Request for Board Action

Bill No.: 6548-20

To: Mayor and Board of Aldermen

Section No.: XIII

From: Chris Gilbert, Planning & Zoning Coordinator

Department Head Approval: _____

Finance Director Approval: _____ (Only if funding is requested)

City Administrator Approval: _____

Action Requested: None. The applicant has provided a written statement that they are no longer moving forward with the application for a Conditional Use Permit for Barb's Event Space at 6614-A Blue Ridge Blvd.

Recommendation: None. The applicant does not plan on moving forward with the application.

Analysis: The applicants were requesting Conditional Use Permit (CUP) approval for an assembly use in a lease suite at a shopping center property located in a Highway Commercial (HC) zoning district at 6614-A Blue Ridge Blvd. Per the City's land use table, assembly uses require a CUP. The site upon which the subject lease space is located is presently owned by Dr. Isac Rosenberg. The applicants intended to utilize the property for personal parties and events for family members and additionally lease the suite to others for use as an event space when the space isn't being used for family events.

On May 5, 2020, the Board of Aldermen opened the public hearing and considered the first reading of the Ordinance. By unanimous decision (10-0), the Board voted to postpone the public hearing to May 19, 2020.

On May 19, 2020, the Applicant requested that the matter be postponed to July 21, 2020 in order to obtain an architectural analysis of the interior renovations to address code issues identified by the Raytown Fire District and the City of Raytown Building Official. The continuance was granted. This architectural analysis had not been submitted as of July 14, 2020.

On July 14, 2020, Lateasha Randle, an applicant for the CUP, sent an email, included with this RBA, that states Ronnie White, her co-applicant, "does not plan on continuing the CUP for Barb's Event Space."

Alternatives: There are no alternatives as the applicant has discontinued the application and no further action is required.

CITY OF RAYTOWN
Request for Board Action

Date: June 26, 2019
To: Mayor and Board of Aldermen
From: Missy Wilson, Assistant City Administrator

Bill No.: 6550-20
Section No.: IV-A

Department Head Approval: _____

City Administrator Approval: _____

Action Requested: Adopt the Ordinance.

Recommendation: Adopt the Ordinance.

Analysis: In 1991, the Missouri General Assembly adopted an ethics and personal financial disclosure law, which applied to all municipalities with an annual operating budget in excess of \$1 million. Under the law, municipalities were allowed to adopt their own simplified personal financial disclosure requirements by ordinance (commonly known as “short form” reporting). The financial disclosure reporting requirements apply to each elected official, the City Administrator (as the Chief Administrative Officer and Chief Purchasing Officer), the Director of Finance (as the Chief Financial Officer), the City Clerk, the full-time General Counsel, the Park Board, and the Parks and Recreation Director.

Each political subdivision desiring to use the “short form” is required to readopt the ordinance authorizing “short form” reporting every two years. However, in order to avoid the significant consequences of the failure to readopt the ordinance the recommended best practice is to adopt the ordinance annually.

The ordinance must be adopted by September 15 and a copy must be provided to the Missouri Ethics Commission.

Alternatives: Alternative is to not adopt and require “long form” reporting by officials of the City of Raytown.

AN ORDINANCE ESTABLISHING A PROCEDURE TO DISCLOSE POTENTIAL CONFLICTS OF INTEREST AND SUBSTANTIAL INTERESTS FOR CERTAIN MUNICIPAL OFFICIALS IN THE CITY OF RAYTOWN, MISSOURI

WHEREAS, the proper operation of municipal government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policy be made in the proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government; and

WHEREAS, in recognition of these goals, there is hereby established a procedure for disclosure by certain officials and employees of private financial or other interests in matters affecting the City; and

WHEREAS, State law requires that the procedure for disclosure of such interests be adopted by each public subdivision every two years and that a copy of the ordinance be provided to the Missouri Ethics Commission on or before September 15; and

WHEREAS, the City of Raytown has determined it is in the best interest of the citizens of the City to reaffirm its commitment to disclose such interests and adopt such procedures annually;

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – RE-ADOPTION OF CITY CODE SECTION 2-131. That Chapter 2, Administration, Article III, Officers and Employees, Division 2, Ethical Standards, Section 2-131, Disclosure reports, of the City Code is hereby adopted to read as follows:

Sec. 2-131. Disclosure reports.

Each elected official, the City Administrator (as the Chief Administrative Officer and Purchasing Officer), the Director of Finance (as the Chief Financial Officer), the City Clerk, the full-time General Counsel, the Park Board, and the Parks and Recreation Director, shall disclose the following information by May 1 if any such transactions occurred during the previous calendar year:

- (1) For such person, and all persons within the first degree of consanguinity or affinity of such person, the date and the identities of the parties to each transaction with a total value in the excess of five hundred dollars (\$500.00), if any, that such person had with the political subdivision, other than compensation received as an employee or payment of any tax, fee or penalty due to the political subdivision, and other than transfers for no consideration to the political subdivision.
- (2) The date and the identities of the parties to each transaction known to the person with a total value in excess of five hundred dollars (\$500.00), if any, that any business entity in which such person had a substantial interest, had with the political subdivision, other than payment of any tax, fee or penalty due to the political subdivision or transactions involving payment for providing utility service to the political subdivision, and other than transfers for no consideration to the political subdivision.

- (3) The City Administrator (as Chief Administrative Officer and Chief Purchasing Officer) shall also disclose by May 1 for the previous calendar year the following information:
- a. The name and address of each of the employers of such person from whom income of one thousand dollars (\$1,000.00) or more was received during the year covered by the statement.
 - b. The name and address of each sole proprietorship that he owned; the name, address and the general nature of the business conducted of each general partnership and joint venture in which he was a partner or participant; the name and address of each partner or co-participant for each partnership or joint venture unless such names and addresses are filed by the partnership or joint venture with the secretary of state; the name, address and general nature of the business conducted of any closely held corporation or limited partnership in which the person owned ten (10) per cent or more of any class of the outstanding stock or limited partnership units; and the name of any publicly traded corporation or limited partnership that is listed on a regulated stock exchange or automated quotation system in which the person owned two (2) percent or more of any class of outstanding stock, limited partnership units or other equity interests.
 - c. The name and address of each corporation for which such person served in the capacity of a director, officer or receiver.

SECTION 2 – RE-ADOPTION OF CITY CODE SECTION 2-132. That Chapter 2, Administration, Article III, Officers and Employees, Division 2, Ethical Standards, Section 2-132, Filing of disclosure reports, of the City Code is hereby adopted to read as follows:

Sec. 2-132. Filing of disclosure reports.

The disclosure report shall be filed at the following times, but no person is required to file more than one (1) report in any calendar year:

- (1) Each person appointed to office who is required to report under section 2-131 shall file the report within thirty (30) days of such appointment or employment.
- (2) Every other person required to file a report shall file the same annually no later than May 1 and the report shall cover the calendar year ending the immediately preceding December 31; provided that any member of the Board of Aldermen may supplement the report to disclose additional interests acquired after December 31 of the covered year until the date of filing the report.
- (3) The reports shall be filed with the City Clerk and the Ethics Commission. The reports shall be available for public inspection and copying during normal business hours.

SECTION 3 – CITY CLERK TO NOTIFY MISSOURI ETHICS COMMISSION. The City Clerk is hereby directed to provide a copy of this ordinance to the Missouri Ethics Commission on or before September 15, 2020.

SECTION 4 – REPEAL OF ORDINANCES IN CONFLICT. That all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 5 – EFFECTIVE DATE. That this ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____ day of July, 2020.
