SCHULTE DIRECTING ALL INDIVIDUALS LIVING IN JACKSON COUNTY, MISSOURI, EXCEPT KANSAS CITY, MISSOURI, TO STAY AT HOME AT THEIR PLACE OF RESIDENCE EXCEPT THAT THEY MAY LEAVE TO PROVIDE OR RECEIVE CERTAIN ESSENTIAL SERVICES OR ENGAGE IN CERTAIN ESSENTIAL ACTIVITIES AND WORK FOR ESSENTIAL BUSINESSES AND GOVERNMENTAL SERVICES; EXEMPTING INDIVIDUALS EXPERIENCING HOMELESSNESS FROM THE STAY AT HOME ORDER BUT URGING THEM TO FIND SHELTER AND GOVERNMENT AGENCIES TO PROVIDE IT; DIRECTING ALL BUSINESSES AND GOVERNMENTAL AGENCIES TO CEASE NON- ESSENTIAL OPERATIONS AT PHYSICAL LOCATIONS IN THE COUNTY; PROHIBITING ALL NON-ESSENTIAL GATHERINGS OF ANY NUMBER OF INDIVIDUALS.

**DATE OF AMENDED STAY AT HOME ORDER: APRIL 16, 2020**

Please read this Order carefully. Pursuant to §192.300 R.S.Mo. and §192.320 R.S.Mo., violation of or failure to comply with this Order is a class A misdemeanor punishable by fine, imprisonment, or both.

UNDER THE AUTHORITY GRANTED INDIVIDUALLY AND COLLECTIVELY BY THE RELEVANT PROVISIONS OF THE MISSOURI STATE CONSTITUTION, STATUTES, REGULATIONS, AS WELL AS BY RELEVANT PROVISIONS OF THE HOME RULE CHARTER OF JACKSON COUNTY AND COUNTY CODE PROVISIONS, INCLUDING, BUT NOT LIMITED TO: THE MISSOURI CODE OF STATE REGULATIONS, RULES OF DEPARTMENT OF HEALTH AND SENIOR SERVICES (19 CSR 20-20.020; 19 CSR 20-20.030; 19 CSR 20-20.040; 19 CSR 20-20.050) AND JACKSON COUNTY CODE CHAPTER 40, THE JACKSON COUNTY EXECUTIVE, JACKSON COUNTY HEALTH DIRECTOR, AND JACKSON COUNTY EMERGENCY MANAGEMENT COORDINATOR DO HEREBY ORDER:

1. This Order supersedes the March 24, 2020 Order directing all individuals to stay at home (“Stay at Home Order”). This Order clarifies, strengthens, and extends certain terms of the Stay at Home Order to increase social distancing and reduce person-to-person contact in order to further slow transmission of Novel Coronavirus Disease 2019 (“COVID-19”). As of the effective date and time of this Order set forth in Section 17 below, all

individuals, businesses, and government agencies in Jackson County, Missouri, excluding Kansas City, Missouri, are required to follow the provisions of this Order.

2. The intent of this Order is to ensure that the maximum number of people shelter in their places of residence to the maximum extent feasible to slow the spread of COVID-19 and mitigate the impact on delivery of critical healthcare services to those in need. All provisions of this Order must be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by fine, imprisonment, or both.
3. All individuals currently living within the County are ordered to stay at home at their place of residence. They may leave their residence only for Essential Activities, Essential Governmental Functions, Essential Travel, to work for Essential Businesses, or to perform Minimum Basic Operations for non-essential businesses, all as defined in Section 14. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged to, as soon as possible, make such shelter available and provide handwashing or hand sanitation facilities to persons who continue experiencing homelessness.
4. When people need to leave their place of residence for the limited purposes allowed in this Order, they must strictly comply with Social Distancing Requirements as defined in Section 14.k, except as expressly provided in this Order.
5. All businesses with a facility in the County, except Essential Businesses, as defined in Section 14.f, are required to cease all activities at facilities located within the County except Minimum Basic Operations, as defined in Section 14.g. For clarity, all businesses may continue operations consisting exclusively of owners, employees, volunteers, or contractors performing activities at their own residences (i.e., working from home). All Essential Businesses are strongly encouraged to remain open. But Essential Businesses are directed to maximize the number of employees who work from home. Essential Businesses may only assign those employees who cannot perform their job duties from home to work outside the home. All Essential Businesses shall prepare, post, and implement a Social Distancing Protocol at each of their facilities at which they are maintaining operations, as specified in Section 14.h.
6. Businesses that include an Essential Business component at their facilities alongside non-essential components must, to the extent feasible, scale down their operations to the Essential Business component only. Scaling must be observed as follows:
  1. Twenty-five (25) percent or less of the entity's authorized fire or building code occupancy, as set by local authorities, for a retail location with square footage of less than ten thousand square feet (10,000 ft<sup>2</sup>);

2. Ten (10) percent or less of the entity's authorized fire or building code occupancy, as set by local authorities, for a retail location with square footage of ten thousand square feet (10,000 ft<sup>2</sup>) or more.
7. All public and private gatherings of any number of people occurring outside a single household or living unit are prohibited, except for the limited purposes expressly permitted in this Order. Nothing in this Order prohibits members of a single household or living unit from engaging in Essential Travel or Essential Activities together.
8. All travel, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel, as defined below in Section 14.i, is prohibited. People may use public transit only for purposes of performing Essential Activities or to travel to and from work to operate Essential Businesses, maintain Essential Governmental Functions, or to perform Minimum Basic Operations at non-essential businesses. Transit agencies and people riding on public transit must comply with Social Distancing Requirements, as defined in Section 14.k, to the greatest extent feasible. This Order allows travel into or out of the County only to perform Essential Activities, operate Essential Businesses, maintain Essential Governmental Functions, or perform Minimum Basic Operations at non-essential businesses.
9. This Order is issued based on evidence of increasing occurrence of COVID-19 within the County and throughout the Kansas City Metropolitan Area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 disease in the general public, which is now a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the virus causing the COVID-19 disease have no symptoms or have mild symptoms, which means they may not be aware they carry the virus and are transmitting it to others. Because even people without symptoms can transmit the infection, and because evidence shows the infection is easily spread, gatherings and other interpersonal interactions can result in preventable transmission of the virus. The scientific evidence shows that at this stage of the emergency, it remains essential to continue to slow virus transmission as much as possible to protect the most vulnerable, to prevent the health care system from being overwhelmed, and to prevent deaths. Reinforcement of the Stay at Home Order and strengthening of its restrictions are necessary to further reduce the spread of the COVID-19 disease, preserving critical and limited healthcare capacity in the County and advancing toward a point in the public health emergency where transmission can be controlled.
10. This Order is also issued in light of the existence, as of April 15, 2020, of 247 cases of COVID-19 cases in Jackson County, with 11 deaths. It is likely there will be further significant and increasing numbers of suspected cases of community transmission and

further significant increases in transmission. This Order is necessary to slow the rate of spread, and the Health Director will re-evaluate it as further data becomes available.

11. This Order is issued in accordance with, and incorporates by reference, all prior Orders issued by Governor Mike Parson, as well as Jackson County Executive Frank White, Jr.
12. This Order is issued in light of belief that the Stay at Home Order is generally effective in increasing social distancing, but that at this time additional restrictions are necessary to further mitigate the rate of transmission of COVID-19, to prevent the health care system from being overwhelmed, and prevent death. This Order comes after the release of substantial guidance from the Jackson County Health Director, the Centers for Disease Control and Prevention, the Missouri Department of Health and Senior Services, and other public health officials throughout the United States and around the world, including an increasing number of orders imposing similar social distancing requirements and mobility restrictions to combat the spread and harms of COVID-19. The County Executive, Health Director, and Emergency Management Coordinator will continue to assess the quickly evolving situation and may modify or extend this Order, or issue additional Orders, related to COVID-19, as changing circumstances dictate.
13. This Order adopts in certain respects more stringent restrictions addressing the particular facts and circumstances in the County, which are necessary to control the public health emergency as it is evolving within the County and the Kansas City Metropolitan Area. Without this tailored set of restrictions that further reduces the number of interactions between persons, there is potential that the public health crisis in the County could worsen to the point at which it may overtake available health care resources within the County and increase the death rate. Also, this Order enumerates additional restrictions on non-work-related travel not covered by the State Shelter Order, including limiting such travel to performance of Essential Travel or Essential Activities; sets forth mandatory Social Distancing Requirements for all individuals in the County when engaged in activities outside their residences; and adds a mechanism to ensure that Essential Businesses comply with the Social Distancing Requirements. Where a conflict exists between this Order and any state public health order related to the COVID-19 pandemic, the most restrictive provision controls.
14. Definitions and Exemptions.
  - a. For the purposes of this Order, individuals may leave their residence only to perform the following “Essential Activities.” But people at high risk of severe illness from COVID-19 and people who are sick are strongly urged to stay in their residence to the extent possible, except as necessary to seek or provide medical care or Essential Governmental Functions. Essential Activities are:
    - i. To engage in activities or perform tasks important to their health and safety, or to the health and safety of their family or household members (including pets), such as, by way of example only and without limitation,

For the purposes of this Order, individuals may leave their residence to provide any services or perform any work necessary to the operation and maintenance of “Essential Infrastructure,” including airports, utilities (including water, sewer, gas, and electrical), oil refining, roads and highways, public transportation, solid waste facilities (including collection, removal, disposal, and processing facilities), cemeteries, mortuaries, crematoriums, and telecommunications systems (including the provision of essential global, national, and local infrastructure for internet, computing services, business infrastructure, communications, and web-based services).
- d. For the purposes of this Order, all first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, and others who need to perform essential services are categorically exempt from this Order to the extent they are performing those essential services. Further, nothing in this Order shall prohibit any individual from performing or accessing “Essential Governmental Functions,” as determined by the governmental entity performing those functions in the County. Each governmental entity shall identify and designate appropriate employees, volunteers, or contractors to continue providing and carrying out any Essential Governmental Functions, including the hiring or retention of new employees or contractors to perform such functions.
- e. For the purposes of this Order, a “business” includes any for-profit, non-profit, or educational entity, whether a corporate entity, organization, partnership or sole proprietorship, and regardless of the nature of the service, the function it performs, or its corporate or entity structure.
