Raytown is a misnomer, as thousands of vehicles travel through the city via MO 350 Highway, in each 24 hour period. In addition, the city has numerous well traveled arteries such as Raytown Road, Blue Ridge Boulevard, Blue Ridge Cut-Off, 63rd Street, 87th Street and Gregory Boulevard. Each of these streets is heavily traveled at all hours of the day.

Given the size of Raytown, the number of crashes within the city limits appears disproportionate to its population, and Raytown has experienced an increase of overall crash numbers in 2016 (896).

The ability of an officer to enforce the traffic code via the HMVE grant will decrease the opportunity for aggressive driving within the city limits, thereby decreasing the overall number of crashes.

GOALS/OBJECTIVES

Core Performance Measure Goals

1. To decrease speeding related fatalities by 7.0 percent annually, resulting in a change to the 2014-2018 moving average from 304.2 (2011-2015 moving average) to 294.8 (2014-2018 moving average) by December 31, 2018.
2. To increase the number of speeding citations issued during grant funded enforcement activities by .25 percent annually from the 2011-2015 calendar base year average of 72,901 to 73,083 by December 31, 2018.

Other Performance Measure Goals

1. To decrease aggressive driving-related fatalities by 7.0 percent annually, resulting in a change to the 2014-2018 moving average from 428.2 (2011-2015 moving average) to 430.9 (2014-2018 moving average) by December 31, 2018.

Objective:

To develop and implement a plan that focuses on hazardous moving violations (such as speeding, following too closely, driving too fast for conditions, red light running, improper lane changes, and failure to yield) at high crash locations and corridors.

Objective #1:

To decrease the overall number of crashes within the city limits with an emphasis on peak hours 3:00 p.m. through 7:00 p.m. and Friday nights in general. Just over 90 percent of all crashes within the city limits occurred between 3:00 p.m. and 4:00 p.m. on weekends, and an additional spike on Friday evenings from 4:00 p.m. through 6:00 p.m. Assigned to the Raytown Police Department are 49 sworn officers within the patrol division. The assigned officers will concentrate heavy traffic enforcement measures on the days and times listed above to assist in the reduction of traffic violations which are a direct cause of injury, non-injury, and fatality crashes within the city limits.

Performance Measure:

Number of overall crashes in 2016 during peak hours.

Objective #2:

To decrease the overall number of crashes within the city limits of Raytown Missouri (896) to
-855 by 2018
-835 by 2019
-815 by 2020

Performance Measure:

Overall number of crashes during the year 2016 was 896. Enforcement of aggressive driving to decrease the previous years statistics shall be the performance measure of the HMVE grant.

PROJECT DESCRIPTION

The use of the HMVE grant will allow more officers the ability to concentrate extra traffic enforcement during the peak hours of times designated to be "high crash" times. With a higher number of extra police officers patrolling these areas, providing enforcement in the main areas of the city, the number of injury, non-injury, and fatality crashes will reduce.

SUPPLEMENTAL INFORMATION

Question	Answer
You must answer the following questions.	
1 Does your agency have and enforce an internal safety belt policy for all personnel?	Yes
2 Does your agency have and enforce a policy restricting cell phone use while driving?	Yes
3 Does your agency report racial profiling data annually?	Yes
4 Does your agency report to STARS?	Yes
5 Does your agency report UCR information annually?	Yes
6 Please explain any NO answer(s) to questions 1-5:	
7 Have any of your officers/personnel been debarred and are therefore not eligible to receive federal funds for reimbursement of salary, fringe benefits, or overtime?	No
8 Does your agency have adequate manpower to fully expend the funds requested in this application?	Yes
9 If NO, please explain.	
10 Have any significant changes occurred with your agency within the last year that would affect performance, including personnel or system changes?	Yes
11 If YES, please explain.	
<p style="padding-left: 40px;">The Raytown Police Department experienced a reduction in budget, yet the number of sworn police officers available to work funded grants remains unimpaired.</p>	
12 Are you aware of any fraud, waste or abuse on grant projects in your office/agency within the last 5 years?	No
13 If YES, please explain.	
14 If your agency received Highway Safety grant funding in the last three (3) fiscal years and there were unexpended balances, please explain why.	
<p style="padding-left: 40px;">Within past years, the HMVE grant has not been well publicized throughout the organization, and due to the lack of knowledge, officers by and large did not know that they were eligible to work grant hours. This has been rectified by Traffic Unit officers whom have enlisted the help of rank and file officers, including officers from special units such as Investigations to assist in using the funds granted to the department. This was an approach which had not been previously used, and will continue through the upcoming budget years.</p>	
15 Did your political entity receive more than 80% of its annual gross revenues in Federal Awards in your preceding fiscal year?	No
16 Did your political entity receive \$25,000,000 or more in Federal Awards in your preceding fiscal year?	No

17 If you answered NO to either question 15 and 16, DO NOT answer this question. If you answered YES to both question 15 and 16, and the public does not have access to this information, list the names and compensation amounts of the five most highly compensated employees in your business or organization (the legal entity to which the DUNS number it provided belongs).

Please use the most current 12-months of data available for answering questions 18-23. Include ALL of your agency's statistics, not just those issued during grant activity.

18 Total number of DWI violations written by your agency.	42
19 Total number of speeding violations written by your agency.	757
20 Total number of HMV violations written by your agency.	1124
21 Total number of child safety/booster seat violations written by your agency.	8
22 Total number of safety belt violations written by your agency.	68
23 Total number of sobriety checkpoints hosted.	0

Use the most current three years crash data from the Missouri State Highway Patrol (MSHP) or your internal record management system for questions 24-34.

24 Total number of traffic crashes.	2072
25 Total number of traffic crashes resulting in a fatality.	4
26 Total number of traffic crashes resulting in a serious injury.	37
27 Total number of speed-related traffic crashes.	251
28 Total number of speed-related traffic crashes resulting in a fatality.	1
29 Total number of speed-related traffic crashes resulting in a serious injury.	6
30 Total number of alcohol-related traffic crashes.	81
31 Total number of alcohol-related traffic crashes resulting in a fatality.	0
32 Total number of alcohol-related traffic crashes resulting in a serious injury.	3
33 Total number of unbuckled fatalities.	3
34 Total number of unbuckled serious injuries.	7

Enter your agency's information below.

35 Total number of commissioned law enforcement officers.	49
36 Total number of commissioned patrol and traffic officers.	49

37 Total number of commissioned law enforcement officers available for overtime enforcement.	43
38 Total number of vehicles available for enforcement.	15
39 Total number of radars/lasers.	5
40 Total number of in-car video cameras.	16
41 Total number of PBTs.	4
42 Total number of Breath Instruments.	1

The following information explains the strategies your agency will use to address the traffic crash problem. This information is considered to be the Project Description and should be specific to the crash problem.

43 Identify primary enforcement locations.

The primary enforcement concentration area will include the MO 350 Highway corridor. This area in itself is known as a very high crash area, due to excessive hazardous driving. In addition, officers will concentrate enforcement efforts on other heavily traveled problematic roadways within the city limits of Raytown Missouri such as Raytown Road, 63rd Street, James A. Reed Road, 55th Street, and Blue Ridge Cut-Off. The majority of these streets have lower speed limits, and although they are primarily residential are heavily traveled by motorists which reside, and don't reside within Raytown. With this being said, these streets are the most commonly complained about, and have the highest volume of injury and non-injury crash related calls for service. These areas yield the highest complaints in regard to high speed driving, stop sign violations, and other careless and imprudent means of vehicle operation, as well as the highest number of DWI arrests.

44 Enter the number of enforcement periods your agency will conduct each month. 4

45 Enter the months in which enforcement will be conducted.

This project will be conducted weekly, on a year round basis.

46 Enter the days of the week in which enforcement will be conducted.

This project will be conducted regardless of the day of the week, however, emphasis will be placed on Friday and Saturdays, and all holidays which are typically associated with alcohol consumption (St. Patrick's Day, Fourth of July, etc.)

47 Enter the time of day in which enforcement will be conducted.

Officers will try to concentrate the majority of their enforcement between the hours of 3:00 P.M. through 9:00 P.M., Monday through Thursday. The aforementioned hours represent the times in which the majority of Raytown's injury, and non-injury crashes occur. On Fridays and Saturdays, officers will try to begin enforcement near the same time, but continue into the evening and overnight hours to curb the number of intoxicated drivers that travel the city streets

48 Enter the number of officers assigned during the enforcement period. 1

49 If equipment or supplies are requested to conduct this project, explain below why it is needed and how it will be used.

The Raytown Police Department is comprised of 49 sworn officers. Assigned to these officers are three, hand held radar guns, and two in car radar units. The patrol division has access to these, along with four other hand held units which are broken beyond repair and have been out of service for nearly two years. The Raytown Police Department experienced a drastic set of budget cuts for 2018 and is unable to provide the funding to purchase new radar units, or repair other radar units which may become inoperable due to the heavy use by the 43 officers whom will conduct enforcement with this grant. If provided, the Raytown Police Department will be able to offer an additional radar unit for patrol officers to use in the field , thus subduing hazardous driving in the form of speed, and other forms careless and imprudent driving on highways and residential streets. The use of radar instruments also aids in the detection and apprehension of impaired drivers, and reduces the amount of injury and non-injury crashes within the city limits.

PROJECT EVALUATION

The MHTC will administratively evaluate this project. Evaluation will be based, at a minimum, upon the following:

1. Law enforcement compliance with state UCR, Racial Profiling, and STARS reporting requirements (law enforcement contracts only)
2. Timely submission of monthly reimbursement vouchers and appropriate documentation to support reimbursement for expenditures (i.e., personal services, equipment, materials)
3. Timely submission of periodic reports (i.e., monthly, quarterly, semi-annual) as required
4. Timely submission of the Year End Report of activity (due within 30 days after contract completion date)
5. Attaining the Goals set forth in this contract*
6. Accomplishing the Objectives* established to meet the project Goals, such as:
 - Enforcement activities (planned activities compared with actual activities)
 - Programs (number and success of programs held compared to planned programs, evaluations if available)
 - Training (actual vs. anticipated enrollment, student evaluations of the class, student test scores on course examinations, location of classes, class cancellation information)
 - Equipment purchases (timely purchase of equipment utilized to support and enhance the traffic safety effort; documentation of equipment use and frequency of use)
 - Public awareness activities (media releases, promotion events, incentive items or education materials produced or purchased)
 - Other (any other information or material that supports the Objectives)
7. The project will be evaluated by the Highway Safety and Traffic Division through annual crash analysis.

Evaluation results will be used to determine:

- The success of this type of activity in general and this particular project specifically;
- Whether similar activities should be supported in the future; and
- Whether grantee will receive funding for future projects.

*Evaluation and requests to fund future projects will not be based solely on attaining Goals and/or Objectives if satisfactory justification is provided.

The Raytown Police Department will focus on timely submission of reimbursement vouchers on a monthly basis, providing the proper documentation to support reimbursement expenditures. The public will also be made aware of the focus by police in "high crash" areas using social media, and media releases.

**CITY OF RAYTOWN
Request for Board Action**

Date: February 15, 2018

Resolution No.: R-3065-18

To: Mayor and Board of Aldermen

From: Damon Hodges, Director of Public Works

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Board of Aldermen approval of the Public Works Mowing Project low bid of Infinity Building Services.

Recommendation: Staff recommends approval as submitted.

Analysis: The Public Works Department received 3 sealed bids that were opened on Tuesday, February 6 at 2:00pm. Infinity Building Services is the lowest, responsive, responsible bidder with a base bid of \$22,100.00 and is being recommended for approval.

The Public Works Department will have the contractor mow 34 areas throughout the City. Each location will be paid per the contract unit costs. The number of times each area is mowed will depend on the weather.

During Fiscal Year 2013-14, \$18,913.00 was spent by the Public Works Dept.
During Fiscal Year 2014-15, \$15,440.00 was spent by the Public Works Dept.
During Fiscal Year 2015-16, \$13,974.00 was spent by the Public Works Dept.
During Fiscal Year 2016-17, \$15,615.00 was spent by the Public Works Dept.

We are requesting an increase in the approved amount for possible expenses with our annual mowing project. Our request is to make an approved amount to spend of \$28,000.00, which is equal to our budgeted amount.

Alternatives: Do not approve the project and direct staff to seek alternate methods or contractors.

Budgetary Impact:

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

Fund:	General Fund
Account:	101-62-00-100-53600
Amount to Spend:	\$28,000.00

Additional Reports Attached: Bid results list, and the detailed bid tabulation.

A RESOLUTION AUTHORIZING AND APPROVING THE CONTINUATION OF AN AGREEMENT WITH INFINITY BUILDING SERVICES FOR MOWING SERVICES IN AN AMOUNT NOT TO EXCEED \$28,000.00 BUT WITHIN BUDGETED AMOUNTS FOR FISCAL YEAR 2017-2018

WHEREAS, the City solicited sealed bids from qualified firms interested in providing mowing services to the City of Raytown; and

WHEREAS, the City received three (3) sealed bids in response which were opened on February 2, 2018; and

WHEREAS, Infinity Building Services submitted its bid and was determined to be the lowest and best bidder qualified to provide such services; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to authorize and approve an agreement with Infinity Building Services in an amount not to exceed \$28,000.00 for fiscal year 2017-2018;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT a continuation of an agreement for mowing services with Infinity Building Services as set forth in "Exhibit A" for such purposes in an amount not to exceed \$28,000.00 for fiscal year 2017-2018 is hereby authorized and approved;

FURTHER THAT the City Administrator is hereby authorized to execute all documents necessary and to take any and all actions necessary to effectuate the terms of the contract and the City Clerk is authorized to attest to the same.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 20th day of February, 2018.

Michael McDonough, Mayor

ATTEST:

Teresa M. Henry, City Clerk

Approved as to Form:

George E. Kapke, City Attorney

CITY OF RAYTOWN
Request for Board Action

Date: February 15, 2018 **Resolution No.:** R-3066-18
To: Mayor and Board of Aldermen
From: Damon Hodges, Director of Public Works

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Board of Aldermen approval of the expense for a pavement analysis and condition report from Stantec based off the MACPP cooperative contract.

Recommendation: Staff recommends approval as submitted.

Analysis: The City of Raytown last received a comprehensive pavement analysis and condition report in 2002. This proposed update will allow staff to establish a more comprehensive plan for street maintenance, with a variety of recommended treatments from chip seal, to different types of micro-surfacing, to mill and overlay, etc.

Staff is recommending BOA approval to be 20% higher than this estimate, to cover unforeseen circumstances that may arise with this work. $\$29,875.00 + 20\% = \$35,850.00$. If another nearby community uses Stantec, then this could possibly lower our cost.

Local cooperative procurement agreement with the Mid-America Council of Public Purchasing is attached.

The Public Works Dept. has budgeted \$60,000.00 for Pavement Condition Analysis in FY2018.

Alternatives: Do not do the project and not have pavement ratings.

Budgetary Impact:

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

Fund:	Transportation Sales Tax Fund
Account Number:	204.62.00.100.52250
Amount to Spend:	\$35,850.00

Additional Reports Attached: Cooperative contract and Stantec quote.

A RESOLUTION AUTHORIZING AND APPROVING THE EXPENDITURE OF FUNDS WITH STANTEC CONSULTING SERVICES, INC. UTILIZING THE MID-AMERICA COUNCIL OF PUBLIC PURCHASING COOPERATIVE CONTRACT FOR A PAVEMENT ANALYSIS AND CONDITION REPORT IN AN AMOUNT NOT TO EXCEED \$35,850.00 FOR FISCAL YEAR 2017-2018

WHEREAS, the City of Raytown's last comprehensive pavement analysis and condition report was in 2002; and

WHEREAS, an updated report will allow staff to establish a comprehensive plan for street maintenance; and

WHEREAS, the City of Raytown in the adoption of its purchasing policy has approved the practice of purchasing equipment and supplies and services from competitive bids awarded by other governmental entities through a competitive bidding process; and

WHEREAS, the Mid-America Council of Public Purchasing has competitively bid the services of pavement analysis and has determined Stantec Consulting Services, Inc. to be the most competitive bid; and

WHEREAS, the Board of Aldermen finds it is in the best interest of the citizens of the City of Raytown to authorize and approve the expenditure of funds with Stantec Consulting Services, Inc. utilizing the Mid-America Council of Public Purchasing cooperative contract for pavement analysis services in an amount not to exceed \$35,850.00 for fiscal year 2017-2018;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the expenditure of funds with Stantec Consulting Services, Inc. utilizing the Mid-America Council of Public Purchasing cooperative contract for pavement analysis services in an amount not to exceed \$35,850.00 for fiscal year 2017-2018 is hereby authorized and approved; and

FURTHER THAT the City Administrator is hereby authorized to execute any and all documents necessary in connection with this agreement and the City Clerk is authorized to attest thereto.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 20th day of February, 2018.

Michael McDonough, Mayor

ATTEST:

Teresa M. Henry, City Clerk

Approved as to Form:

George E. Kapke, City Attorney

Stantec Consulting Services Inc.

Dear Mr. Hodges,

Reference: City of Raytown Automated Pavement Condition Survey

As per our recent discussions, Stantec Consulting Services Inc. is pleased to provide the following quotation to conduct a pavement condition survey for the City of Raytown, Missouri.

PROJECT OVERVIEW

The primary goal of this assignment is to assess the pavement condition of City-maintained streets by means of an automated data collection vehicle.

The project would primarily consist of a pavement condition evaluation using Stantec's RT3000 automated pavement data collection technology. The pavement condition data would be collected and subsequently processed and analyzed to determine a Pavement Condition Index (PCI), for all block-to-block road segments, within the City.

PAVEMENT DATA COLLECTION

Stantec's Road Tester 3000 (RT3000) incorporates the latest in mobile laser, GPS, and crack recognition technology. The RT3000 is a fully mobile solution specifically developed to accurately and efficiently collect pavement condition data. Integrated with lasers, inertial GPS, and high-definition digital imagery, the RT3000 can simultaneously collect pavement profile, rutting, surface distress, roadway geometrics, pavement and ROW imagery, and infrastructure assets.

Reference: City of Raytown Automated Pavement Condition Survey

Roughness and Rutting

The RT3000 incorporates an ASTM E950 certified Class I profiler configured to capture longitudinal profile measurements and International Roughness Index (IRI) determinations in both wheel paths.

The collection of longitudinal profile/roughness data is fully automated. The IRI data is collected continuously and can be summarized at specific intervals. Typically, the IRI data is expressed in terms of a **Ride Comfort Index (RCI)**, whereby the IRI data is correlated against people's perception of ride quality on a 0 to 100 score.

The specialized profile measurement system, mounted on the front bumper of the RT3000 survey vehicle, employs two sensing devices:

1. **Laser height sensors** that measure the distance between the vehicle and the pavement surface, while the vehicle is traveling at posted speeds or less.
2. **Accelerometers** that measure the vertical acceleration of the vehicle as it bounces in response to the pavement surface profile.

The RT3000 measures transverse profile and rut depths, using high precision, laser-based, height-measuring sensors. The lasers on either end of the rut bar are angled to provide the complete transverse profile across the traveled lane, without the need for extension pods. Extension pods can pose a hazard to other drivers, cyclists, and pedestrians.

Laser Crack Measuring System (LCMS)

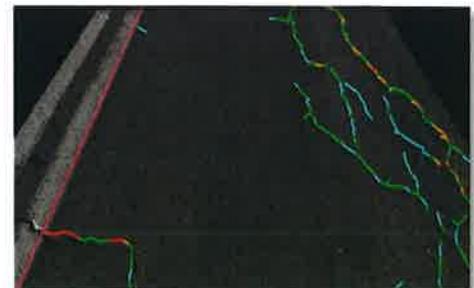

Stantec's equipment can collect all physical pavement surface defects, utilizing our RT3000's Laser Crack Measuring systems (LCMS) and downward imaging technology.

Stantec's LCMS uses laser line projectors, high speed cameras, and advanced optics, to acquire high resolution 3D profiles of the road. This unique 3D vision technology allows for automatic pavement condition assessments of asphalt, porous asphalt, chip seal, and concrete surfaces.

The LCMS acquires both 3D and 2D image data of the road surface with 1mm resolution, over a 13-foot lane width, at survey speeds up to 60 mph.

The pavement imagery captured by the RT 3000 is subsequently post-processed through Stantec's Imaging Workstation. This system was specifically designed for pavement surface analysis, using both the 3D and 2D pavement imagery components of the LCMS, as well as the collected ROW images. The Imaging Workstation expedites

Reference: City of Raytown Automated Pavement Condition Survey

the distress rating process with built-in tools and synchronized images, from multiple cameras. The software is used to detect and analyze cracks, lane markings, ruts, macro-texture, patches, raveling, and potholes. As a result, each distress is **measured**, not estimated, and tagged with a linear reference and corresponding GPS coordinates. The distress data is collected continuously and summarized at user-defined intervals.

Distress Rating Protocols

For this project, pavement distresses will be evaluated using the industry standard ASTM D6433 distress rating protocol. Captured surface distress will be categorized into three levels of severity (Slight/Moderate/Severe) and measured units of extent (Length/Area/Count), for each distress type.

ASTM D6433 Pavement Distresses

Flexible Pavements	Rigid Pavements
<ul style="list-style-type: none">• Patching• Rippling & Shoving• Raveling & Weathering• Flushing & Bleeding• Distortion (Bumps/Depressions)• Excessive Crown• Progressive Edge Cracking• Alligator Cracking• Potholes• Block/Map Cracking• Longitudinal Cracking• Transverse Cracking• Wheel Track Rutting	<ul style="list-style-type: none">• Patching• Scaling• Raveling & Weathering• Polishing• Distortion• C&D Cracking• Coarse Aggregate Loss• Potholes• Joint Sealant Loss• Linear Cracking• Transverse Cracking• Joint Spalling• Joint Faulting/Stepping

Each distress severity and distress extent combination will be processed to determine a distress density. Using the individual distress densities and ASTM deduct models, a **Pavement Condition Index (PCI)** will be computed for each roadway section.

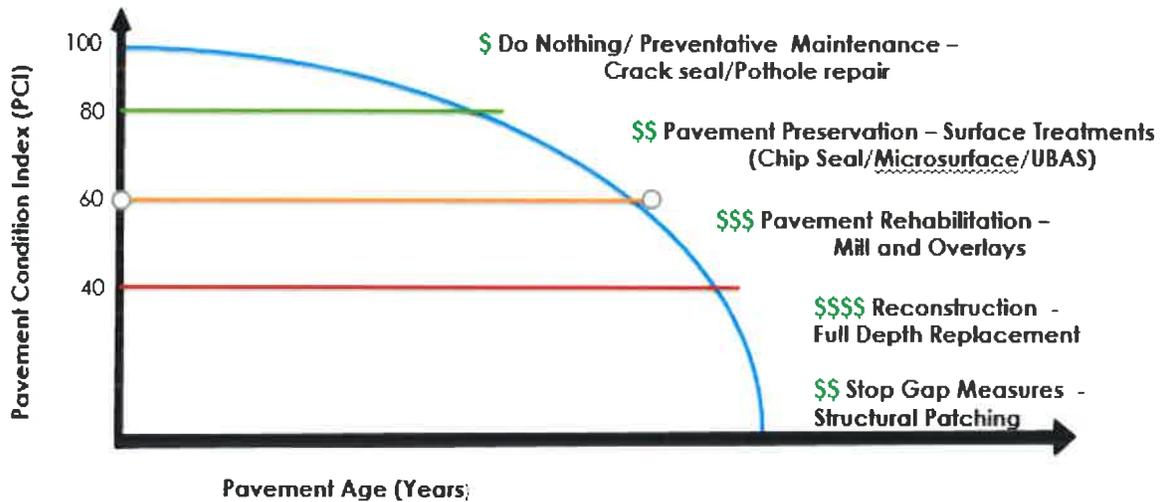

Note: All roads are evaluated in a single driven lane for up to three lane wide streets. Roads with four or more lanes, or divided by a median, will be surveyed in the outer most lane, in both directions.

Reference: City of Raytown Automated Pavement Condition Survey

MAINTENANCE AND REHABILITATION NEEDS

The PCI score of a road also provides guidance as to the type of treatment and associated cost that is required to address the current condition, to maintain or bring the road to an adequate level of service.

Using the above approach and typical treatment costs, the **current** maintenance or rehabilitation needs and costs can be determined for each road segment, across the network. The table below provides an example of network needs based on PCI.

PCI	AC Treatments	Approx Cost
81 - 100	Do Nothing	\$ -
61 - 80	Surface Treatment	\$ 713,301.00
41 - 60	Mill and Overlays	\$ 2,482,970.00
0 - 40	Stop Gap Measures	\$ 877,107.00
Total		\$ 4,073,378.00

DELIVERABLES

The deliverable to the City will be a street section listing (xlsx or mdb format) with sectional average IRI values, distress severity and extent summations, resulting RCI and PCI scores, and maintenance and rehabilitation treatment needs and associated costs. A GIS shapefile of RCI, PCI, and treatment needs will also be provided if the City can provide Stantec with a GIS road centerline file. A project summary report will also be provided.

December 7, 2017

FEE SCHEDULE

The following fee schedule is based on the project scope stated herein. All fees are exclusive of any applicable taxes.

Task #	Task Description	Task Fee
1	Project Initiation and Survey Setup	\$ 4,000
2	RT Crew Mobilization and Calibration	\$2,500
3	RT Pavement Survey on approximately 330 lane miles (165 test miles)	\$16,500
4	Data Processing and RCI/PCI Determination	\$4,125
5	Maintenance and Rehabilitation Needs Analysis	\$2,750
*Total:		\$ 29,875

*Project fees are lump-sum and will be invoiced on a percent complete bases.

SCHEDULE

The following timelines are anticipated for this assignment.

- Pavement Condition SurveyFebruary 2018
- PCI Determinations/M&R Needs Analysis.....April 2018

TERMS AND CONDITIONS

No work will begin until a mutually acceptable Contract has been executed with the City. Any City-supplied Contract, Services Agreement, or Purchase Order Terms will require Stantec's review and approval by our Risk Management team, prior to execution. This quotation will remain valid for 90 days.

Request for Board Action

Date: February 15, 2018

Resolution No.: R-3067-18

To: Mayor and Board of Aldermen

From: Damon Hodges, Director of Public Works

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Utilize the Storm Water Fund budget to allocate \$49,960.00 from Repair and Maintenance Services in the Storm Water Fund for emergency storm water repairs.

Recommendation: Staff recommends approval as submitted.

Analysis: On Tuesday, January 30, 2018 the City of Raytown was informed of a sinkhole in the roadway in front of 10901 E. 75th Street. Later this same day, the Public Works Department (PWD) crews barricaded the area and then placed steel road plates to open the road back up to traffic.

PWD reached out to Jerry Wiedenmann of Wiedenmann Inc. to make a site visit and begin the process of writing an estimate for the repairs. PWD received the attached proposal from Wiedenmann Inc. on Thursday, February 1st for \$39,960.00. This is not a proposal or a not to exceed amount but, is a construction estimate based on a time and materials cooperative agreement being utilized through the City of Lee's Summit.

The attached emergency memo approved by Tom Cole adds a \$10,000.00 contingency amount to cover unforeseen circumstances that may arise with this work.

The Fiscal Year 2017-2018 Storm Sewer Fund, Repair and Maintenance Services, Emergency Storm Water Repairs, is budgeted with \$125,000.00. Of the budgeted amount, \$19,579.96 has been spent on the repairs at 8609 E. 84th Terr and \$48,045.00 was spent on the repairs at 5520 Crescent. These previous projects total \$67,625.00, leaving \$57,375.00 available.

There is another \$100,000.00 in the Fiscal Year 2017-2018 Storm Water Fund budget for regular Storm Water Repairs and Maintenance.

Alternatives: N/A

Budgetary Impact:

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

Fund: Storm Water Fund
Account Number: 401.62.00.100.53600
Amount to Spend: not to exceed \$49,960.00

Additional Reports Attached: Emergency Memo, Pictures, Location Map, and Wiedenmann Inc. Estimate.

A RESOLUTION AUTHORIZING AND APPROVING THE PROFESSIONAL SERVICES OF STORM WATER INFRASTRUCTURE REPAIR IN THE CITY OF RAYTOWN, MISSOURI FROM WIEDENMANN, INC. UTILIZING THE CITY OF LEE'S SUMMIT, MISSOURI COOPERATIVE PURCHASE CONTRACT AND APPROVING PROJECT EXPENSES FOR 10901 E. 75th STREET IN AN AMOUNT NOT TO EXCEED \$49,960.00

WHEREAS, the City of Raytown periodically identifies storm water infrastructure that needs repair beyond staff capacity; and

WHEREAS, the City of Raytown in the adoption of its purchasing policy has approved the practice of purchasing equipment and supplies from competitive bids awarded by other governmental entities through a competitive bidding process; and

WHEREAS, the City of Lee's Summit, Missouri has competitively bid the repair services of water, wastewater and storm water and has determined Wiedenmann, Inc. to be the most competitive bid; and

WHEREAS, the City of Raytown currently has a storm water repair project located at 10901 E. 75th Street and would like to utilize the services of Wiedenmann, Inc. in an amount of \$49,960.00 for such purposes; and

WHEREAS, the Board of Aldermen finds it is in the best interest of the citizens of the City of Raytown to authorize and approve the professional services of storm water infrastructure repair from Wiedenmann, Inc. utilizing the City of Lee's Summit, Missouri cooperative purchase contract and approve project expenses for 10901 E. 75th Street in an amount not to exceed \$49,960.00;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the professional services of storm water infrastructure repair from Wiedenmann, Inc. utilizing the City of Lee's Summit, Missouri cooperative purchase contract and approving project expenses for 10901 E. 75th Street in an amount not to exceed \$49,960.00, is hereby authorized and approved; and

FURTHER THAT the City Administrator and/or his designee is authorized to execute all documents necessary to these transactions and the City Clerk is authorized to attest thereto.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 20th day of February, 2018.

Michael McDonough, Mayor

Inter-office Memorandum

Date: February 1, 2018

To: Tom Cole
Cc: Jason Hanson

From: Damon Hodges
Director of Public Works

Re: Sinkhole located at 10901 east 75th street

Tuesday January 30, 2018 public works staff discovered a sinkhole in 10901 east 75th street. David Haldiman requested an immediate site visit by myself and Tony Mesa to investigate the situation and determine the cause. Upon arrival it was determined that there was and is a sinkhole approximately five feet in diameter and nearly four feet deep, I directed staff to secure the site with plates and additional signage then perform further investigations into the cause and scope of the damage to the roadway.

Staff was able to survey the situation and determine that there is an unmapped stone box culvert under 75th street that is failing and will need to be removed and replaced. After reviewing the pictures, measurements and accounts of the condition from staff I believe this is an emergency repair that needs to move forward as quickly as possible.

Staff contacted Wiedenmann Inc. to get an estimate for removing the existing box culvert, south curb inlet structure and replacing them with new pipe, curb inlet structure and repairing the roadway. We received an estimate of \$39,960.00 from Wiedenmann Inc based on the Lee's Summit cooperative contract. Due to the current condition of the unmapped structure there is potential for additional work beyond original scope. I am requesting this project be declared an emergency and funding of be allocated in the amount of \$49,960.00 for this emergency repair and Public Works be granted authority to proceed with the repair.

Respectfully,

A handwritten signature in blue ink that reads "Damon Hodges".

Damon Hodges
Director of Public Works

Approval (Purchasing Policy Section 2 & 6):

A handwritten signature in black ink, appearing to be "Tom Cole".

RE: 10901 E. 75th St – Storm Sewer Repair

Pursuant to your request and our site meeting on 1-30-18, we hereby submit the following budget price to remove a 3' x3' curb inlet, 42lf of existing stone box culvert and CMP and install approximately 42lf of 36" HDPE storm sewer pipe and one 5x4 curb inlet. This price includes connection to upstream CMP, connection to existing area inlet on the north side of 75th St., curb inlet throat, full depth concrete patch, traffic control, and seed & fertilizer restoration.

The total budget value of this work is:

\$39,960.00

Thirty-Nine Thousand Nine Hundred and Sixty Dollars and No Cents

For cost feasibility, Wiedenmann Inc believes that the stone box culvert cannot easily be saved. It will cost more to save the existing stone box culvert than it will to completely remove and replace with new HDPE. Due to flowline change of existing storm sewer we will verify grade and utility conflicts before purchasing materials.

We understand this is a budget price for the scope of work, and the actual work will be completed on a Time and Material Basis.

We appreciate the opportunity to price and perform work for The City of Raytown.

Please call with questions.

Sincerely
Wiedenmann Inc.

Daniel Forbes
