ADJOURNMENT

City of Raytown, MO 2018 Pavement Evaluation

June 19, 2018

Pavement Management Reality

- Roads make up a large portion of Raytown's infrastructure and, thus, its annual capital and operating expenditures
- The Replacement Value of Raytown's roadways would be over \$460 Million

Pavement Management Reality

- Pavements will continue to deteriorate due to various factors:
 - Degradation of the existing roadway construction materials due to age and continual use
 - Environmental and climatic conditions
 - Traffic loading (number and frequency of large vehicles)
 - Limited funding for Maintenance and Rehabilitation (ex. mill and overlay)

Project Objectives

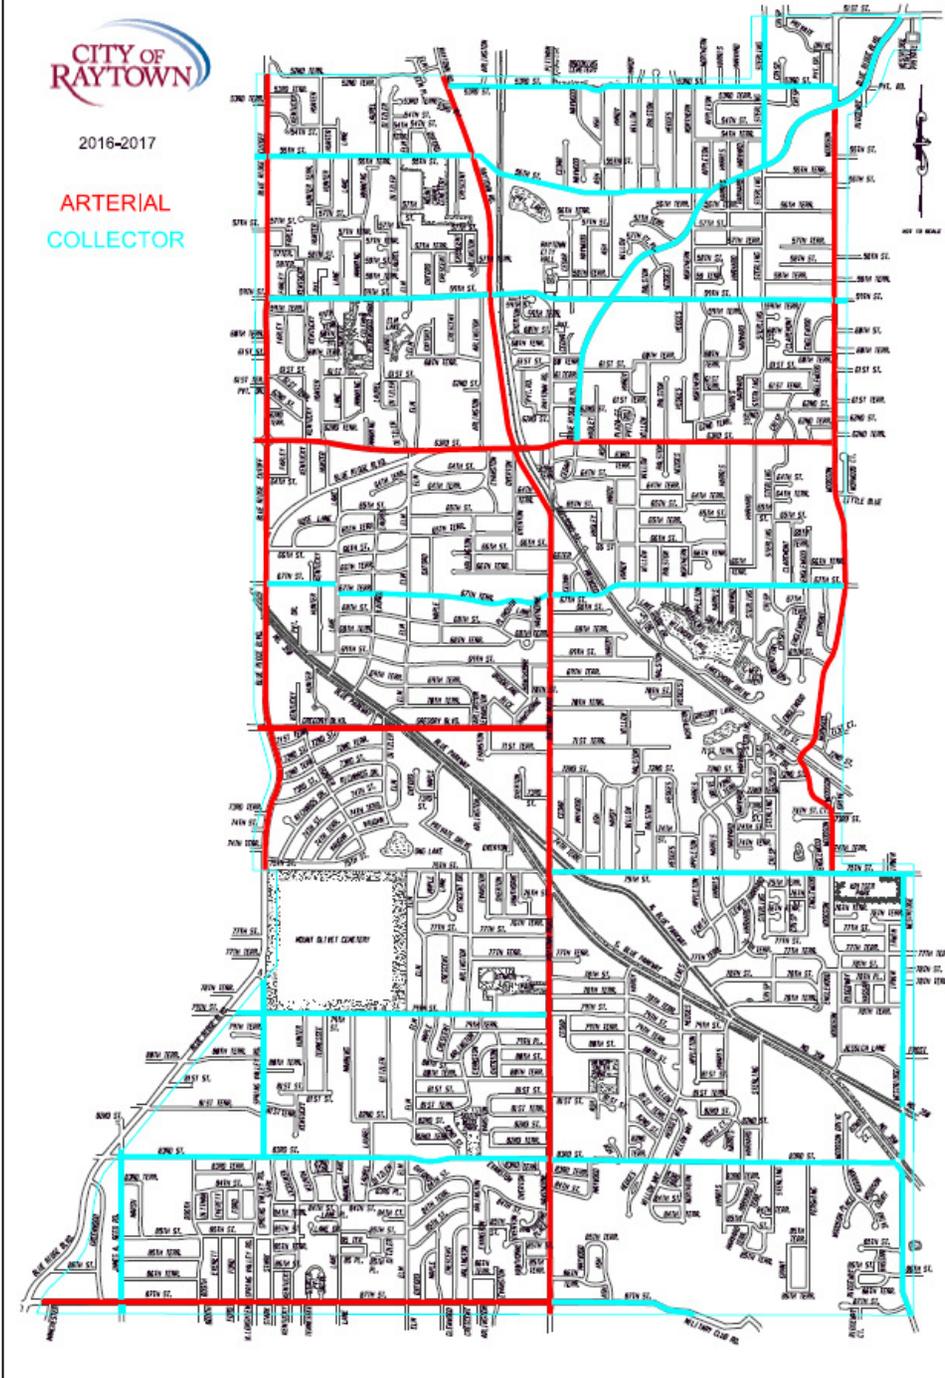

Answer key questions with respect to the City of Raytown's road network:

- What do we have as a roadway system?
- What condition is the roadway system in?
- What work needs to be done?
- Estimated Costs?
- Pavement Management Recommendations?

2016-2017

ARTERIAL
COLLECTOR

What do we have?

City Maintained...

- Approx. 330 lane-miles
 - Arterial = 52 lane-miles
 - Collector = 38 lane-miles
 - Local = 240 lane-miles

What Condition Is Our Network In?

- Automated Pavement Data Collection
 - Objective
 - Accurate
 - Repeatable
 - Cost-effective

Pavement Condition Data Collection

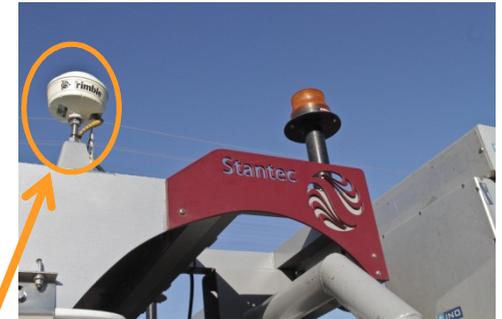

- Certified Class I profilometer (ASTM E950)
- Accelerometer and laser in each wheel path capture longitudinal profile (IRI)
- All lasers across instrument enclosure provide transverse profile and rutting information

Pavement Condition Data Collection

Downward imaging captures pavement images for distress rating

All data tagged with GPS and linear reference

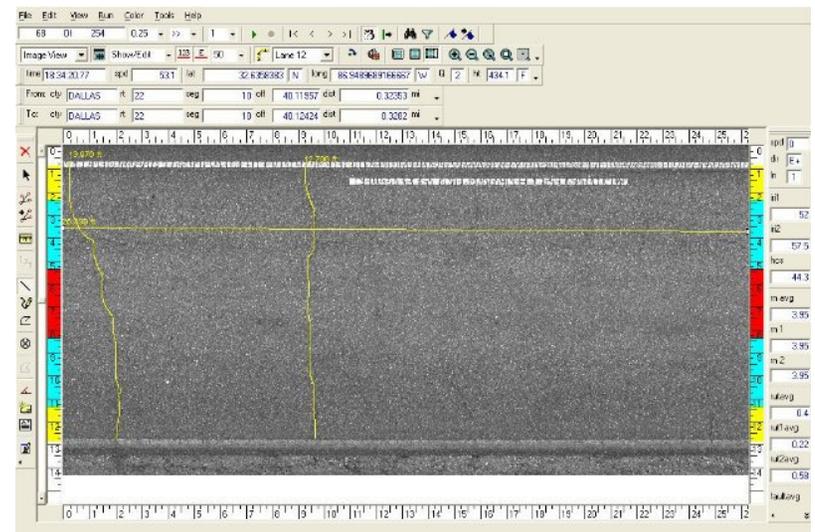

Laser sensors measure longitudinal and transverse profile (IRI and Rutting)

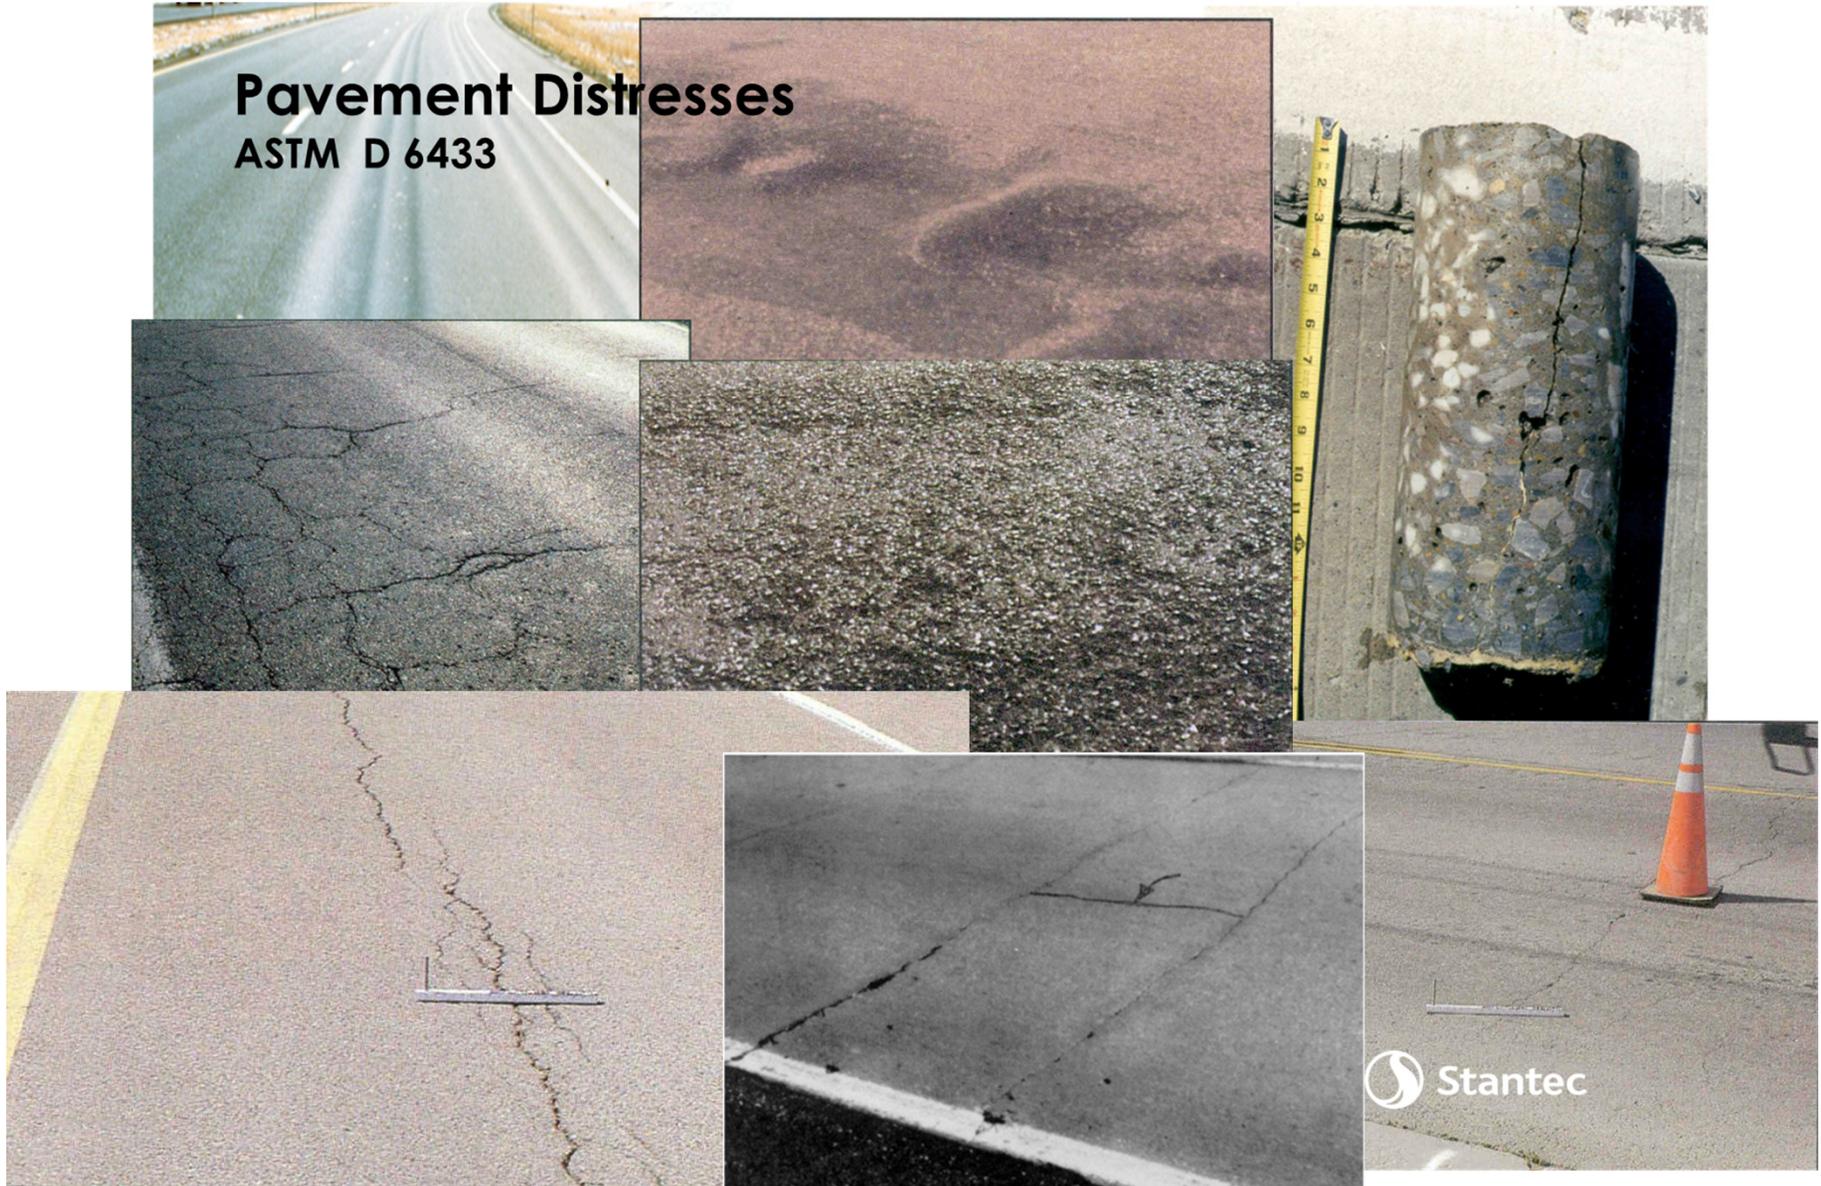

360 camera capture right-of-way images for distress rating and QA/QC

Pavement Condition Data Collection

- Downward pavement imaging collected at traffic speeds
- Uniform illumination using non-visible lasers
- Continuous pavement coverage of the traveled lane
- All data is linked by GPS ensuring 100% coverage of road network
- Synchronized with Right of way images and sensor data

Distress Rating – Pavement Imagery

- Distresses are measured according to ASTM protocols
- Distresses are identified by both shape (lines for linear distress such as longitudinal or transverse cracking, boxes for area distress such as alligator or patching) and green/yellow/red colors to identify the severity

Distress Rating – Pavement Imagery

- Each individual distress is categorized by Severity (How Bad?) and Extent (How Much?)
- The condition data is processed continually at 100 foot intervals

Performance Indicators

RCI (Ride Comfort Index)

- Model that normalizes profile measurements to the “rideability” of a road (0-100 scale)
- IRI is a standardized measure of a vehicle's suspension response to the changes in profile over a distance (in/mile)
- RCI model correlates these measurements to a human perception or “smoothness”

PCI (Pavement Condition Index)

- Industry standard (0 – 100 Scale)
- Measure of pavement surface deterioration from the distress ratings
- Some distresses heavily impact PCI
(Alligator/Edge Cracking/Severe Rut)
- Means of determining rehabilitation needs and strategies

“What if” Funding Scenarios

Summary

- Raytown's road network is currently considered in "Poor" condition with an average PCI=46
- Other Stantec clients in the greater KC area are averaging between PCI = 53 to PCI= 64
- Based on PCI, estimate **\$36.0 Million** worth of M&R needs today
- Network condition will likely continue to deteriorate without taking necessary action
 - Treatment selection & Funding
 - Estimate \$3.0M annually to achieve a PCI>55 over 10 years
- Update pavement condition data every 3 years
 - "Measure" your progress
 - Effectiveness of treatments

Summary

- **Pavement Management Strategies**
 - “Worst - First” approach – Reactive
 - significant increase in unit rates of rehabilitation strategies results in an accelerated deterioration of network.
 - Pavement Preservation – Proactive
 - Crack Seal/Surface Treatments
 - work towards targeting roads at “fair” to “good” condition to optimize available budgets and maximize pavement life
 - Able to address more roads for the same dollars

Section No.: XIX

Department Head Approval: _____

Finance Director Approval: _____

City Administrator Approval: _____

Analysis: This issue was first brought to the Board of Aldermen as a discussion item by Alderman Derek Ward. At that time, the item was referred to the Municipal Committee to study the issue and bring back a recommendation to the full Board.

The Municipal Committee reviewed the suggested changes to the current Fireworks Ordinance proposed by Alderman Ward in addition to hearing from Chief Matt Mace of the Raytown Fire Protection District.

The Municipal Committee recommended the following:

Alderman Van Buskirk, seconded by Alderman Black made a motion to recommend Alderman Ward's proposed changes to the current City Ordinance to the Board of Aldermen. The motion was approved by a vote of 5-0.

The additional amendment:

Following the Municipal Committee meeting on May 15, 2018, City Staff raised some concerns about some of the minor details implementing some of the zoning change proposals. By discussion with the various parties, a solution agreeable to the various parties was created and Section 20-51 (d) was additionally amended since the June 6, 2017 Board of Aldermen meeting.

The amendment allows sales of fireworks by charitable groups on their own property so long as the property is otherwise suitable for such sales, as approved by the fire code official, and such property is Commercial, Industrial or R1 zoned land.

The amendment would not allow charitable groups to sell fireworks on land zoned for medium or high density residential use, nor on any commercial, industrial or R1 zoned land where the parcel is too small or has other unique features that make the sales, in the fire code official's opinion, not appropriate.

Teresa we are in agreement with all proposed changes but would like to see either the days adjusted or increased to include the 5th of July. The reason for this is because we have twice had it rain on the 4th of July and people who legally purchased fireworks were faced with the dilemma of either teaching their kids it was ok to break the law or store a hundred dollars worth of fireworks in their garage for a year. Neither of these seems like a reasonable situation and by adding the 5th we cannot guarantee it still won't rain, but the odds are greatly reduced. The sale of fireworks would still cease on the 4th so the vast majority of the time the 5th of July won't even be much of a factor.

The second item we would like to see amended is Sec 20-51 Line (D), which requires zoning clearance. We would like to see property directly owned by the organization included as allowable, or some version of this language which would allow places such as the parking lot of the church that sponsors the Boy Scout Troop who is running the tent. Fire works are the only items that are regulated this way, churches are free to sell Christmas trees, funeral wreaths, and various other items without receiving zoning clearance. All of the same separation and safety restrictions would be maintained so there are not any safety impacts from this change. The real impact from this change is it allows the organization to retain more money from the sale, currently organizations often pay landlords \$3000-\$4000 for a weeks rent of a parking lot with the proper zoning. To further complicate matters now that we have seen an increase in development over the past 4-5 years these tent have encroached into parking spots needed to service retail establishments and often pose more of a problem to both the tenants and the organization running the tent.

I am planning to attend the meeting on the 15th at 6:00 to discuss this further if I am needed.

Professionally,

Matt Mace

RESOLUTION NO. 1422-04

1 A RESOLUTION ESTABLISHING RULES OF PROCEDURE FOR PUBLIC
2 COMMENT BEFORE THE BOARD OF ALDERMEN.
3

4 WHEREAS, the Board of Aldermen of the City of Raytown, in Section 2-39 of the Code
5 of Ordinances, has recognized that in order to enhance the concept of effective and democratic
6 government, it is essential that a legislative body exercise the power to preserve order and
7 decorum during legislative meetings so that the true deliberate process will not be disturbed; and
8

9 WHEREAS, the Board of Aldermen desires to adopt rules of procedure governing public
10 comment before the Board of Aldermen.
11

12 Now therefore, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF
13 RAYTOWN, MISSOURI, as follows:

14 Section 1. *Applicability.* The provisions of this resolution shall apply to general public
15 comment before the Board of Aldermen and to public comment in public hearings before the
16 Board of Aldermen, except public hearings required by the provisions of Section 89.050 of the
17 Missouri Statutes and/or the provisions of the Zoning Regulations of the City of Raytown.

18 Section 2. *Role of the Presiding Officer.* The presiding officer of the Board of Aldermen
19 shall chair the public meetings to hear public comments in an orderly and efficient manner and
20 shall use a gavel to maintain order if necessary. The presiding officer will call for public
21 comment when it appears in the order of business on an agenda.

22 Section 3. *Public Comment in the Order of Business.* An opportunity for public
23 comment will appear on agendas for regularly scheduled meetings and may appear on the agenda
24 for a work session or special meeting at the discretion of the presiding officer. After an ordinance
25 has had its second reading, and prior to the vote by the Board of Aldermen, either the Mayor or
26 an Alderman may call one person from the audience to comment on the ordinance while the item
27 is being considered. A person who is called from the audience to comment under this Section
28 may only provide facts that he or she knows first-hand. Second-hand information will not be
29 permitted. The time limits specified in this resolution shall apply.

30 Section 4. *Who may appear.* Any person may give public comment, either individually
31 or as a representative of an organization, at the time when "Public Comment" appears in the order
32 of business on an agenda.

33 Section 5. *Procedure for Public Comments.* Persons wishing to speak in "Public
34 Comment" are asked to sign in with their name and address prior to the meeting. Signing in is
35 not a prerequisite to speaking. The presiding officer shall first call those persons who have
36 signed in to speak, in the order they signed in. Any other person wishing to speak may follow.

RESOLUTION NO. 1422-04

1 Section 6. At the time for public comment, the presiding officer shall ask persons
2 wishing to speak to step to the podium. Any person who speaks is required to give his or her
3 name, address, and if appearing on behalf of a group or organization, the name of the group or
4 organization. Speaking from the audience is not permitted. A person must be at the podium and
5 recognized by the presiding officer prior to speaking. Only one person shall speak at a time.
6 Comments should be directed to the Mayor and Board of Aldermen as a body and not to any
7 individual person.

8 Section 7. *Time Limitations for Public Comment.* Comments by persons are limited to
9 five (5) minutes for individuals and ten (10) minutes to persons representing a group of three or
10 more individuals. The presiding officer may permit the comments to continue after the time
11 limits, but should also give guidance to the speaker to wrap up their comments. A question and
12 answer period is not included in the speaker's time limit. An individual shall have one
13 opportunity per meeting to make their comments; repeated trips to the podium are not permitted.
14 If public comments continue for more than thirty (30) minutes, remaining public comments may
15 be carried over to a later time in the meeting at the discretion of the presiding officer.

16 Section 8. *Subject of Comments.* Comments shall be limited to city business, i.e. issues
17 within the Board of Aldermen's control. Comments shall be limited to issues appearing before
18 the Board of Aldermen on that agenda or issues of general interest in the community. No person
19 shall use public comment as an opportunity to speak regarding matters currently under the
20 jurisdiction of the municipal court. No person shall use public comment as an opportunity to
21 advertise any personal business, phone number, website, or email address, unless such
22 information is specifically requested by a member of the Board of Aldermen or the Mayor. No
23 person shall use public comment as an opportunity to make a personal attack against an elected
24 official or any other person. Persons who have a question or complaint about City services
25 should address their questions or complaints first by talking privately with the appropriate City
26 Department, second by talking privately with the City Administrator and then by addressing the
27 Board of Aldermen only if Staff has not resolved the question or complaint.

28 Section 9. *Conduct of the Board of Aldermen.* Members of the Board of Aldermen
29 shall not interrupt a person speaking in public comment. Members of the Board of Aldermen
30 may, when the speaker is finished and upon being recognized by the presiding officer, ask for
31 clarification or respond to a speaker's comments. Members of the Board of Aldermen shall allow
32 a speaker to finish before conducting any question and answer period.

33 Section 10. *Enforcement.* The presiding officer is responsible for enforcing the
34 provisions of this resolution. Persons who disrupt the public meeting may be removed.

35 Section 11. That all resolutions or parts of resolutions in conflict with this resolution are
36 hereby repealed.

CITY OF RAYTOWN
Request for Board Action

Date: June 13, 2018
To: Mayor and Board of Aldermen
From: Jason Hanson, City Engineer

Resolution No.: R-3107-18

Department Head Approval: _____

Finance Director Approval: _____ (only if funding is requested)

City Administrator Approval: _____

Action Requested: Authorization to enter into an agreement with Central Salt LLC for future purchase of 700 tons of salt at the rate of \$61.75 per ton.

Recommendation: Staff recommends approval of the low bid.

Analysis: The City of Raytown staff advertised salt supply bids for the upcoming 2018-2019 winter season. Salt bids must be put out in the spring due to supply allocation procedures practiced throughout the industry.

The bid was advertised in the newspaper, on our web page, and via e-mail and phone correspondence with known salt companies in the mid-west area. Bid information was sent to seven companies, and five submitted responses including two no-bids. Bids were opened on May 24, 2018, and the low bid was from Central Salt LLC in the amount of \$43,225.00 at a unit price of \$61.75 per ton.

Purchases will not occur until the beginning of the 2018-2019 fiscal year. Purchasing authority will be requested prior to placing the salt order and is pending the approval of the 2018-2019 Budget.

Staff recommends approval of the agreement with Central Salt LLC.

The Public Works Dept. plans to budget \$60,000.00 for salt in fiscal year 2018-2019.

In fiscal year 2016-2017 Pubic Works spent \$50,134.05 on salt and in fiscal year 2017-2018, Public Works spent \$50,835.40 on salt.

Alternatives: Solicit bids later in the year - this would risk elevated costs and/or yield no bids.

Budgetary Impact:

A RESOLUTION AUTHORIZING AND APPROVING AN AGREEMENT WITH CENTRAL SALT LLC FOR THE PURCHASE OF SALT FOR THE PURPOSE OF TREATING ROADS AND BRIDGES IN INCLEMENT WEATHER

WHEREAS, the City of Raytown (the "City") issued an invitation to bid on its 2018-2019 Road Salt to treat roads and bridges within the City in inclement weather; and

WHEREAS, the Public Works Department received five (5) bids in response to the invitation and has determined that the bid submitted by Central Salt LLC in the amount of \$61.75 per ton was the most advantageous bid received; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to approve an agreement to purchase salt from Central Salt LLC in the amount of \$61.75 per ton;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the Board of Aldermen find it is in the best interest of the City to authorize and approve an agreement to purchase salt from Central Salt LLC in the amount of \$61.75 per ton; and

FURTHER THAT the City Administrator is hereby authorized to execute any and all documents and to take any and all actions necessary to effectuate the terms of the Agreement and exercise the authority granted herein on behalf of the City and the City Clerk is authorized to attest thereto.

Request for Board Action**

Date: June 13, 2018
To: Mayor and Board of Aldermen
From: Chief of Police James Lynch

Resolution No.: R-3108-18

Department Head Approval: _____

Finance Director Approval: _____ (only if funding requested)

City Administrator Approval: _____

Action Requested: Authorize spending in excess of \$15,000.00 with one vendor (Digital Ally) but not to exceed fiscal year 2017-2018 budgeted amounts

Recommendation: Approve the Resolution – Approved by Special Sales Tax Review Committee on May 8, 2018.

Analysis: The Police Department maintains an operational audio/video recording unit in each marked police unit. These recordings are used to record, collect, retain and accurately report details of official police activities. In-car audiovisual recording systems record officer-citizen contacts, arrests and critical incidents. Audio and video recordings enhance this department's ability to review probable cause for arrest, officer and suspect interaction and evidence for investigative and prosecutorial purposes. In-car audiovisual recording systems may also be useful in documenting crime and accident scenes or other events that include the confiscation and documentation of evidence or contraband. In-car audiovisual recording systems have the potential to reinforce community relations, lower the number of citizen complaints, defend officers against false accusations, increase agency accountability, and improve officer training and evaluation.

Our current camera system is outdated, and all the cameras are over 4 years old. We are requesting to purchase 7 DVM 800HD Camera Systems with 7 additional DVM-928 MICS and one wireless access point. This will allow the Police Department to upgrade 7 marked police units with the new camera system. The wireless access point will allow automatic upload while the vehicle is parked in our police parking lot.

Alternatives: Not upgrade the camera system and risk equipment failure
