Raytown Mayor Michael McDonough Delivered State of the City Address *Annual speech celebrates City's achievements*

(Raytown, Mo.) – On Thursday, Feb. 28, Raytown Mayor Mike McDonough presented his annual State of the City Address. More than 150 people attended the luncheon hosted by the Raytown Area Chamber of Commerce and Tourism. The event was held at Connection Point Church in Raytown.

“Community,” was this year’s theme. McDonough spoke on the accomplishments of each City department, as well as the Fire District, Raytown Schools and various non-profits that assist the community.

“Our team has worked tirelessly on making improvements to our City over the years,” McDonough said in his speech. He continued, “The elected officials have worked with the staff to identify and approve funding for the projects that have started or will soon, to improve infrastructure.”

McDonough concluded his speech with what’s next to include a week-long celebration of the City’s 75th birthday in July and preparing for the 2026 World Cup.
